BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 37-7-203, Mississippi Code of 1972, is amended as follows:

37-7-203. (1) The boards of trustees of all municipal separate school districts created under the provisions of Article 1 of this chapter, either with or without added territory, shall consist of five (5) members. On the first Tuesday after the first Monday in June 2005, and every four (4) years thereafter, an election shall be held in each municipal separate school district in this state, in the same manner and at the same time as the regular municipal elections are held, for the purpose of electing the members of the boards of trustees established under the provisions of this article. All members of the boards of trustees
as constituted in this section shall take office on the first
Monday of July following the date of their election and shall
serve for a term of four (4) years. The five (5) members of the
board of trustees of the school district shall be elected from
special trustee election districts by the qualified electors of
the district, as provided in this section. The governing
authorities of the municipality shall apportion the municipal
separate school district, including added territory, into five (5)
special trustee election districts as nearly equal as possible
according to population, incumbency and other factors pronounced
by the courts before the effective date of this act. The
municipal governing authority shall place upon its minutes the
boundaries determined for the new five (5) trustee election
districts. The municipal governing authority shall thereafter
publish the same in a newspaper of general circulation within the
school district for at least three (3) consecutive weeks; and
after having given notice of publication and recording the same
upon the minutes of the municipal governing authority, the new
district lines shall thereafter be effective. All incumbent
trustees holding office at the time of the creation of the trustee
election districts shall continue holding their respective
offices, provided they reside within the new district, for the
remainder of the term of office to which they have been selected
before the effective date of this act, and their successors shall
be elected from the new trustee election districts constituted in
this section in the manner provided for in this section.

(2) Vacancies in the membership of the board of trustees of
any municipal separate school district shall be filled by
appointment, within sixty (60) days after the vacancy occurs, by
the governing authorities of the municipality. The appointee
shall be selected from the qualified electors of the district in
which the vacancy occurs. The president of the municipal
governing authority shall certify to the Secretary of State the
fact of the appointment, and the Governor shall commission the
person appointed; and if the unexpired term is longer than six (6)
months, the appointee shall serve until a successor is elected as
provided in this section, unless the vacancy occurs ninety (90)
days before the general election in a year in which an election
would normally be held for that office as provided by law, in
which case the person appointed shall serve the unexpired portion
of the term. The vacancies shall be filled for the unexpired term
by the qualified electors at the next regular special election day
occurring more than ninety (90) days after the occurrence of the
vacancy. The president of the municipal governing authority,
within ten (10) days after the happening of the vacancy, shall
make an order, in writing, directed to the commissioners of
election, commanding an election to be held on the next regular
special election day to fill the vacancy. The election
commissioners shall require each candidate to qualify at least
sixty (60) days before the date of the election, and shall give a
certificate of election to the person elected, and shall return to
the Secretary of State a copy of the order of holding the election
and the results of the election, certified by the president of the
municipal governing authority. The election shall be held in the
same manner provided for other municipal office vacancies. The
Governor shall commission the person elected.

However, where only one (1) person has qualified with the
commissioners of election to be a candidate within the time
provided by law, the commissioners of election shall certify to
the municipal governing authority that there is but one (1)
candidate. The municipal governing authority shall dispense with
the election and shall appoint the certified candidate to fill the
unexpired term. The president of the municipal governing
authority shall certify to the Secretary of State the candidate so
appointed to serve in the office and the Governor shall commission
the candidate. If no person has qualified at least sixty (60)
days before the date of the election, the commissioners of
election shall certify that fact to the municipal governing
authority, which shall dispense with the election and fill the
vacancy by appointment. The president of the municipal governing
authority shall certify to the Secretary of State the fact of the
appointment, and the Governor shall commission the appointed
person.

SECTION 2. Section 37-7-703, Mississippi Code of 1972, is
amended as follows:
37-7-703. In all * * * special municipal separate school
districts, * * * the board of trustees of such special municipal
separate school district shall be elected in the manner provided
by subsection (1) of Section 37-7-203, and all of the provisions
thereof shall be fully applicable in all respects to the selection
and constitution of such board of trustees.

SECTION 3. Sections 37-7-209, 37-7-211, 37-7-213, 37-7-215,
37-7-217 and 37-7-219, Mississippi Code of 1972, which provide
certain methods for electing trustees of municipal separate school
districts from added territory, are repealed.

SECTION 4. Sections 37-7-705, 37-7-707, 37-7-709, 37-7-711,
37-7-713, 37-7-715 and 37-7-717, Mississippi Code of 1972, which
provide certain methods for selecting trustees of special
municipal separate school districts, are repealed.

SECTION 5. Section 37-9-13, Mississippi Code of 1972, is
amended as follows:
37-9-13. (1) From and after January 1, 2004, in all public
school districts, the school board, on or before January 15 of
each year, shall appoint the superintendent of schools of the
district, except in those cases where the superintendent has been
selected previously and has a contract which is valid for the
ensuing scholastic year.
(2) * * * No person shall be eligible to the office of
superintendent of schools unless such person shall hold a valid
Class AA administrator's certificate issued by the State Department of Education and shall have had not less than four (4) years of classroom or administrative experience.

SECTION 6. Section 37-9-25, Mississippi Code of 1972, is amended as follows:

37-9-25. The school board shall have the power and authority, in its discretion, to employ the superintendent for not exceeding four (4) scholastic years and the principals or licensed employees for not exceeding three (3) scholastic years. In such case, contracts shall be entered into with such superintendents, principals and licensed employees for the number of years for which they have been employed. All such contracts with licensed employees shall for the years after the first year thereof be subject to the contingency that the licensed employee may be released if, during the life of the contract, the average daily attendance should decrease from that existing during the previous year and thus necessitate a reduction in the number of licensed employees during any year after the first year of the contract. However, in all such cases the licensed employee must be released before July 1 or at least thirty (30) days prior to the beginning of the school term, whichever date should occur earlier. The salary to be paid for the years after the first year of such contract shall be subject to revision, either upward or downward, in the event of an increase or decrease in the funds available for the payment thereof, but, unless such salary is revised prior to the beginning of a school year, it shall remain for such school year at the amount fixed in such contract. However, where school district funds, other than minimum education program funds, are available during the school year in excess of the amount anticipated at the beginning of the school year the salary to be paid for such year may be increased to the extent that such additional funds are available and nothing herein shall be construed to prohibit same.
SECTION 7. Section 37-9-12, Mississippi Code of 1972, which provides for a referendum on the question of retaining the elective method of choosing the county superintendent of education, is repealed.

SECTION 9. Section 23-15-297, Mississippi Code of 1972, is amended as follows:
