- BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:
- 20 **SECTION 1.** The following shall be codified as Section
- 21 43-33-151, Mississippi Code of 1972:
- 22 43-33-151. The Mississippi Customer Energy Assistance
- 23 Program (CEAP) Fund is created. The purpose of the CEAP Fund is
- 24 to promote home energy affordability for income-eligible
- 25 residential electric and natural gas consumers. The Department of
- 26 Human Services, Division of Community Services, shall administer
- 27 the fund according to Sections 43-33-151 through 43-33-159 and
- 28 those rules and regulations adopted by the department for the
- 29 administration of the fund.
- 30 **SECTION 2.** The following shall be codified as Section
- 31 43-33-153, Mississippi Code of 1975:
- 32 <u>43-33-153.</u> As used in Sections 43-33-151 through 43-33-159,
- 33 the following words and phrases the meanings ascribed in this
- 34 section unless the context clearly indicated otherwise:

- 35 (a) "Department" means the Department of Human
- 36 Services, Division of Community Services.
- 37 (b) "Participating distribution electric utility" means
- 38 an electric public utility, including a municipal electric utility
- 39 or electric cooperative, affirmatively opting to participate in
- 40 CEAP and to collect the CEAP charge pursuant to Section 43-33-155.
- 41 (c) "Participating distribution natural gas utility"
- 42 means a natural gas public utility, including a municipal natural
- 43 gas utility or natural gas cooperative, affirmatively opting to
- 44 participate in CEAP and to collect the CEAP charge pursuant to
- 45 Section 43-33-155.
- (d) "Fund" or "CEAP Fund" means the Customer Energy
- 47 Assistance Program (CEAP) Fund.
- 48 (e) "Residential accounts" or "residential customers"
- 49 means residential accounts or residential customers of a
- 50 participating public utility as those accounts or customers are
- 51 classified by the rate schedules or service rules of the
- 52 participating utility.
- 53 **SECTION 3.** The following shall be codified as Section
- 54 43-33-155, Mississippi Code of 1972:
- 55 $\underline{43-33-155}$. (1) (a) Each participating distribution
- 56 electric utility shall collect a nonbypassable undifferentiated
- 57 monthly charge of One-tenth of One Cent (1/10 of 1¢) per
- 58 kilowatt-hour per month, not to exceed One Dollar (\$1.00) per
- 59 month, from each residential account receiving electricity which
- 60 has not notified the utility of the customer's desire to opt out
- of the CEAP Fund program.
- (b) Each participating distribution natural gas utility
- 63 shall collect a nonbypassable undifferentiated monthly charge of
- 64 Three Cents (3¢) per hundred cubic feet per month, not to exceed
- One Dollar (\$1.00) per month, from each residential account
- 66 receiving natural gas which has not notified the utility of the
- 67 customer's desire to opt out of the CEAP Fund program.

Participating distribution electric utilities and 68 participating distribution natural gas utilities collecting CEAP 69 charges shall remit all CEAP charge revenues to the State 70 71 Treasurer, who shall deposit the monies in the CEAP Fund. The 72 treasurer shall make disbursements from this fund in accordance 73 with rules promulgated by the department. The unencumbered or 74 unobligated monies remaining in the fund at the end of any fiscal year will be maintained in the CEAP Fund and will be available for 75 expenditure during subsequent fiscal years until expended for the 76 purposes for which originally collected. 77

- 78 Whether an eliqible utility chooses to participate in CEAP or to terminate the utility's participation in CEAP is solely 79 80 at the discretion of the utility. There is no necessity or requirement for approval by any regulatory authority of the 81 utility's participation or termination of participation in CEAP of 82 any utility decision regarding participation in CEAP or of the 83 billing and collection of the charges required under subsection 84 85 (1) of utilities participating in CEAP. However, a utility's participation must be pursuant to Sections 43-33-151 through 86 43-33-159. No responsibility or liability attaches to any 87 decision by a utility to participate, not participate or terminate 88 89 participation in CEAP.
- Once an eligible utility opts to participate in (3) (a) 90 CEAP, the billing of the charge pursuant to subsection (1) will 91 92 begin with the first billing cycle of the prospective billing month after the utility has provided conspicuous notice to each of 93 its customers of the charge to be collected unless the customer 94 notifies the utility of the customer's desire not to participate 95 in the CEAP Fund program. The notice must be provided to all 96 residential customers of the participating utility, with 97 instructions on how the customer may opt out of participating in 98 99 the CEAP Fund program, with no less than three (3) billings 100 preceding the billing cycle in which the utility intends to begin

- 102 participating in the CEAP Fund program at any time.
- 103 (b) When a utility terminates its participation in
- 104 CEAP, after notifying the department, the termination will be
- 105 effective after the end of the billing month that the utility
- 106 designates as the final month of the utility's participation,
- 107 which end of the month must be prospective from the date on which
- 108 the utility makes its decision to terminate its participation.
- 109 (4) The department shall distribute funds from the CEAP Fund
- 110 pursuant to the rules adopted by the department, which rules must
- 111 include the purposes for which funds will be distributed,
- 112 including, but not necessarily limited to:
- 113 (a) Energy efficiency measures allowed by the U.S.
- 114 Department of Energy under the federal Weatherization Assistance
- 115 Program, 42 USCS, Section 6861, et seq., or its successor;
- 116 (b) Home water conservation measures;
- 117 (c) Incidental housing repairs determined by the
- 118 department to be necessary to ensure the viability of energy
- 119 efficiency investments or the health and safety of residential
- 120 customers;
- 121 (d) To provide, directly or indirectly, training and
- 122 technical assistance to local agencies delivering CEAP services;
- 123 (e) Electric and natural gas bill affordability
- 124 assistance; and
- (f) Program administrative costs; however, no more than
- 126 ten percent (10%) of the total CEAP Fund may be expended on
- 127 program administrative costs in any given year, with no more than
- 128 twenty percent (20%) of this ten percent (10%) being retained for
- 129 use by the department and the balance being made available to the
- 130 local administering agencies for the purposes of Sections
- 131 43-33-151 through 43-33-157. The department's rules must provide
- 132 that the distribution of funds from the CEAP Fund must be for the

purpose of making natural gas and electric utility bills more affordable to income eligible customers.

- The department may reserve from the funds collected in 135 136 any fiscal year an amount not to exceed ten percent (10%) to 137 provide, directly or indirectly, training and technical assistance to local agencies delivering CEAP services. This training and 138 technical assistance may include providing information concerning 139 conservation practices to income eligible customers. 140 department shall administer the CEAP Fund energy efficiency 141 programs by contracting with the local grantees of the Department 142 143 of Energy Weatherization Assistance Program or its successor and shall administer the CEAP Fund bill affordability assistance 144 145 programs by contracting with the local grantees of the Low Income Home Energy Assistance Program (LIHEAP). The department may 146 reserve up to ten percent (10%) of CEAP funds allocated for bill 147 affordability purposes for contracts to other local nonprofit 148 149 community-based organizations with demonstrated effectiveness in 150 administering emergency energy assistance for low-income customers. 151
- 152 The department shall prescribe, by rule, a maximum income eligibility for receipt of services funded by the CEAP Fund 153 154 which maximum income eligibility may not exceed one hundred and seventy-five percent (175%) of the federal poverty guideline, as 155 determined annually by the U.S. Department of Health and Human 156 157 However, the department may, define, by rule, households participating in means-tested state or federal programs 158 159 with similar eligibility guidelines, including, but not limited to, Food Stamps, Temporary Assistance to Needy Families and 160 Supplemental Security Income, as eligible for assistance through 161 162 the CEAP Fund. The department may define other low-income populations with particular physical or economic vulnerability to 163 164 weather conditions or energy supply interruptions as eligible for 165 assistance from the CEAP Fund.

- An eligible residential customer may receive one or more 166 167 of the forms of assistance available from the CEAP Fund and may not be required to participate in the state or federal energy 168 169 assistance or weatherization assistance programs as a condition of participating in the CEAP Fund programs.
- The residential customers of each participating 171 distribution electric utility and participating distribution 172 natural gas utility are eligible for assistance from the CEAP Fund 173 in an aggregate amount that equals each specific utility's pro 174 rata share of the total contributions to the CEAP Fund. Services 175 176 funded through the CEAP Fund will be provided without consideration of whether or not the residential customer is or has 177 been a contributor under the CEAP program, if the customer 178 receiving assistance is a customer of a participating distribution 179 electric utility or participating distribution natural gas utility 180
- SECTION 4. The following shall be codified as Section 182 183 43-33-157, Mississippi Code of 1972:

collecting the CEAP charge from its residential customers.

- 43-33-157. (1) The department shall monitor and evaluate 184 185 the provision of services funded from the CEAP Fund in order to ensure the effective provision of assistance for low-income 186 187 persons.
- (2) The department shall deliver to the Legislature an 188 annual report that must include, for each fiscal year in which the 189 190 CEAP Fund operates, the following:
- The number of households eligible to 191 participate in the CEAP Fund; 192
- The number of households that participated in 193 (ii) the CEAP Fund in the preceding year; 194
- (iii) Program revenues, expenditures, and benefits 195 196 provided; and
- 197 A description of the program activities.

181

- 198 (3) In order to prepare the report required under subsection
- 199 (2) of this section, the department shall establish annual
- 200 reporting requirements for participating utilities collected and
- 201 remitted to the State Treasurer.
- 202 (4) Beginning in 2005 and every third year thereafter, the
- 203 department shall report to the Legislature the results of the
- 204 department's monitoring and evaluation.
- 205 **SECTION 5.** The following shall be codified as Section
- 206 43-33-159, Mississippi Code of 1972:
- 207 43-33-159. Sections 43-33-151 through 43-33-159, Mississippi
- 208 Code of 1972, shall stand repealed on July 1, 2004.
- 209 **SECTION 6.** This act shall take effect and be in force from
- 210 and after July 1, 2002.
