November 2007 must be a resident of the school board member
district that has not been filled yet pursuant to this section.
The initial term of office of this elected member of the school
board shall expire on the first Monday of January 2012.

Upon the expiration of the initial terms of office, all
persons elected to serve on the school board shall serve for a
term of four (4) years.

On the first Tuesday after the first Monday in November 2007,
and every four (4) years thereafter, the election of all members
of the school boards shall be held in the same manner and at the
same time as the general elections are held.

(4) In order for a person to be eligible to be elected to
serve on the school board, the person must be a bona fide resident
and qualified elector of the school board member district entitled
to such representation on the school board.

(5) Candidates for the school board shall file with the
county election commissioners, not more than ninety (90) days nor
less than sixty (60) days before the date of the election, a
petition of nomination signed by at least fifty (50) or twenty
percent (20%) of the qualified electors of the school board member
district, whichever is less. The name of each qualified candidate
shall be placed on the ballot. The election shall be held in the
same manner as the general elections are held. The candidate in
each school board member district who receives a majority of the
votes cast by the qualified electors in that district shall be elected. However, if no candidate receives a majority of the votes, a runoff election shall be held two (2) weeks after the election. The names of the candidate receiving the highest number of votes and the candidate, or candidates in the event of a tie, receiving the next highest vote for the office shall be placed on the ballot in the runoff election. The person receiving the highest number of votes cast by the qualified electors in the runoff election shall be elected. All persons elected to serve on the school board shall take office on the first Monday of January next following the date of their election.

(6) Whenever there is a vacancy in the membership of the school board, the vacancy shall be filled, depending upon the length of the unexpired term of the vacated office, in the manner provided under this subsection.

(a) If the unexpired term of the vacated office is six (6) months or less, the remaining members of the school board shall appoint, within sixty (60) days after the vacancy occurs, a person to serve the unexpired portion of the term. The appointee shall be selected from the qualified electors of the school board member district in which the vacancy occurs. The chairman of the school board shall certify to the Secretary of State the fact of the appointment, and the Governor shall commission the person appointed.

(b) If the unexpired term of the vacated office is greater than six (6) months, an election shall be held to fill the vacancy. The school board shall certify in writing the fact of the vacancy to the governing authority of the municipality, if the school district is a municipal separate school district or a special municipal separate school district, or to the board of supervisors in the case of all other school districts. At the next regular meeting of the municipal governing authority or board of supervisors, as the case may be, after its receipt of
certification of the vacancy from the school board, the municipal
governing authority or board of supervisors shall make and enter
on its minutes an order for an election to be held in the school
board member district in which the vacancy exists and shall fix
the date upon which the election shall be held, which date shall
not be less than thirty (30) days nor more than forty-five (45)
days after the date upon which the order is adopted.

The municipal governing authority or board of supervisors, as
the case may be, shall cause to be published notice of the
election in a newspaper of general circulation within the school
district once each week for three (3) successive weeks preceding
the date of the election. The first notice must be published at
least thirty (30) days before the date of the election. Notice
also shall be given by the school board by posting a copy of the
notice at three (3) public places in the school board member
district in which the vacancy exists and at the administrative
offices of the school board not less than twenty-one (21) days
before the date of the election.

Candidates for the vacated office shall file with the
municipal governing authority or the board of supervisors, as the
case may be, not less than ten (10) days before the date of the
election, a petition of nomination signed by at least fifty (50)
or twenty percent (20%) of the qualified electors of the school
board member district, whichever is less. The election shall be
held, as far as practicable, in the same manner as school board
elections are conducted under this section. The candidate who
receives a majority of the votes cast by the qualified electors in
the school board member district shall be elected. However, if no
candidate receives a majority of the votes, a runoff election
shall be held two (2) weeks after the election. The names of the
candidate receiving the highest number of votes and the candidate,
or candidates in the event of a tie, receiving the next highest
vote for the office shall be placed on the ballot in the runoff
election. The person receiving the highest number of votes cast by the qualified electors in the runoff election shall be elected. The clerk of the election commission shall give a certificate of election to the person elected and shall return to the Secretary of State a copy of the order of holding the election and its results, certified by the clerk. The Governor shall commission the person elected to serve the remainder of the unexpired term.

However, if nine (9) days before the date of the election only one (1) person has qualified as a candidate, the municipal governing authority or board of supervisors, as the case may be, shall dispense with the election, and the remaining members of the school board shall appoint that candidate to fill the unexpired term. If no person has qualified at least nine (9) days before the election, the election shall be dispensed with, and the remaining members of the school board shall appoint a person, selected from the qualified electors of the school board member district in which the vacancy exists, to fill the unexpired term. The chairman of the school board shall certify to the Secretary of State the fact of the appointment, and the Governor shall commission the person appointed.

All persons elected to serve on the school board shall take office on the first Monday of January next following the date of their election.

(6) Whenever there is a vacancy in the membership of the school board, the vacancy shall be filled, depending upon the length of the unexpired term of the vacated office, in the manner provided under this subsection.

(a) If the unexpired term of the vacated office is six (6) months or less, the remaining members of the school board shall appoint, within sixty (60) days after the vacancy occurs, a person to serve the unexpired portion of the term. 37-5-7. (1) Subject to the provisions of subsection (3) of this section and Section 1 of House Bill No. , 2002 Regular
Session, on the first Tuesday after the first Monday in May, 1954, an election shall be held in each county in this state in the same manner as general state and county elections are held and conducted, which election shall be held for the purpose of electing the county boards of education established under the provisions of this chapter. Subject to the provisions of subsection (3) of this section and Section 1 of House Bill No. , 2002 Regular Session, on the first Tuesday after the first Monday in November, in any year in which any county shall elect to utilize the authority contained in Section 37-5-1(2), an election shall be held in each such county in this state for the purpose of electing the county boards of education in such counties. At said election the members of the said county board of education from Districts One and Two shall be elected for a term of four (4) years, the members from Districts Three and Four shall be elected for a term of six (6) years, and the member from District Five shall be elected for a term of (2) years. (1) Subject to the provisions of subsection (3) of this section and Section 1 of House Bill No., 2002 Regular Session, the boards of trustees of all municipal separate school districts created under the provisions of Article 1 of this chapter, either with or without added territory, shall consist of five (5) members, each to be chosen for a term of five (5) years, but so chosen that the term of office of one (1) member shall expire each year. In the event the added territory of a municipal separate school district furnishes fifteen percent (15%) or more of the pupils enrolled in the schools of such district, then at least one (1) member of the board of trustees of such school district shall be a resident of the added territory outside the corporate limits. In the event the added territory of a municipal separate school district furnishes thirty percent (30%) or more of the pupils enrolled in the schools of such district, then not more than two (2) members of the board of trustees of such school district shall be residents of the added territory.

pupils enrolled in the schools of such district, then the five (5)
members of the board of trustees of such school district shall be
elected at large from such school district for a term of five (5)
years except that the two (2) elected trustees presently
serving on such board shall continue to serve for their respective
terms of office. The three (3) appointed trustees presently
serving on such board shall continue to serve until their
successors are elected in March of 1975 in the manner provided for
in Section 37-7-215. At such election, one (1) trustee shall be
elected for a term of two (2) years, one (1) for a term of three
(3) years and one (1) for a term of five (5) years. Subsequent
terms for each successor trustee shall be for five (5) years. In

District 2 being comprised of Supervisors District 3, with added
territory embraces three (3) full supervisors districts of a
county, one (1) trustee shall be elected from each of the three

governing authorities of such municipality shall thereafter publish the same in a newspaper of general circulation within said school district for at least two (2) consecutive weeks; and after having given notice of publication and recording the same upon the minutes of the governing authorities, said new district lines shall thereafter be effective. Any person elected from the new trustee election districts constituted herein shall be elected in the manner provided for in Section 37-7-215 for a term of five (5) years. Said trustee shall be a resident of the territory of that part of the district lying in the county in which the municipality is not located and shall be elected by the qualified electors of the territory of such county.

election of trustees of school districts other than municipal
separate school districts having territory in two (2) or more
counties.

All vacancies shall be filled for the unexpired terms by
appointment of the governing authorities of the municipality;
except that in the case of the trustees coming from the added
territory outside the corporate limits, the person so appointed
shall serve only until the first Saturday of March following his
appointment, at which time a person shall be elected for the
remainder of the unexpired term in the manner otherwise provided
herein.

No person who is a member of such governing body, or who is

board of education, or who is a trustee of any public, private or
sectarian school or college located in the county, inclusive of
the municipal separate school district, or who is a teacher in or
a trustee of said school district, shall be eligible for
appointment to said board of trustees.

(2) Subject to the provisions of subsection (3) of this
section and Section 1 of House Bill No.______, 2002 Regular
