AN ACT TO AMEND SECTION 37-61-33, MISSISSIPPI CODE OF 1972, TO REQUIRE THE STATE DEPARTMENT OF EDUCATION TO USE A PORTION OF THE EDUCATION ENHANCEMENT FUND MONIES ALLOCATED FOR CLASSROOM SUPPLIES TO PURCHASE NONCONSUMABLE INSTRUCTIONAL MATERIALS AND EQUIPMENT TO BE LOANED TO APPROVED NONPUBLIC SCHOOLS; AND FOR RELATED PURPOSES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 37-61-33, Mississippi Code of 1972, is amended as follows:

37-61-33. (1) There is created within the State Treasury a special fund to be designated the "Education Enhancement Fund" into which shall be deposited all the revenues collected pursuant to Sections 27-65-75(7) and (8) and 27-67-31(a) and (b).

(2) Of the amount deposited into the Education Enhancement Fund, Sixteen Million Dollars ($16,000,000.00) shall be appropriated each fiscal year to the State Department of Education to be distributed to all school districts. Such money shall be distributed to all school districts in the proportion that the average daily attendance of each school district bears to the average daily attendance of all school districts within the state for the following purposes:

(a) Purchasing, erecting, repairing, equipping, remodeling and enlarging school buildings and related facilities, including gymnasiums, auditoriums, lunchrooms, vocational training buildings, libraries, teachers' homes, school barns, transportation vehicles (which shall include new and used transportation vehicles) and garages for transportation vehicles, and purchasing land therefor.
(b) Establishing and equipping school athletic fields and necessary facilities connected therewith, and purchasing land therefor.

(c) Providing necessary water, light, heating, air conditioning and sewerage facilities for school buildings, and purchasing land therefor.

(d) As a pledge to pay all or a portion of the debt service on debt issued by the school district under Sections 37-59-1 through 37-59-45, 37-59-101 through 37-59-115, 37-7-351 through 37-7-359, 37-41-89 through 37-41-99, 37-7-301, 37-7-302 and 37-41-81, or debt issued by boards of supervisors for agricultural high schools pursuant to Section 37-27-65, if such pledge is accomplished pursuant to a written contract or resolution approved and spread upon the minutes of an official meeting of the district's school board or board of supervisors.

The annual grant to such district in any subsequent year during the term of the resolution or contract shall not be reduced below an amount equal to the district's grant amount for the year in which the contract or resolution was adopted. The intent of this provision is to allow school districts to irrevocably pledge a certain, constant stream of revenue as security for long-term obligations issued under the code sections enumerated in this paragraph or as otherwise allowed by law. It is the intent of the Legislature that the provisions of this paragraph shall be cumulative and supplemental to any existing funding programs or other authority conferred upon school districts or school boards.

Debt of a district secured by a pledge of sales tax revenue pursuant to this paragraph shall not be subject to any debt limitation contained in the foregoing enumerated code sections.

(3) The remainder of the money deposited into the Education Enhancement Fund shall be appropriated as follows:

(a) To the State Department of Education as follows:
(i) Sixteen and sixty-one one-hundredths percent (16.61%) to the cost of the adequate education program determined under Section 37-151-7;

(ii) Seven and ninety-seven one-hundredths percent (7.97%) to assist the funding of transportation operations and maintenance pursuant to Section 37-19-23; and

(iii) Nine and sixty-one one-hundredths percent (9.61%) for classroom supplies, instructional materials and equipment, including computers and computer software, to be distributed to all school districts and to be used by the State Department of Education for the purchase of nonconsumable instructional materials and equipment to be loaned to approved nonpublic schools, as described under Section 37-43-1, in the same manner as textbooks. The amount of funds under this item to be used by the department for purchasing materials and equipment to loan to approved nonpublic schools shall be in the proportion that the average daily attendance of the nonpublic schools that are loaned textbooks by the state bears to the average daily attendance of all school districts in the state. The funds distributed to school districts under this item shall be in the proportion that the average daily attendance of each school district bears to the average daily attendance of all school districts within the state. It is the intent of the Legislature that all classroom teachers shall be involved in the development of a spending plan that addresses individual classroom needs and supports the overall goals of the school regarding supplies, instructional materials, equipment, computers or computer software under the provisions of this subparagraph, including the type, quantity and quality of such supplies, materials and equipment. This plan shall be submitted to the school principal for approval. School districts need not fully expend the funds received under this subparagraph in the year in which they are received, but such
funds may be carried forward for expenditure in any succeeding school year;
(b) Twenty-two and nine one-hundredths percent (22.09%) to the Board of Trustees of State Institutions of Higher Learning for the purpose of supporting institutions of higher learning; and
(c) Fourteen and forty-one one-hundredths percent (14.41%) to the State Board for Community and Junior Colleges for the purpose of providing support to community and junior colleges.

(4) The amount remaining in the Education Enhancement Fund after funds are distributed as provided in subsections (2) and (3) of this section shall be disbursed as follows:
(a) Twenty-five Million Dollars ($25,000,000.00) shall be deposited into the Working Cash-Stabilization Reserve Fund created pursuant to Section 27-103-203(1), until the balance in such fund reaches the maximum balance of seven and one-half percent (7-1/2%) of the General Fund appropriations in the appropriate fiscal year. After the maximum balance in the Working Cash-Stabilization Reserve Fund is reached, such money shall remain in the Education Enhancement Fund to be appropriated in the manner provided for in paragraph (b) of this subsection.
(b) The remainder shall be appropriated for other educational needs.

(5) None of the funds appropriated pursuant to subsection (3)(a) of this section shall be used to reduce the state's general fund appropriation for the categories listed in an amount below the following amounts:
(a) For subsection (3)(a)(ii) of this section, Thirty-six Million Seven Hundred Thousand Dollars ($36,700,000.00);
(b) For the aggregate of minimum program allotments in the 1997 fiscal year, formerly provided for in Chapter 19, Title 37, Mississippi Code of 1972, as amended, excluding those funds...
for transportation as provided for in subsection (5)(a) in this
section.

SECTION 2. This act shall take effect and be in force from
and after July 1, 2002.
