HOUSE BILL NO. 1164

AN ACT TO AMEND SECTIONS 51-3-9 AND 51-3-35, MISSISSIPPI CODE
 OF 1972, TO PROVIDE THAT PUBLIC NOTICE SHALL NOT BE REQUIRED FOR
 THE REISSUANCE OF A WATER USE PERMIT; AND FOR RELATED PURPOSES.
 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:
 SECTION 1. Section 51-3-9, Mississippi Code of 1972, is
 amended as follows:

7 51-3-9. (1) No permit for water use shall be issued for a 8 period longer than ten (10) years. The right to use of water granted by the permit shall automatically terminate upon the 9 passage of the tenth anniversary date of the permit unless there 10 is pending before the board an application for another water 11 permit which includes the use of the same water permitted under 12 13 the expiring permit. Six (6) months prior to the tenth anniversary date of such permit, the board shall give actual 14 written notice by certified mail to the permit holder informing 15 him that such permit shall be automatically terminated upon its 16 expiration unless such permit holder has made an application for 17 another water permit as described in this subsection. Public 18 notice shall not be required for the reissuance of a permit. 19 The permit shall be reissued to the permit holder unless his continued 20 21 use is found to be contrary to the public interest.

(2) Notwithstanding the foregoing provision, the board may
grant to a municipality, county or other governmental subdivision,
a public utility or a publicly regulated utility, a permit to use
water for a duration sufficient to amortize the initial capital
investment of such permittee in water-related equipment.

(3) The board may modify, terminate or decline to reissue a
permit upon a showing of good cause, after affording the permittee
involved an opportunity for a hearing at which the permittee shall
be entitled to be represented by legal counsel and call witnesses
and present evidence on his behalf.

The board shall issue to any person filing a notice of 32 (4) claim to previously existing rights as provided in Section 51-3-5 33 a permit which reflects such person's rights. However, such 34 person, on or before the tenth anniversary date of the permit so 35 issued by the board, shall file an application to renew such 36 37 permit or the rights thereunder to the use of water shall automatically terminate upon the expiration of the permit. 38 This 39 decennial filing requirement shall also apply thereafter to each renewed permit. 40

41 **SECTION 2.** Section 51-3-35, Mississippi Code of 1972, is 42 amended as follows:

51-3-35. (1) Upon approval of the application the board 43 44 shall notify the applicant to that effect and issue a permit authorizing him to take all steps required to apply the water to 45 46 the approved and proposed beneficial use. An application may be approved for a less amount of water than that requested if, in the 47 opinion of the board, the approval of the full amount requested 48 would interfere with a vested right or is against public interest. 49 An applicant shall be entitled to proceed with construction and 50 51 with the use of water in accordance with the approval and such limitations as may be prescribed by the board. No initial 52 application shall be approved until the substance thereof shall 53 have been published by the applicant in a newspaper having general 54 circulation in the county wherein the point of diversion or 55 withdrawal exists, at least ten (10) days before approval of such 56 application, and a public hearing accorded any person whose rights 57 58 may be adversely affected by such approval. At such hearing all persons concerned will be accorded the right of counsel and the 59

H. B. No. 1164 02/HR07/R1674 PAGE 2 (CJR\HS) right to introduce evidence in their behalf. <u>Public notice shall</u>
not be required for the reissuance of a permit.

(2) If the application is refused the board shall so notify
the applicant, and it shall be unlawful for such applicant to take
any steps toward the use of any such water, so long as the refusal
shall continue in force. Any person who proceeds to use water,
without approval of the board being first obtained, may be
enjoined in any court of competent jurisdiction.

68 **SECTION 3**. This act shall take effect and be in force from 69 and after July 1, 2002.
