BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 37-15-9, Mississippi Code of 1972, is amended as follows:

37-15-9. (1) Except as provided in subsections (2) and (3) and subject to the provisions of subsection (4) of this section, no child shall be enrolled or admitted to any school which is a part of the free public school system during any school year unless such child will reach his sixth birthday on or before September 1 of the school year. No pupil shall be permanently enrolled in a school in the State of Mississippi who formerly was enrolled in another public or private school within the state until the cumulative record of the pupil shall have been received from the school from which he transferred. Should such record have become lost or destroyed, then it shall be the duty of the superintendent or principal of the school where the pupil last attended school to initiate a new record.

(2) Subject to the provisions of subsection (4) of this section, any child who transfers from an out-of-state public or private school in which that state's law provides for a first-grade or kindergarten enrollment date subsequent to September 1, shall be allowed to enroll in the public schools of Mississippi, at the same grade level as their prior out-of-state enrollment, if:

(b) The out-of-state school from which the child is transferring is duly accredited by that state's appropriate accrediting authority;

If, in the determination of the school district superintendent, the results of the assessment indicate that the child is ready to be enrolled in the first grade in the forthcoming school year, the school board must authorize the child's enrollment in that school district.

(4) When any child applies for admission or enrollment in any public school in the state, the parent, guardian or child, in the absence of an accompanying parent or guardian, shall indicate on the school registration form if the enrolling child has been expelled from any public or private school or is currently a party to an expulsion proceeding.
