62 shall otherwise require:

63 (a) "Preferential election" shall mean an election held  
64 for the purpose of determining those candidates whose names will  
65 be placed on the general or regular election ballot. Any person

82 one (1) person has qualified or been certified as a candidate for  
83 any office, a preferential election for such office shall be held  
84 three (3) weeks prior to such general or regular election.

85 **SECTION 3.** Any person who has qualified in the manner  
86 provided by law as a candidate for election under Sections 1

309 amended as follows:

310           21-8-7. (1) Each municipality operating under the  
311 mayor-council form of government shall be governed by an elected

315           (2) Except as otherwise provided in subsection (4) of this  
316 section, the mayor and councilmen shall be elected by the voters

356 the geographical boundaries of the wards within one hundred twenty  
357 (120) days after the election in which the mayor-council form of  
358 government is selected. In designating the geographical  
359 boundaries of the wards, each ward shall contain, as nearly as  
360 possible, the population factor obtained by dividing the

362 census by the number of wards into which the municipality is to be  
363 divided.

364 (c) (i) It shall be the mandatory duty of the council  
365 to redistrict the municipality by ordinance, which ordinance may  
366 not be vetoed by the mayor, within six (6) months after the  
367 official publication by the United States of the population of the  
368 municipality as enumerated in each decennial census, and within  
369 six (6) months after the effective date of any expansion of  
370 municipal boundaries; however, if the publication of the most  
371 recent decennial census or effective date of an expansion of the  
372 municipal boundaries occurs six (6) months or more prior to the  
373 preferential election in a municipality, then the council shall  
374 redistrict the municipality by ordinance not less than sixty (60)  
375 days prior to such preferential election.

376 (ii) If the publication of the most recent  
377 decennial census occurs less than six (6) months prior to the

738 and automatic tabulating equipment used in an electronic voting  
739 system which meets the requirements of Section 23-15-465, and may  
740 use such system in all or a part of the precincts within its  
741 boundaries or in combination with paper ballots in any

743 boundaries of precincts where an electronic voting system is used.  
744 The provisions of Sections 23-15-461 through 23-15-485 shall be

745 controlling with respect to elections where an electronic voting

747 out the purpose of this chapter. The provisions of the election  
748 law relating to the conduct of elections with paper ballots,  
749 insofar as they are applicable and not inconsistent with the

768 is entitled to vote for the office or on the measure;

769             (c) Permit each voter at presidential elections by one

828 **SECTION 35.** Section 23-15-511, Mississippi Code of 1972, is  
829 amended as follows:

830 23-15-511. The ballots shall, as far as practicable, be in  
831 the same order of arrangement as provided for paper ballots that  
832 are to be counted manually, except that such information may be  
833 printed in vertical or horizontal rows. Nothing in this chapter  
834 shall be construed as prohibiting the information being presented  
835 to the voters from being printed on both sides of a single ballot.  
836 In those years when a special election shall occur on the same day  
837 as the general election, the names of candidates in any special  
838 election and the general election shall be placed on the same  
839 ballot by the commissioners of elections or officials in charge of  
840 the election, but the general election candidates shall be clearly  
841 distinguished from the special election candidates \* \* \*.

842 Ballots shall be printed in plain clear type in black ink and

850 on the ballot to indicate the place to mark the ballot, which may  
851 be to the right or left of the names of candidates and  
852 propositions. The titles of offices may be arranged in vertical  
853 columns on the ballot and shall be printed above or at the side of  
854 the names of candidates so as to indicate clearly the candidates  
855 for each office and the number to be elected. In case there are

857 column, the ballot shall be clearly marked that the list of  
858 candidates is continued on the following column. The names of  
859 candidates for each office shall be printed in vertical columns,  
860 grouped by the offices which they seek. \* \* \* The party  
861 designation, if any, of each candidate \* \* \* shall be printed  
862 following his name, as provided for in Section 10, House Bill No.  
863 \_\_\_\_\_, 2002 Regular Session.

870 provided to conceal the choices the voter has made. Absentee  
871 voters will receive a similar ballot security envelope provided by  
872 the county in which the absentee voter will insert their voted  
873 ballot, which then can be inserted into a return envelope to be  
874 mailed back to the election official. Absentee ballots will not

875 be required to be folded when a ballot security envelope is  
876 provided.

889 charter, special charter or the commission form of government,  
890 except in cases of conflicts between the provisions of such  
891 section and the provisions of the special charter of a  
892 municipality or the law governing the commission form of

984 amended as follows:

985 23-15-593. When the ballot box is opened and examined by

994 the wrong or wrongs, for the purpose of electing or defeating a  
995 certain candidate or candidates by manipulating the election or

998 commission \* \* \* shall conduct such hearing and make such  
999 determination in respect to said box as may appear lawfully just,  
1000 subject to a judicial review of said matter as elsewhere provided  
1001 by this chapter. Or the \* \* \* election commission, or the court  
1002 upon review, may order another election to be held at that box

1009 managers to the clerk of the circuit court of the county and said  
1010 clerk shall, in the presence of the manager making delivery of the  
1011 box, place upon the lock of such box a metal seal similar to the  
1012 seal commonly used in sealing the doors of railroad freight cars.  
1013 Such seals shall be numbered consecutively to the number of ballot  
1014 boxes used in the election in the county, and the clerk shall keep  
1015 in a place separate from such boxes a record of the number of the  
1016 seal of each separate box in the county. The board of supervisors  
1017 of the county shall pay the cost of providing such seals. Upon

1023 such election was held, and it shall make redelivery of such boxes  
1024 and their contents to the circuit clerk who shall reseal said  
1025 boxes. Upon every occasion said boxes shall be reopened and each  
1026 resealing shall be done as provided in this chapter.

1027           **SECTION 41.** Section 23-15-601, Mississippi Code of 1972, is

1054 and the names of those candidates whose names are to be submitted  
1055 to the general election. The state election commissioners shall  
1056 also meet a week from the day on which the general election is  
1057 held and receive and canvass the returns for state and district  
1058 offices voted on in such general election. An exact and full  
1059 duplicate of all tabulations by precincts, as certified under this  
1060 section, shall be filed with the circuit clerk of the county who  
1061 shall safely preserve the same in his office.
