473 BE IT FURTHER RESOLVED, That partial or split precincts
474 contained in this resolution are identified in this joint
475 resolution by an asterisk (*) which shall precede its designation
476 within the description of a district.

477 BE IT FURTHER RESOLVED, That the Chairman and Vice Chairman
478 of the Standing Joint Legislative Committee on Reapportionment
479 shall file with the Secretary of State the Split Precinct Block
480 List developed in conjunction with the plan contained in this
481 joint resolution that details the portions of the partial or split

482 precincts that are contained within a district by census tract and
483 block number, and such document duly filed with the Secretary of
484 State is hereby incorporated into and shall be construed to be an
485 integral part of this joint resolution.

486 BE IT FURTHER RESOLVED, That the boundaries of the senatorial
487 districts described above shall be:

488 (a) The boundaries of the counties listed above as such
489 boundaries existed as of January 1, 2002.

490 (b) The boundaries of the precincts listed above as
491 such boundaries are contained in Census 2000 redistricting maps
492 (Public Law 94-171) Tiger line file; and

493 (c) The boundaries of the census tracts and blocks
494 listed above as such boundaries are contained in Census 2000
495 redistricting maps (Public Law 94-171) Tiger line file.

496 BE IT FURTHER RESOLVED, That this resolution shall be
497 liberally construed to effectuate the purposes thereof and to
498 redistrict the Senate of this state in compliance with
499 constitutional requirements.

500 It is intended that this resolution and the districts
501 described herein completely encompass all the area within the
502 state. It is also intended that such districts contain all the
503 inhabitants in this state. It is further intended that the
504 redistricting provided for in this resolution result in the
505 creation of districts which are substantially equal in population.
506 It is also intended that no district shall include any of the area
507 included within the description of any other district.

508 BE IT FURTHER RESOLVED, That the redistricting of
509 representative districts and senate districts shall be deemed to
510 be separate from each other. The invalidity of the districts of
511 one (1) house shall not affect or require the redistricting of the
512 other house when the districts of the other house have been found
513 to be valid by a court of competent jurisdiction.

514 BE IT FURTHER RESOLVED, That if the districts described in
515 this resolution do not carry out the purposes thereof, because of
516 unintentional omissions; duplications; overlapping areas;
517 erroneous nomenclature; lack of adequate maps or descriptions of
518 political subdivisions, wards or other divisions thereof, or of
519 their boundary lines, then the Secretary of State, at the request
520 of the Senate Elections Committee shall, by order, correct such
521 omissions, overlaps, erroneous nomenclature or other defects in
522 the description of districts so as to accomplish the purposes and
523 objectives of this resolution.

524 BE IT FURTHER RESOLVED, That in promulgating such orders, the
525 Secretary of State, in addition to achieving equality in the
526 population of districts and insuring that all areas of the state
527 are completely and accurately encompassed in such districts, shall
528 be guided by the following standards:

529 (a) Gaps in the description of any district shall be
530 completed in a manner which results in a total description of that
531 district in a manner which is consonant with the description of
532 adjacent districts and results in complete contiguity of
533 districts;

534 (b) Areas of the state included within the descriptions
535 of more than one (1) district shall be allocated to the district
536 having the lowest population;

537 (c) Areas of the state not included within the
538 descriptions of any district shall be allocated to the adjacent
539 district having the lowest population;

540 (d) In the event that the area subject to corrected
541 description or allocation as provided in paragraphs (a), (b) and
542 (c) of this clause is of such size or contains such population
543 that its inclusion as a unit in any district would result in
544 substantial disparity in the size, shape or population of such
545 district, then the Secretary of State may allocate portions of
546 such area to two (2) or more districts; and

547 (e) In any allocation of area or correction of
548 descriptions made pursuant to this resolution, the Secretary of
549 State shall, consistent with the foregoing standards, preserve the
550 contiguity and compactness of districts and avoid the unnecessary
551 division of political subdivisions.

552 BE IT FURTHER RESOLVED, That copies of such orders shall be
553 filed by the Secretary of State in his own office and in the
554 offices of the affected commissioners of election and registrars.
555 The Secretary of State may adopt reasonable rules regulating the
556 procedure for applications for orders under this resolution in the
557 manner of serving and filing any notice or copy of orders relating
558 thereto. Upon the filing of such an order, the description of any
559 affected district shall be deemed to have been corrected in the
560 manner provided in such order to the full extent as if such
561 correction had been contained in the original description set
562 forth in this resolution.

563 BE IT FURTHER RESOLVED, That the Standing Joint Legislative
564 Committee on Reapportionment is directed to provide all
565 information necessary to assist the counties in identifying the
566 boundaries of the districts described in this resolution.

567 BE IT FURTHER RESOLVED, That the redistricting contained in
568 this resolution shall supercede any prior redistricting, and any
569 prior redistricting shall be null and void upon the date this
570 resolution is effectuated pursuant to the provisions of Section 5
571 of the Voting Rights Act of 1965 or pursuant to a final decision
572 by any court of competent jurisdiction, whichever shall first
573 occur.

574 BE IT FURTHER RESOLVED, That this resolution shall be placed
575 in the editor's notes that follow Section 5-1-3, Mississippi Code
576 of 1972.

577 BE IT FURTHER RESOLVED, That if any paragraph, sentence,
578 clause, phrase of any part of this resolution is declared to be
579 unconstitutional or void or if for any reason is declared to be

580 invalid or of no effect, the remaining paragraphs, sentences,
581 clauses, phrases or parts thereof shall be in no manner affected
582 thereby but shall remain in full force and effect.

583 BE IT FURTHER RESOLVED, That the Chairman of the Senate
584 Elections Committee, with the assistance of counsel employed by
585 the Standing Joint Legislative Committee on Reapportionment, is
586 hereby directed to submit this resolution, immediately upon its
587 adoption by both houses of the Legislature, to the Attorney
588 General of the United States or to the United States District
589 Court for the District of Columbia in accordance with the
590 provisions of the Voting Rights Act of 1965, as amended and
591 extended.

592 BE IT FURTHER RESOLVED, That this resolution shall take
593 effect and be in force from and after the date it is finally
594 effectuated under Section 5 of the Voting Rights Act of 1965, as
595 amended and extended.
