477 BE IT FURTHER RESOLVED, That partial or split precincts
478 contained in this resolution are identified in this joint
479 resolution by an asterisk (*) which shall precede its designation
480 within the description of a district.

481 BE IT FURTHER RESOLVED, That the Chairman and Vice Chairman
482 of the Standing Joint Legislative Committee on Reapportionment
483 shall file with the Secretary of State the Split Precinct Block

484 List developed in conjunction with the plan contained in this
485 joint resolution that details the portions of the partial or split
486 precincts that are contained within a district by census tract and
487 block number, and such document duly filed with the Secretary of
488 State is hereby incorporated into and shall be construed to be an
489 integral part of this joint resolution.

490 BE IT FURTHER RESOLVED, That the boundaries of the senatorial
491 districts described above shall be:

492 (a) The boundaries of the counties listed above as such
493 boundaries existed as of January 1, 2002.

494 (b) The boundaries of the precincts listed above as
495 such boundaries are contained in Census 2000 redistricting maps
496 (Public Law 94-171) Tiger line file; and

497 (c) The boundaries of the census tracts and blocks
498 listed above as such boundaries are contained in Census 2000
499 redistricting maps (Public Law 94-171) Tiger line file.

500 BE IT FURTHER RESOLVED, That this resolution shall be
501 liberally construed to effectuate the purposes thereof and to
502 redistrict the Senate of this state in compliance with
503 constitutional requirements.

504 It is intended that this resolution and the districts
505 described herein completely encompass all the area within the
506 state. It is also intended that such districts contain all the
507 inhabitants in this state. It is further intended that the
508 redistricting provided for in this resolution result in the
509 creation of districts which are substantially equal in population.
510 It is also intended that no district shall include any of the area
511 included within the description of any other district.

512 BE IT FURTHER RESOLVED, That the redistricting of
513 representative districts and senate districts shall be deemed to
514 be separate from each other. The invalidity of the districts of
515 one house shall not affect or require the redistricting of the

516 other house when the districts of the other house have been found
517 to be valid by a court of competent jurisdiction.

518 BE IT FURTHER RESOLVED, That if the districts described in
519 this resolution do not carry out the purposes thereof, because of
520 unintentional omissions; duplications; overlapping areas;
521 erroneous nomenclature; lack of adequate maps or descriptions of
522 political subdivisions, wards or other divisions thereof, or of
523 their boundary lines, then the Secretary of State, at the request
524 of the Senate Elections Committee shall, by order, correct such
525 omissions, overlaps, erroneous nomenclature or other defects in
526 the description of districts so as to accomplish the purposes and
527 objectives of this resolution.

528 BE IT FURTHER RESOLVED, That in promulgating such orders, the
529 Secretary of State, in addition to achieving equality in the
530 population of districts and insuring that all areas of the state
531 are completely and accurately encompassed in such districts, shall
532 be guided by the following standards:

533 (a) Gaps in the description of any district shall be
534 completed in a manner which results in a total description of that
535 district in a manner which is consonant with the description of
536 adjacent districts and results in complete contiguity of
537 districts;

538 (b) Areas of the state included within the descriptions
539 of more than one district shall be allocated to the district
540 having the lowest population;

541 (c) Areas of the state not included within the
542 descriptions of any district shall be allocated to the adjacent
543 district having the lowest population;

544 (d) In the event that the area subject to corrected
545 description or allocation as provided in paragraphs (a), (b) and
546 (c) of this clause is of such size or contains such population
547 that its inclusion as a unit in any district would result in
548 substantial disparity in the size, shape or population of such

549 district, then the Secretary of State may allocate portions of
550 such area to two or more districts; and

551 (e) In any allocation of area or correction of
552 descriptions made pursuant to this resolution, the Secretary of
553 State shall, consistent with the foregoing standards, preserve the
554 contiguity and compactness of districts and avoid the unnecessary
555 division of political subdivisions.

556 BE IT FURTHER RESOLVED, That copies of such orders shall be
557 filed by the Secretary of State in his own office and in the
558 offices of the affected commissioners of election and registrars.
559 The Secretary of State may adopt reasonable rules regulating the
560 procedure for applications for orders under this resolution in the
561 manner of serving and filing any notice or copy of orders relating
562 thereto. Upon the filing of such an order, the description of any
563 affected district shall be deemed to have been corrected in the
564 manner provided in such order to the full extent as if such
565 correction had been contained in the original description set
566 forth in this resolution.

567 BE IT FURTHER RESOLVED, That the Standing Joint Legislative
568 Committee on Reapportionment is directed to provide all
569 information necessary to assist the counties in identifying the
570 boundaries of the districts described in this resolution.

571 BE IT FURTHER RESOLVED, That the redistricting contained in
572 this resolution shall supersede any prior redistricting, and any
573 prior redistricting shall be null and void upon the date this
574 resolution is effectuated pursuant to the provisions of Section 5
575 of the Voting Rights Act of 1965 or pursuant to a final decision
576 by any court of competent jurisdiction, whichever shall first
577 occur.

578 BE IT FURTHER RESOLVED, That this resolution shall be placed
579 in the editor's notes that follow Section 5-1-3, Mississippi Code
580 of 1972.

581 BE IT FURTHER RESOLVED, That if any paragraph, sentence,
582 clause, phrase of any part of this resolution is declared to be
583 unconstitutional or void or if for any reason is declared to be
584 invalid or of no effect, the remaining paragraphs, sentences,
585 clauses, phrases or parts thereof shall be in no manner affected
586 thereby but shall remain in full force and effect.

587 BE IT FURTHER RESOLVED, That the Chairman of the Senate
588 Elections Committee, with the assistance of counsel employed by
589 the Standing Joint Legislative Committee on Reapportionment, is
590 hereby directed to submit this resolution, immediately upon its
591 adoption by both houses of the Legislature, to the Attorney
592 General of the United States or to the United States District
593 Court for the District of Columbia in accordance with the
594 provisions of the Voting Rights Act of 1965, as amended and
595 extended.

596 BE IT FURTHER RESOLVED, That this resolution shall take
597 effect and be in force from and after the date it is finally
598 effectuated under Section 5 of the Voting Rights Act of 1965, as
599 amended and extended.
