outside the corporate limits. In the event the added territory of
a municipal separate school district in a county in which

of the governing authorities of the municipality at the first
meeting of the governing authorities held in the month of February
of each year, and the term of office of the member so elected
shall commence on the first Saturday of March following. In the
case of a member of said board of trustees who is required to come
from the added territory outside the corporate limits as is above

the qualified electors of the school district residing in such
added territory outside the corporate limits at the same time and
in the same manner as is provided for in Sections 37-7-223 through
37-7-229.

reconstituted, in the manner provided by law, into a municipal
separate school district with added territory and in the event
that the trustees to be elected from the added territory are
requested to be elected from separate election districts within
the added territory, instead of elected at-large, by the Attorney
General of the United States as a result of and pursuant to
preclearance under Section 5 of the Voting Rights Act of 1965 as
amended and extended, and in the event the added territory of a
municipal separate school district of a municipality furnishes

of such district, then two (2) members of the board of trustees
shall be residents of the added territory outside the corporate
limits of such municipality and shall be elected from special
trustee election districts by the qualified electors thereof as
herein provided. The governing authorities of such municipality
shall apportion the added territory into two (2) special trustee
election districts as nearly as possible according to population
and other factors heretofore pronounced by the courts. The
governing authorities of such municipality shall thereafter
publish the same in a newspaper of general circulation within said
school district for at least two (2) consecutive weeks; and after
having given notice of publication and recording the same upon the
minutes of the governing authorities, said new district lines
shall thereafter be effective. Any person elected from the new
district lines to be created by this Act shall be elected in
the manner provided for in Sections 37-7-223 through 37-7-229 for

out and distribute the funds of said district. In the event a
municipal separate school district should occupy territory in a
county other than that in which the municipality is located and
fifteen percent (15%) or more of the pupils enrolled in the
schools of such district shall come from the territory of the
district in the county other than that in which the municipality
is located, the territory of such county in which the municipality
is not located shall be entitled to one (1) member on the board of
trustees of such school district. Said trustee shall be a
resident of the territory of that part of the district lying in
the county in which the municipality is not located and shall be
elected by the qualified electors of the territory of such county
at the same time and in the same manner as is provided for the
election of trustees of school districts other than municipal
separate school districts having territory in two (2) or more counties.

All vacancies shall be filled for the unexpired terms by appointment of the governing authorities of the municipality; except that in the case of the trustees coming from the added territory outside the corporate limits, the person so appointed shall serve only until the November general election following his appointment, at which time a person shall be elected for the remainder of the unexpired term in the manner otherwise provided herein.

One (1) trustee so elected shall reside in each supervisors district of the county. In such counties embraced entirely by a municipal separate school district there shall be no county board of education after the formation of such district and the county superintendent of education shall act as superintendent of schools of said district and shall be appointed by the board of trustees of said district, and the
provisions of subsection (1) of this section and the first
paragraph of Section 37-7-211 shall not apply to such districts.

SECTION 7. Sections 37-7-211, 37-7-213, 37-7-215, 37-7-217
and 37-7-219, Mississippi Code of 1972, which provide for the
count of elections of trustees of municipal and special
municipal separate school districts, are hereby repealed.

SECTION 8. The Attorney General of the State of Mississippi
shall submit this act, immediately upon approval by the Governor,
or upon approval by the Legislature subsequent to a veto, to the
Attorney General of the United States or to the United States
District Court for the District of Columbia in accordance with the
provisions of the Voting Rights Act of 1965, as amended and
extended.

SECTION 9. This act shall take effect and be in force from
