SENATE BILL NO. 2071

AN ACT TO AMEND SECTION 25-15-9, MISSISSIPPI CODE OF 1972, TO INCREASE THE AMOUNTS OF LIFE INSURANCE FOR WHICH RETIREES ARE ELIGIBLE UNDER THE STATE AND SCHOOL EMPLOYEES LIFE INSURANCE PLAN; TO REVISE THE DEFINITION OF THE TERM "ANNUAL WAGE" AS IT RELATES TO THE STATE AND SCHOOL EMPLOYEES LIFE INSURANCE PLAN; AND FOR RELATED PURPOSES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 25-15-9, Mississippi Code of 1972, is amended as follows:

25-15-9. (1) (a) The board shall design a plan of health insurance for state employees which provides benefits for semiprivate rooms in addition to other incidental coverages which the board deems necessary. The amount of the coverages shall be in such reasonable amount as may be determined by the board to be adequate, after due consideration of current health costs in Mississippi. The plan shall also include major medical benefits in such amounts as the board shall determine. The board is also authorized to accept bids for such alternate coverage and optional benefits as the board shall deem proper. Any contract for alternative coverage and optional benefits shall be awarded by the board after it has carefully studied and evaluated the bids and selected the best and most cost-effective bid. The board may reject all such bids; however, the board shall notify all bidders of the rejection and shall actively solicit new bids if all bids are rejected. The board may employ or contract for such consulting or actuarial services as may be necessary to formulate the plan, and to assist the board in the preparation of specifications and in the process of advertising for the bids for the plan. Such contracts shall be solicited and entered into in...
accordance with Section 25-15-5. The board shall keep a record of all persons, agents and corporations who contract with or assist the board in preparing and developing the plan. The board in a timely manner shall provide copies of this record to the members of the advisory council created in this section and those legislators, or their designees, who may attend meetings of the advisory council. The board shall provide copies of this record in the solicitation of bids for the administration or servicing of the self-insured program. Each person, agent or corporation which, during the previous fiscal year, has assisted in the development of the plan or employed or compensated any person who assisted in the development of the plan, and which bids on the administration or servicing of the plan, shall submit to the board a statement accompanying the bid explaining in detail its participation with the development of the plan. This statement shall include the amount of compensation paid by the bidder to any such employee during the previous fiscal year. The board shall make all such information available to the members of the advisory council and those legislators, or their designees, who may attend meetings of the advisory council before any action is taken by the board on the bids submitted. The failure of any bidder to fully and accurately comply with this paragraph shall result in the rejection of any bid submitted by that bidder or the cancellation of any contract executed when the failure is discovered after the acceptance of that bid. The board is authorized to promulgate rules and regulations to implement the provisions of this subsection.

The board shall develop plans for the insurance plan authorized by this section in accordance with the provisions of Section 25-15-5.

Any corporation, association, company or individual that contracts with the board for the third-party claims administration of the self-insured plan shall prepare and keep on file an
explanation of benefits for each claim processed. The explanation of benefits shall contain such information relative to each processed claim which the board deems necessary, and, at a minimum, each explanation shall provide the claimant's name, claim number, provider number, provider name, service dates, type of services, amount of charges, amount allowed to the claimant and reason codes. The information contained in the explanation of benefits shall be available for inspection upon request by the board. The board shall have access to all claims information utilized in the issuance of payments to employees and providers.

(b) There is created an advisory council to advise the board in the formulation of the State and School Employees Health Insurance Plan. The council shall be composed of the State Insurance Commissioner or his designee, an employee-representative of the institutions of higher learning appointed by the board of trustees thereof, an employee-representative of the Department of Transportation appointed by the director thereof, an employee-representative of the State Tax Commission appointed by the Commissioner of Revenue, an employee-representative of the Mississippi Department of Health appointed by the State Health Officer, an employee-representative of the Mississippi Department of Corrections appointed by the Commissioner of Corrections, and an employee-representative of the Department of Human Services appointed by the Executive Director of Human Services, two (2) certificated public school administrators appointed by the State Board of Education, two (2) certificated classroom teachers appointed by the State Board of Education, a noncertificated school employee appointed by the State Board of Education and a community/junior college employee appointed by the State Board for Community and Junior Colleges.

Senate Insurance Committee, and the Speaker of the House of Representatives may designate the Clerk of the House, the Chairman of the House Appropriations Committee, the Chairman of the House Education Committee and the Chairman of the House Insurance Committee, to attend any meeting of the State and School Employees Insurance Advisory Council. The appointing authorities may designate an alternate member from their respective houses to serve when the regular designee is unable to attend such meetings of the council. Such designees shall have no jurisdiction or vote on any matter within the jurisdiction of the council. For attending meetings of the council, such legislators shall receive per diem and expenses which shall be paid from the contingent expense funds of their respective houses in the same amounts as provided for committee meetings when the Legislature is not in session; however, no per diem and expenses for attending meetings of the council will be paid while the Legislature is in session. No per diem and expenses will be paid except for attending meetings of the council without prior approval of the proper committee in their respective houses.

(c) No change in the terms of the State and School Employees Health Insurance Plan may be made effective unless the board, or its designee, has provided notice to the State and School Employees Health Insurance Advisory Council and has called a meeting of the council at least fifteen (15) days before the effective date of such change. In the event that the State and School Employees Health Insurance Advisory Council does not meet to advise the board on the proposed changes, the changes to the plan shall become effective at such time as the board has informed the council that the changes shall become effective.

(2) Nonduplication of benefits--reduction of benefits by Title XIX benefits: When benefits would be payable under more than one (1) group plan, benefits under those plans will be coordinated to the extent that the total benefits under all plans will not exceed the total expenses incurred.

Benefits for hospital or surgical or medical benefits shall be reduced by any similar benefits payable in accordance with Title XIX of the Social Security Act or under any amendments thereto, or any implementing legislation.

Under no circumstances shall any individual who begins employment with the state after March 1, 1971, be eligible for the provisions of this paragraph.

(5) The board may offer medical savings accounts as defined in Section 71-9-3 as a plan option.

(6) Any premium differentials, differences in coverages, discounts determined by risk or by any other factors shall be uniformly applied to all active employees participating in the insurance plan.
