SENATE BILL NO. 2171

1 AN ACT TO PROVIDE THAT PREPARATION TO TEACH GRADES K-12 IN 2 MISSISSIPPI SHALL REQUIRE AT LEAST ONE COURSE OF STUDY IN SERVICES 3 TO BE PROVIDED BY SCHOOLS TO SPECIAL POPULATION STUDENTS UNDER THE 4 FEDERAL I.D.E.A.; TO AMEND SECTION 37-17-8, MISSISSIPPI CODE OF 5 1972, TO REQUIRE LOCAL SCHOOL DISTRICT'S IN-SERVICE STAFF 6 DEVELOPMENT PLANS TO INCLUDE TRAINING FOR SUCH SPECIAL EDUCATION 7 SERVICE REQUIREMENTS; AND FOR RELATED PURPOSES.

8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI: **SECTION 1.** Recognizing teaching as a profession, preparation 9 10 to teach in Mississippi Kindergarten through Grades 12 shall include at least one (1) course of study in age appropriate 11 services to be provided by schools to special population students 12 as required by the federal I.D.E.A. law and state law and 13 14 regulations. It shall be a requirement for any person to be 15 certified as a teacher in Mississippi after July 1, 2003, that such person meet and comply with the requirements of this section. 16 SECTION 2. Section 37-17-8, Mississippi Code of 1972, is 17

18 amended as follows:

37-17-8. (1) The State Board of Education, through the 19 Commission on School Accreditation, shall establish criteria for 20 comprehensive in-service staff development plans. These criteria 21 shall: (a) include, but not be limited to, formula and quidelines 22 23 for allocating available state funds for in-service training to 24 local school districts; (b) require that a portion of the plans be devoted exclusively for the purpose of providing staff development 25 training for beginning teachers within that local school district 26 and for no other purpose; * * * (c) require that a portion of the 27 28 school district's in-service training for administrators and 29 teachers be dedicated to the application and utilization of

30 various disciplinary techniques; and (d) require that a portion of 31 the school district's in-service training for administrators and 32 teachers be dedicated to the required services to be provided to 33 special population students under the federal I.D.E.A. law and 34 state statutes and regulations. The board shall each year make 35 recommendations to the Legislature concerning the amount of funds 36 which shall be appropriated for this purpose.

(2) Beginning with the 1998-1999 school year, school 37 districts shall not be required to submit staff development plans 38 to the Commission on School Accreditation for approval. 39 However, 40 any school district accredited at Level 1 or Level 2 shall include, as a part of any required corrective action plan, 41 provisions to address staff development in accordance with State 42 Board of Education requirements. All school districts, unless 43 specifically exempt from this section, must maintain on file staff 44 development plans as required under this section. The plan shall 45 have been prepared by a district committee appointed by the 46 47 district superintendent and consisting of teachers, administrators, school board members, and lay people, and it shall 48

49 have been approved by the district superintendent.

50 (3) In order to insure that teachers are not overburdened 51 with paperwork and written reports, local school districts and 52 the State Board of Education shall take such steps as may be 53 necessary to further the reduction of paperwork requirements on 54 teachers.

55 (4) If any school district meets Level 4 or 5 accreditation 56 standards, the State Board of Education, in its discretion, may 57 exempt such school district from the provisions of this section.

58 **SECTION 3.** This act shall take effect and be in force from 59 and after July 1, 2002.
