SENATE BILL NO. 2319

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 37-7-203, Mississippi Code of 1972, is amended as follows:

37-7-203. (1) The boards of trustees of all municipal separate school districts created under the provisions of Article 1 of this chapter, either with or without added territory, shall consist of five (5) members. On the first Tuesday after the first Monday in June, and every four (4) years thereafter, an election shall be held in each municipal separate school district in this state, in the same manner and at the same time as the regular municipal elections are held, for the purpose of electing the members of the boards of trustees established under the provisions of this article. All members of the boards of trustees as herein constituted shall take office on the first Monday of July following the date of their election and shall serve for a term of four (4) years. The five (5) members of the board of trustees of such school district shall be elected from special trustee election districts by the qualified electors thereof, as
herein provided. The governing authorities of such municipality shall apportion the municipal separate school district, including added territory, into five (5) special trustee election districts as nearly equal as possible according to population, incumbency and other factors heretofore pronounced by the courts. The municipal governing authority shall place upon its minutes the boundaries determined for the new five-trustee election districts. The municipal governing authority shall thereafter publish the same in a newspaper of general circulation within said school district for at least three (3) consecutive weeks; and after having given notice of publication and recording the same upon the minutes of the municipal governing authority, such new district lines shall thereafter be effective. All incumbent trustees holding office at the time of the creation of such trustee election districts shall continue holding their respective offices, provided they reside within the new district, for the remainder of the term of office to which they have heretofore been selected, and their successors shall be elected from the new trustee election districts constituted herein in the manner provided for in this section.

(2) Vacancies in the membership of the board of trustees of any municipal separate school district shall be filled by appointment, within sixty (60) days after the vacancy occurs, by the governing authorities of such municipality. Such appointee shall be selected from the qualified electors of the district in which the vacancy occurs. The president of the municipal governing authority shall certify to the Secretary of State the fact of the appointment, and the person so appointed shall be commissioned by the Governor; and if the unexpired term be longer than six (6) months, such appointee shall serve until a successor is elected as hereinafter provided, unless the vacancy shall occur before ninety (90) days prior to the general election in a year in which an election would normally be held for that office as
provided by law, in which case the person so appointed shall serve the unexpired portion of the term. Such vacancies shall be filled for the unexpired term by the qualified electors at the next regular special election day occurring more than ninety (90) days after the occurrence of the vacancy. The president of the municipal governing authority shall, within ten (10) days after the happening of the vacancy, make an order, in writing, directed to the commissioners of election, commanding an election to be held on the next regular special election day to fill the vacancy. The election commissioners shall require each candidate to qualify at least sixty (60) days before the date of the election, and shall give a certificate of election to the person elected, and shall return to the Secretary of State a copy of the order of holding the election showing the results thereof, certified by the president of the municipal governing authority. Such election shall be held in the same manner provided for other municipal office vacancies. The person elected shall be commissioned by the Governor.

Provided, however, where only one (1) person shall have qualified with the commissioners of election to be a candidate within the time provided by law, the commissioners of election shall certify to the municipal governing authority that there is but one (1) candidate. Thereupon, the municipal governing authority shall dispense with the election and shall appoint the candidate so certified to fill the unexpired term. The president of the municipal governing authority shall certify to the Secretary of State the candidate so appointed to serve in such office and that candidate shall be commissioned by the Governor. In the event that no person shall have qualified at least sixty (60) days prior to the date of the election, the commissioners of election shall certify that fact to the municipal governing authority which shall dispense with the election and fill the vacancy by appointment. The president of the municipal governing authority shall certify to the Secretary of State the candidate so appointed to serve in such office and that candidate shall be commissioned by the Governor.
authority shall certify to the Secretary of State the fact of the appointment, and the person so appointed shall be commissioned by the Governor.
