16 **SECTION 2.** **Findings.** The Legislature finds and declares
17 that:

18 (a) The adoption of the Declaration of Independence in
19 1776 and the signing of the United States Constitution were
20 principal events in the history of the United States, the
21 Declaration of Independence providing the philosophical foundation
22 on which this nation rests and the Constitution of the United
23 States providing its structure of government;

24 (b) The Federalist Papers embody the most eloquent and
25 forceful argument made in support of the adoption of our
26 republican form of government;

27 (c) These documents stand as the foundation of our form
28 of democracy, providing at the same time the basis of our national
29 identity and the vehicle for orderly growth and change;

30 (d) Many Americans lack even the most basic knowledge
31 and understanding of the history of our nation and the principles

32 set forth in the Declaration of Independence, codified in the
33 Constitution and defended in the Federalist Papers; and

34 (e) The survival of the Republic requires that our
35 nation's children, the future guardians of its heritage and
36 participants in its governance, have a firm knowledge and
37 understanding of its principles and history.

38 **SECTION 3. Purpose.** The purpose and intent of this act are:

39 (a) To require during the high school years the

42 Constitution and the Federalist Papers; and

43 (b) To require that before receiving a certificate or
44 diploma of graduation from high school, students must have been
45 tested on their knowledge of the Declaration of Independence, the
46 United States Constitution and the Federalist Papers.

47 **SECTION 4. Administration.** The State Department of
48 Education shall adopt and promulgate rules and regulations for the
49 administration of this act. Such rules and regulations shall:

60 satisfied.

61 **SECTION 5. Reporting and accountability.** The State
62 Department of Education shall submit an annual report to the
63 Governor and the Legislature describing the specific rules and
64 regulations issued pursuant to this act and reporting the

67 act.

68 **SECTION 6.** This act shall take effect and be in force from
