(4) In addition to the foregoing, a public officer or employee shall be reimbursed for other actual expenses such as meals, lodging and other necessary expenses incurred in the course of such travel, subject to limitations placed on meals for intrastate and interstate official travel by the Department of Finance and Administration, provided, that the Legislative Budget Office shall place any limitations for expenditures made on matters under the jurisdiction of the Legislature. The Department of Finance and Administration shall set a maximum daily expenditure annually for such meals and shall notify officers and employees of changes to these allowances immediately upon approval of such changes. Travel by airline shall be at the tourist rate unless such space was unavailable. not under both.

(7) When the Governor or Lieutenant Governor appoints a
person to a board, commission or other position that requires

for mileage and other actual expenses incurred in the performance
of official duties before such appointment is confirmed by the
Senate, as reimbursement for such expenses is authorized under this section.

(8) (a) The Department of Finance and Administration may contract with one or more commercial travel agencies, after receiving competitive bids or proposals therefor, for such travel agency or agencies to provide necessary travel services for state officers and employees. However, the administrative head of each state institution of higher learning may, in his discretion, contract with a commercial travel agency to provide necessary travel services for all academic officials and staff of the university in lieu of participation in the state travel agency contract. Any such decision by a university to contract with a separate travel agency shall be approved by the Board of Trustees of State Institutions of Higher Learning and the Executive Director of the Department of Finance and Administration.

(b) Before executing a contract with one or more travel agencies, the Department of Finance and Administration shall advertise for competitive bids or proposals once a week for two (2) consecutive weeks in a regular newspaper having a general circulation throughout the State of Mississippi. If the department determines that it should not contract with any of the bidders initially submitting proposals, the department may reject all such bids, advertise as provided herein and receive new proposals before executing the contract or contracts. The contract or contracts may be for a period not greater than three (3) years, with an option for the travel agency or agencies to renew the contract or contracts on a one-year basis on the same terms as the original contract or contracts, for a maximum of two (2) renewals. After the travel agency or agencies have renewed the contract twice or have declined to renew the contract for the maximum number of times, the Department of Finance and Administration shall advertise for bids in the manner required by this section and execute a new contract or contracts.
(c) Whenever any state officer or employee travels in the performance of his official duties by airline or other public carrier, he may have his travel arrangements handled by such travel agency or agencies.
