SENATE BILL NO. 2752

1 AN ACT TO AMEND SECTION 25-11-109, MISSISSIPPI CODE OF 1972,
2 TO AUTHORIZE MEMBERS OF THE PUBLIC EMPLOYEES' RETIREMENT SYSTEM TO
3 RECEIVE CREDIT FOR SERVICE RENDERED WORKING AS A SCHOOL BUS DRIVER
4 FOR A HIGH SCHOOL WHILE A STUDENT UNDER CERTAIN CIRCUMSTANCES; AND
5 FOR RELATED PURPOSES.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

7 **SECTION 1.** Section 25-11-109, Mississippi Code of 1972, is
8 amended as follows:

9 25-11-109. (1) Under such rules and regulations as the
10 board of trustees shall adopt, each person who becomes a member of
11 this retirement system, as provided in Section 25-11-105, on or
12 prior to July 1, 1953, or who becomes a member and contributes to
13 the system for a minimum period of four (4) years, shall receive
14 credit for all state service rendered before February 1, 1953. To
15 receive such credit, such member shall file a detailed statement
16 of all services as an employee rendered by him in the state
17 service before February 1, 1953. For any member who joined the
18 system after July 1, 1953, any creditable service for which the
19 member is not required to make contributions shall not be credited
20 to the member until the member has contributed to the system for a
21 minimum period of at least four (4) years.

22 (2) In the computation of membership service or prior
23 service under the provisions of this article, the total months of
24 accumulative service during any fiscal year shall be calculated in
25 accordance with the schedule as follows: ten (10) or more months
26 of creditable service during any fiscal year shall constitute a
27 year of creditable service; seven (7) months to nine (9) months
28 inclusive, three-quarters (3/4) of a year of creditable service;

29 four (4) months to six (6) months inclusive, one-half-year of
30 creditable service; one (1) month to three (3) months inclusive,
31 one-quarter (1/4) of a year of creditable service. In no case
32 shall credit be allowed for any period of absence without
33 compensation except for disability while in receipt of a
34 disability retirement allowance, nor shall less than fifteen (15)
35 days of service in any month, or service less than the equivalent
36 of one-half (1/2) of the normal working load for the position and
37 less than one-half (1/2) of the normal compensation for the
38 position in any month, constitute a month of creditable service,
39 nor shall more than one (1) year of service be creditable for all
40 services rendered in any one (1) fiscal year; provided that for a
41 school employee, substantial completion of the legal school term
42 when and where the service was rendered shall constitute a year of
43 service credit for both prior service and membership service. Any
44 state or local elected official shall be deemed a full-time
45 employee for the purpose of creditable service for prior service
46 or membership service. However, an appointed or elected official
47 compensated on a per diem basis only shall not be allowed
48 creditable service for terms of office.

49 In the computation of any retirement allowance or any annuity
50 or benefits provided in this article, any fractional period of
51 service of less than one (1) year shall be taken into account and
52 a proportionate amount of such retirement allowance, annuity or
53 benefit shall be granted for any such fractional period of
54 service.

55 In the computation of unused leave for creditable service
56 authorized in Section 25-11-103, the following shall govern:
57 twenty-one (21) days of unused leave shall constitute one (1)
58 month of creditable service and in no case shall credit be allowed
59 for any period of unused leave of less than fifteen (15) days.
60 The number of months of unused leave shall determine the number of
61 quarters or years of creditable service in accordance with the

62 above schedule for membership and prior service. In order for the
63 member to receive creditable service for the number of days of
64 unused leave, the system must receive certification from the
65 governing authority.

66 For the purpose of this subsection, for members of the system
67 who are elected officers and who retire on or after July 1, 1987,
68 the following shall govern:

69 (a) For service prior to July 1, 1984, the members
70 shall receive credit for leave (combined personal and major
71 medical) for service as an elected official prior to that date at
72 the rate of thirty (30) days per year.

73 (b) For service on and after July 1, 1984, the member
74 shall receive credit for personal and major medical leave
75 beginning July 1, 1984, at the rates authorized in Sections
76 25-3-93 and 25-3-95, computed as a full-time employee.

77 (3) Subject to the above restrictions and to such other
78 rules and regulations as the board may adopt, the board shall
79 verify, as soon as practicable after the filing of such statements
80 of service, the services therein claimed.

81 (4) Upon verification of the statement of prior service, the
82 board shall issue a prior service certificate certifying to each
83 member the length of prior service for which credit shall have
84 been allowed on the basis of his statement of service. So long as
85 membership continues, a prior service certificate shall be final
86 and conclusive for retirement purposes as to such service,
87 provided that any member may within five (5) years from the date
88 of issuance or modification of such certificate request the board
89 of trustees to modify or correct his prior service certificate.
90 Any modification or correction authorized shall only apply
91 prospectively.

92 When membership ceases, such prior service certificates shall
93 become void. Should the employee again become a member, he shall
94 enter the system as an employee not entitled to prior service

95 credit except as provided in Sections 25-11-105(I), 25-11-113 and
96 25-11-117.

97 (5) Creditable service at retirement, on which the
98 retirement allowance of a member shall be based, shall consist of
99 the membership service rendered by him since he last became a
100 member, and also, if he has a prior service certificate which is
101 in full force and effect, the amount of the service certified on
102 his prior service certificate.

103 (6) Anything in this article to the contrary
104 notwithstanding, any member who served on active duty in the Armed
105 Forces of the United States, or who served in maritime service
106 during periods of hostility in World War II, shall be entitled to
107 creditable service at no cost for his service on active duty in
108 the Armed Forces or in such maritime service, provided he entered
109 state service after his discharge from the Armed Forces or entered
110 state service after he completed such maritime service. The
111 maximum period for such creditable service for all military
112 service as defined in this subsection (6) shall not exceed four
113 (4) years unless positive proof can be furnished by such person
114 that he was retained in the Armed Forces during World War II or in
115 maritime service during World War II by causes beyond his control
116 and without opportunity of discharge. The member shall furnish
117 proof satisfactory to the board of trustees of certification of
118 military service or maritime service records showing dates of
119 entrance into active duty service and the date of discharge. From
120 and after July 1, 1993, no creditable service shall be granted for
121 any military service or maritime service to a member who qualifies
122 for a retirement allowance in another public retirement system
123 administered by the Board of Trustees of the Public Employees'
124 Retirement System based in whole or in part on such military or
125 maritime service. In no case shall the member receive creditable
126 service if the member received a dishonorable discharge from the
127 Armed Forces of the United States.

128 (7) (a) Any member of the Public Employees' Retirement
129 System whose membership service is interrupted as a result of
130 qualified military service within the meaning of Section 414(u)(5)
131 of the Internal Revenue Code, and who has received the maximum
132 service credit available under subsection (6) of this section,
133 shall receive creditable service for the period of qualified
134 military service that does not qualify as creditable service under
135 subsection (6) of this section upon reentering membership service
136 in an amount not to exceed five (5) years if:

137 (i) The member pays the contributions he would
138 have made to the retirement system if he had remained in
139 membership service for the period of qualified military service
140 based upon his salary at the time his membership service was
141 interrupted;

142 (ii) The member returns to membership service
143 within ninety (90) days of the end of his qualified military
144 service; and

145 (iii) The employer at the time the member's
146 service was interrupted and to which employment the member returns
147 pays the contributions it would have made into the retirement
148 system for such period based on the member's salary at the time
149 the service was interrupted.

150 (b) The payments required to be made in paragraph
151 (a)(i) of this subsection may be made over a period beginning with
152 the date of return to membership service and not exceeding three
153 (3) times the member's qualified military service; provided,
154 however, that in no event shall such period exceed fifteen (15)
155 years.

156 (c) The member shall furnish proof satisfactory to the
157 board of trustees of certification of military service showing
158 dates of entrance into qualified service and the date of discharge
159 as well as proof that the member has returned to active employment
160 within the time specified.

161 (8) Any member of the Public Employees' Retirement System
162 who has at least four (4) years of membership service credit shall
163 be entitled to receive a maximum of five (5) years creditable
164 service for service rendered in another state as a public employee
165 of such other state, or a political subdivision, public education
166 system or other governmental instrumentality thereof, or service
167 rendered as a teacher in American overseas dependent schools
168 conducted by the Armed Forces of the United States for children of
169 citizens of the United States residing in areas outside the
170 continental United States, provided that:

171 (a) The member shall furnish proof satisfactory to the
172 board of trustees of certification of such services from the
173 state, public education system, political subdivision or
174 retirement system of the state where the services were performed
175 or the governing entity of the American overseas dependent school
176 where the services were performed; and

177 (b) The member is not receiving or will not be entitled
178 to receive from the public retirement system of the other state or
179 from any other retirement plan, including optional retirement
180 plans, sponsored by the employer, a retirement allowance including
181 such services; and

182 (c) The member shall pay to the retirement system on
183 the date he or she is eligible for credit for such out-of-state
184 service or at any time thereafter prior to date of retirement the
185 actuarial cost as determined by the actuary for each year of
186 out-of-state creditable service. The provisions of this
187 subsection are subject to the limitations of Section 415 of the
188 Internal Revenue Code and regulations promulgated thereunder.

189 (9) Any member of the Public Employees' Retirement System
190 who has at least four (4) years of membership service credit and
191 who receives, or has received, professional leave without
192 compensation for professional purposes directly related to the

193 employment in state service shall receive creditable service for
194 the period of professional leave without compensation provided:

195 (a) The professional leave is performed with a public
196 institution or public agency of this state, or another state or
197 federal agency;

198 (b) The employer approves the professional leave
199 showing the reason for granting the leave and makes a
200 determination that the professional leave will benefit the
201 employee and employer;

202 (c) Such professional leave shall not exceed two (2)
203 years during any ten-year period of state service;

204 (d) The employee shall serve the employer on a
205 full-time basis for a period of time equivalent to the
206 professional leave period granted immediately following the
207 termination of the leave period;

208 (e) The contributing member shall pay to the retirement
209 system the actuarial cost as determined by the actuary for each
210 year of professional leave. The provisions of this subsection are
211 subject to the regulations of the Internal Revenue Code
212 limitations;

213 (f) Such other rules and regulations consistent
214 herewith as the board may adopt and in case of question, the board
215 shall have final power to decide the questions.

216 Any actively contributing member participating in the School
217 Administrator Sabbatical Program established in Section 37-9-77
218 shall qualify for continued participation under this subsection
219 (9).

220 (10) Any member of the Public Employees' Retirement System
221 who has at least four (4) years of credited membership service
222 shall be entitled to receive a maximum of ten (10) years
223 creditable service for:

224 (a) Any service rendered as an employee of any
225 political subdivision of this state, or any instrumentality

226 thereof, which does not participate in the Public Employees'
227 Retirement System; or

228 (b) Any service rendered as an employee of any
229 political subdivision of this state, or any instrumentality
230 thereof, which participates in the Public Employees' Retirement
231 System but did not elect retroactive coverage; or

232 (c) Any service rendered as an employee of any
233 political subdivision of this state, or any instrumentality
234 thereof, for which coverage of the employee's position was or is
235 excluded; provided that the member pays into the retirement system
236 the actuarial cost as determined by the actuary for each year, or
237 portion thereof, of such service. Payment for such service may be
238 made in increments of one-quarter-year of creditable service.
239 After a member has made full payment to the retirement system for
240 all or any part of such service, the member shall receive
241 creditable service for the period of such service for which full
242 payment has been made to the retirement system.

243 (11) From and after July 1, 2002, through October 1, 2002,
244 any member of the Public Employees' Retirement System shall be
245 entitled to receive creditable service for service rendered
246 working prior to 1954 as a school bus driver for a high school
247 while a student, provided that:
