SECTION 1. (1) For purposes of this act, the following words shall have the meaning ascribed herein unless the context shall otherwise require:

(a) "Preferential election" shall mean an election held for the purpose of determining those candidates whose names will be placed on the general or regular election ballot. Any person who meets the qualifications to hold the office he seeks may be a candidate in the preferential election without regard to party affiliation or lack of party affiliation.

(b) "General election" or "regular election" shall mean an election held for the purpose of determining which candidate shall be elected to office.

(c) "Political party" shall mean a party defined as a political party by the provisions of Sections 23-15-1059 and 23-15-1061, Mississippi Code of 1972.

(2) All qualified electors of the State of Mississippi may participate, without regard to party affiliation or lack of party affiliation, in any appropriate preferential, general or regular election.

SECTION 2. The general election in 2003 and every general election thereafter shall be held on the first Tuesday after the first Monday of November of the appropriate year. When more than one (1) person has qualified or been certified as a candidate for any office, a preferential election for such office shall be held three (3) weeks prior to such general or regular election.

SECTION 3. Any person who has qualified in the manner provided by law as a candidate for election under Sections 1 through 11 of this act shall have the right to withdraw his name as a candidate by giving notice of his withdrawal in writing to
the secretary of the appropriate election commission at any time prior to the printing of the official ballots, and in the event of his withdrawal the name of such candidate shall not be printed on the ballot.

SECTION 4. When only one (1) person shall have qualified or been certified as a candidate for any office, such person's name shall be placed only on the general or regular election ballot and shall not be placed on the ballot for a preferential election.

SECTION 5. When more than one (1) person has qualified or been certified as a candidate for any office, a preferential election for such office shall be held three (3) weeks prior to such general or regular election, and any candidate who receives a majority of the votes cast in such preferential election shall have his name, and his name only, placed on the ballot in the general or regular election. Except as provided in Section 6 of this act, if no person shall receive a majority of the votes cast at such preferential election, then the two (2) persons receiving the highest number of votes in the preferential election shall have their names placed on the ballot in the general or regular election as candidates for such office.

SECTION 6. (1) When there is a tie in the preferential election between the candidates receiving the highest vote, then only those candidates shall be placed on the ballot as candidates in the general election.

(2) When there is a tie in the preferential election between the candidates receiving the next highest vote and there is not a tie for the highest vote, candidates receiving the next highest vote and the one receiving the highest vote, no one having received a majority, shall have their names placed on the ballot as candidates in the general or regular election.

(3) In the event that (a) there are more than two (2) candidates in the preferential election, and (b) no candidate in such election receives a majority of the votes cast at such
preferential election, and (c) there is not a tie in such preferential election that would require the procedure prescribed in subsection (2) of this section to be followed, and (d) one (1) of the two (2) candidates who receives the highest number of votes in such preferential election withdraws or is otherwise unable to participate in the general or regular election, then the remaining candidate of the two (2) who receives the highest vote in the preferential election and the candidate who receives the third highest vote in such election shall be placed on the ballot as candidates in the general or regular election.

**SECTION 7.** All candidates receiving the highest number of votes for any office in the general or regular election shall thereby be declared elected to such office, subject to the requirements of Sections 140, 141 and 143, Mississippi Constitution of 1890.

SECTION 18. Section 21-7-7, Mississippi Code of 1972, is amended as follows:
21-7-7. The governing body of any such municipality shall be a council, known and designated as such, consisting of seven (7) members. One (1) of the members shall be the mayor, having the qualifications as prescribed by Section 21-3-9, who shall have full rights, powers and privileges of other councilmen. The mayor shall be nominated and elected at large; the remaining councilmen shall be nominated and elected one (1) from each ward into which the city shall be divided. However, if the city be divided into less than six (6) wards, the remaining councilmen shall be nominated and elected at large. The councilmen, including the mayor, shall be elected for a term of four (4) years to serve until their successors are elected and qualified in accordance with the provisions of Section 11, House Bill No.______, 2003 Regular Session, said term commencing on the first Monday of January after the municipal election first following the adoption of the form of government as provided by this chapter.

The compensation for the members of the council shall, for the first four (4) years of operation, under this chapter, be fixed by the board of mayor and aldermen holding office prior to the change in form of government. Thereafter the amount of compensation for each such member may be increased or decreased by the council, by council action taken prior to the election of members thereof for the ensuing term, such action to become effective with the ensuing terms.

SECTION 19. Section 21-8-7, Mississippi Code of 1972, is amended as follows:

21-8-7. (1) Each municipality operating under the mayor-council form of government shall be governed by an elected council and an elected mayor. Other officers and employees shall be duly appointed pursuant to this chapter, general law or ordinance.

(2) Except as otherwise provided in subsection (4) of this section, the mayor and councilmen shall be elected by the voters
of the municipality at a general or regular municipal election held on the first Tuesday after the first Monday in June as provided in Section 11, House Bill No., 2003 Regular Session, and shall serve for a term of four (4) years beginning on the first Monday of July next following his election.

(3) The terms of the initial mayor and councilmen shall commence at the expiration of the terms of office of the elected officials of the municipality serving at the time of adoption of the mayor-council form.

(4) (a) The council shall consist of five (5), seven (7) or nine (9) members. In the event there are five (5) councilmen, the municipality shall be divided into either five (5) or four (4) wards. In the event there are seven (7) councilmen, the municipality shall be divided into either seven (7), six (6) or five (5) wards. In the event there are nine (9) councilmen, the municipality shall be divided into seven (7) or nine (9) wards. If the municipality is divided into fewer wards than it has councilmen, the other councilman or councilmen shall be elected from the municipality at large. The total number of councilmen and the number of councilmen elected from wards shall be established by the petition or petitions presented pursuant to Section 21-8-3. One (1) councilman shall be elected from each ward by the voters of that ward. Councilmen elected to represent wards must be residents of their wards at the time of qualification for election, and any councilman who removes his residence from the municipality or from the ward from which he was elected shall vacate his office. However, any candidate for councilman who is properly qualified as a candidate under applicable law shall be deemed to be qualified as a candidate in whatever ward he resides if his ward has changed after the council has redistricted the municipality as provided in subparagraph (c)(ii) of this subsection (4), and if the wards have been so changed, any person may qualify as a candidate for councilman,
using his existing residence or by changing his residence, not
less than fifteen (15) days prior to the preferential election or
special election, as the case may be, notwithstanding any other
residency or qualification requirements to the contrary.

(b) The council or board existing at the time of the
adoption of the mayor-council form of government shall designate
the geographical boundaries of the wards within one hundred twenty
(120) days after the election in which the mayor-council form of
government is selected. In designating the geographical
boundaries of the wards, each ward shall contain, as nearly as
possible, the population factor obtained by dividing the
municipality's population as shown by the most recent decennial
census by the number of wards into which the municipality is to be
divided.

(c) (i) It shall be the mandatory duty of the council
to redistrict the municipality by ordinance, which ordinance may
not be vetoed by the mayor, within six (6) months after the
official publication by the United States of the population of the
municipality as enumerated in each decennial census, and within
six (6) months after the effective date of any expansion of
municipal boundaries; however, if the publication of the most
recent decennial census or effective date of an expansion of the
municipal boundaries occurs six (6) months or more prior to the
preferential election in a municipality, then the council shall
redistrict the municipality by ordinance not less than sixty (60)
days prior to such preferential election.

(ii) If the publication of the most recent
decennnial census occurs less than six (6) months prior to the
preferential election in a municipality, the election shall be
held with regard to currently defined wards; and reapportioned
wards based on the census shall not serve as the basis for
representation until the next regularly scheduled election in
which council members shall be elected.
(d) If annexation of additional territory into the municipal corporate limits of the municipality shall occur less than six (6) months prior to the preferential election in a municipality, the council shall, by ordinance adopted within three (3) days of the effective date of such annexation, assign such annexed territory to an adjacent ward or wards so as to maintain as nearly as possible substantial equality of population between wards; any subsequent redistricting of the municipality by ordinance as required by this chapter shall not serve as the basis for representation until the next regularly scheduled election for municipal councilmen.

(5) Vacancies occurring in the council shall be filled as provided in Section 23-15-857.

(6) The mayor shall maintain an office at the city hall. The councilmen shall not maintain individual offices at the city hall; provided, however, that in municipalities with populations of one hundred ninety thousand (190,000) and above, councilmen may have individual offices in the city hall. Clerical work of councilmen in the performance of the duties of their office shall be performed by municipal employees or at municipal expense, and councilmen shall be reimbursed for the reasonable expenses incurred in the performance of the duties of their office.

SECTION 20. Section 21-15-1, Mississippi Code of 1972, is amended as follows:

21-15-1. All officers elected at the general or regular municipal election provided for in Section 11, House Bill No. _____, 2003 Regular Session, shall qualify and enter upon the discharge of their duties on the first Monday of July after such general election, and shall hold their offices for a term of four (4) years and until their successors are duly elected and qualified.

Such an administrative division shall form subprecincts whenever necessary within each voting precinct so that all persons within a subprecinct shall vote on the same candidates for each public office. Separate pollbooks for each subprecinct shall be made. The polling place for all subprecincts within any given voting precinct shall be the same as the polling place for the voting precinct. 23-15-511. The ballots shall, as far as practicable, be in the same order of arrangement as provided for paper ballots that are to be counted manually, except that such information may be printed in vertical or horizontal rows. Nothing in this chapter shall be construed as prohibiting the information being presented to the voters from being printed on both sides of a single ballot. places in such municipality. Nothing herein, however, shall be
applicable to elections on the question of the issuance of the
bonds of a municipality or to preferential or general * * *
elections for the election of municipal officers.

SECTION 52. Section 23-15-873, Mississippi Code of 1972, is
amended as follows:

23-15-873. No person, whether an officer or not, shall, in

indirectly, himself or through another person, promise to appoint,
or promise to secure or assist in securing the appointment * * *
or election of another person to any public position or
employment, or to secure or assist in securing any public contract
or the employment of any person under any public contractor, or to
secure or assist in securing the expenditure of any public funds
in the personal behalf of any particular person or group of
persons, except that the candidate may publicly announce what is
his choice or purpose in relation to an election in which he may
be called on to take part if elected. It shall be unlawful for
any person to directly or indirectly solicit or receive any
promise by this section prohibited. But this does not apply to a
sheriff, chancery clerk, circuit clerk, or any other person, of
the state or county when it comes to their office force.

SECTION 53. Section 23-15-881, Mississippi Code of 1972, is
amended as follows:

23-15-881. It shall be unlawful for the Mississippi
Transportation Commission or any member of the Mississippi
Transportation Commission, or the board of supervisors of any
county or any member of the board of supervisors of such county,
to employ, during the months of * * * August, September, October
and November of any year in which a general * * * election is held
for the * * * election of members of the Mississippi

of the three (3) years immediately preceding the year in which
such general * * * election is held. It shall be unlawful for the

total amount in excess of the average total amount expended for
such labor, in such highway district or supervisors district, as

three (3) years immediately preceding.

It shall be the duty of the Mississippi Transportation
Commission and the board of supervisors of each county,
respectively, to keep sufficient records of the numbers of
employees and expenditures made for labor on the state highways of
each highway district, and the public roads of each supervisors
district, for the months of * * * August, September, October and
November of each year to show the number of persons employed for
such work in each highway district and each supervisors district,
as the case may be, during said four-month period, and the total
amount expended in the payment of salaries and other compensation
to such employees, so that it may be ascertained, from an
examination of such records, whether or not the provisions of this
chapter have been violated.

It is provided, however, because of the abnormal conditions
existing in certain counties of the state due to recent floods in
which roads and bridges have been materially damaged or washed
away and destroyed, if the board of supervisors in any county
passes a resolution as provided in Section 19-9-11, Mississippi
Code of 1972, for the emergency issuance of road and bridge bonds,
the provisions of this section shall not be applicable to or in

for the election of municipal officers.

the success or defeat of any candidate for election for any public
office, free transportation or telegraph or telephone service, as
the case may be, or any reduction thereof that is not made alike
to all other persons. All persons required by the provisions of
this chapter to make and file statements shall make oath that they
have not received or made use of, directly or indirectly, in
connection with any candidacy for election to any public office,
free transportation or telegraph or telephone service.

SECTION 57. Section 23-15-911, Mississippi Code of 1972, is amended as follows:

23-15-911. (1) When the returns for a box and the contents of the ballot box and the conduct of the election thereat have been canvassed and reviewed by the county election commission, all the contents of the box required to be placed and sealed in the ballot box by the managers shall be replaced therein by the election commission, and the box shall be forthwith resealed and delivered to the circuit clerk, who shall safely keep and secure the same against any tampering therewith. At any time within twelve (12) days after the canvass and examination of the box and its contents by the election commission, any candidate or his representative authorized in writing by him shall have the right of full examination of said box and its contents upon three (3) days' notice of his application therefor served upon the opposing candidate or candidates, or upon any member of their family over the age of eighteen (18) years, which examination shall be conducted in the presence of the circuit clerk or his deputy who shall be charged with the duty to see that none of the contents of the box are...
removed from the presence of the clerk or in any way tampered
with. Upon the completion of said examination the box shall be
resealed with all its contents as theretofore. And if any contest
or complaint before the court shall arise over said box, it shall
be kept intact and sealed until the court hearing and another
ballot box, if necessary, shall be furnished for the precinct
involved.

(2) The provisions of this section allowing the examination
of ballot boxes shall apply in the case of an election contest
regarding the seat of a member of the state Legislature. In such
a case, the results of the examination shall be reported by the
applicable circuit clerk to the Clerk of the House of
Representatives or the Secretary of the Senate, as the case may
be.

court to give a reasonable time and opportunity to the candidates
for the office of judge of the Supreme Court, judges of the Court
of Appeals, circuit judge and chancellor to address the people
during court terms. In order to give further and every possible
emphasis to the fact that the said judicial offices are not
political but are to be held without favor and with absolute
impartiality as to all persons, and because of the jurisdiction
conferred upon the courts by this chapter, the judges thereof
should be as far removed as possible from any political
affiliations or obligations. It shall be unlawful for any
candidate for any of the offices mentioned in this section to
align himself with any candidate or candidates for any other
office or with any political faction or any political party at any
time during any election campaign. Likewise, it shall be
unlawful for any candidate for any other office wherein any
