HOUSE BILL NO. 738
(As Passed the House)

1 AN ACT TO AMEND SECTION 41-19-33, MISSISSIPPI CODE OF 1972,
2 TO AUTHORIZE COMMUNITY MENTAL HEALTH CENTERS TO FINGERPRINT AND
3 PERFORM A CRIMINAL HISTORY RECORD CHECK ON EVERY EMPLOYEE AND
4 VOLUNTEER; AND FOR RELATED PURPOSES.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

6 **SECTION 1.** Section 41-19-33, Mississippi Code of 1972, is
7 amended as follows:

8 41-19-33. (1) Each region so designated or established
9 under Section 41-19-31 shall establish a regional commission to be
10 composed of members appointed by the boards of supervisors of the
11 various counties in said region. It shall be the duty of such
12 regional commission to administer mental health/retardation
13 programs certified by the State Board of Mental Health. In
14 addition, once designated and established as provided hereinabove,
15 a regional commission shall have the following authority and shall
16 pursue and promote the following general purposes:

17 (a) To establish, own, lease, acquire, construct,
18 build, operate and maintain mental illness, mental health, mental
19 retardation, alcoholism and general rehabilitative facilities and
20 services designed to serve the needs of the people of the region
21 so designated; provided that the services supplied by said
22 regional commissions shall include those services determined by
23 the Department of Mental Health to be necessary and may include,
24 in addition to the above, services for persons with developmental
25 and learning disabilities; for persons suffering from narcotic
26 addiction and problems of drug abuse and drug dependence; and for
27 the aging as designated and certified by the Department of Mental
28 Health.

29 (b) To provide facilities and services for the
30 prevention of mental illness, mental disorders, developmental and
31 learning disabilities, alcoholism, narcotic addiction, drug abuse,
32 drug dependence and other related handicaps or problems (including
33 the problems of the aging) among the people of the region so
34 designated, and for the rehabilitation of persons suffering from
35 such illnesses, disorders, handicaps or problems as designated and
36 certified by the Department of Mental Health.

37 (c) To promote increased understanding of the problems
38 of mental illness, mental retardation, alcoholism, developmental
39 and learning disabilities, narcotic addiction, drug abuse and drug
40 dependence and other related problems (including the problems of
41 the aging) by the people of the region, and also to promote
42 increased understanding of the purposes and methods of the
43 rehabilitation of persons suffering from such illnesses,
44 disorders, handicaps or problems as designated and certified by
45 the Department of Mental Health.

46 (d) To enter into contracts and to make such other
47 arrangements as may be necessary, from time to time, with the
48 United States government, the government of the State of
49 Mississippi and such other agencies or governmental bodies as may
50 be approved by and acceptable to the regional commission for the
51 purpose of establishing, funding, constructing, operating and
52 maintaining facilities and services for the care, treatment and
53 rehabilitation of persons suffering from mental illness, mental
54 retardation, alcoholism, developmental and learning disabilities,
55 narcotic addiction, drug abuse, drug dependence and other
56 illnesses, disorders, handicaps and problems (including the
57 problems of the aging) as designated and certified by the
58 Department of Mental Health.

59 (e) To enter into contracts and make such other
60 arrangements as may be necessary with any and all private
61 businesses, corporations, partnerships, proprietorships or other

62 private agencies, whether organized for profit or otherwise, as
63 may be approved by and acceptable to the regional commission for
64 the purpose of establishing, funding, constructing, operating and
65 maintaining facilities and services for the care, treatment and
66 rehabilitation of persons suffering from mental illness, mental
67 retardation, alcoholism, developmental and learning disabilities,
68 narcotic addiction, drug abuse, drug dependence and other
69 illnesses, disorders, handicaps and problems (including the
70 problems of the aging) relating to minimum services established by
71 the Department of Mental Health.

72 (f) To promote the general mental health of the people
73 of the region.

74 (g) To pay the administrative costs of the operation of
75 said regional commissions, including per diem for the members of
76 said commission and its employees, attorney's fees, if and when
77 such are required in the opinion of said commission, and such
78 other expenses of the commission as may be necessary. The
79 Department of Mental Health standards and audit rules shall
80 determine what administrative cost figures shall consist of for
81 the purposes of this paragraph. Each regional commission shall
82 submit a cost report annually to the Department of Mental Health
83 in accordance with guidelines promulgated by the department.

84 (h) To employ and compensate any personnel that may be
85 necessary to effectively carry out the programs and services
86 established pursuant to the provisions of the aforesaid act,
87 provided such person meets the standards established by the
88 Department of Mental Health.

89 (i) To acquire whatever hazard, casualty or workers'
90 compensation insurance that may be necessary for any property,
91 real or personal, owned, leased or rented by said commissions, or
92 any employees or personnel hired by the said commissions.

93 (j) To acquire professional liability insurance on all
94 employees as may be deemed necessary and proper by the commission,

95 and to pay, out of the funds of the commission, all premiums due
96 and payable on account thereof.

97 (k) To provide and finance within their own facilities,
98 or through agreements or contracts with other local, state or
99 federal agencies or institutions, nonprofit corporations, or
100 political subdivisions or representatives thereof, programs and
101 services for the mentally ill, including treatment for alcoholics
102 and promulgating and administering of programs to combat drug
103 abuse and the mentally retarded.

104 (l) To borrow money from private lending institutions
105 in order to promote any of the foregoing purposes. A commission
106 may pledge collateral, including real estate, to secure the
107 repayment of money borrowed under the authority of this paragraph.
108 Any such borrowing undertaken by a commission shall be on terms
109 and conditions that are prudent in the sound judgment of the
110 members of the commission, and the interest on any such loan shall
111 not exceed the amount specified in Section 75-17-105. Any money
112 borrowed, debts incurred or other obligations undertaken by a
113 commission, regardless of whether borrowed, incurred or undertaken
114 before or after the effective date of this act, shall be valid,
115 binding and enforceable if it or they are borrowed, incurred or
116 undertaken for any purpose specified in this section and otherwise
117 conform to the requirements of this paragraph.

118 (m) To acquire, own and dispose of real and personal
119 property. Any real and personal property paid for with state
120 and/or county appropriated funds must have the written approval of
121 the Department of Mental Health and/or the county board of
122 supervisors, depending on the original source of funding, before
123 being disposed of under this paragraph.

124 (n) To enter into managed care contracts and make such
125 other arrangements as may be deemed necessary or appropriate by
126 the regional commission in order to participate in any managed
127 care program. Any such contract or arrangement affecting more

128 than one (1) region must have prior written approval of the
129 Department of Mental Health before being initiated and annually
130 thereafter.

131 (o) To provide facilities and services on a discounted
132 or capitated basis. Any such action when affecting more than one
133 (1) region must have prior written approval of the Department of
134 Mental Health before being initiated and annually thereafter.

135 (p) To enter into contracts, agreements or other
136 arrangements with any person, payor, provider or other entity,
137 pursuant to which the regional commission assumes financial risk
138 for the provision or delivery of any services, when deemed to be
139 necessary or appropriate by the regional commission. Any action
140 under this paragraph affecting more than one (1) region must have
141 prior written approval of the Department of Mental Health before
142 being initiated and annually thereafter.

143 (q) To provide direct or indirect funding, grants,
144 financial support and assistance for any health maintenance
145 organization, preferred provider organization or other managed
146 care entity or contractor, where such organization, entity or
147 contractor is operated on a nonprofit basis. Any action under
148 this paragraph affecting more than one (1) region must have prior
149 written approval of the Department of Mental Health before being
150 initiated and annually thereafter.

151 (r) To form, establish, operate, and/or be a member of
152 or participant in, either individually or with one or more other
153 regional commissions, any managed care entity as defined in
154 Section 83-41-403(c). Any action under this paragraph affecting
155 more than one (1) region must have prior written approval of the
156 Department of Mental Health before being initiated and annually
157 thereafter.

158 (s) To meet at least annually with the board of
159 supervisors of each county in its region for the purpose of

160 presenting its total annual budget and total mental
161 health/retardation services system.

162 (t) To provide alternative living arrangements for
163 persons with serious mental illness, including, but not limited
164 to, group homes for the chronically mentally ill.

165 (u) To make purchases and enter into contracts for
166 purchasing in compliance with the public purchasing law, Sections
167 31-7-12 and 31-7-13, with compliance with the public purchasing
168 law subject to audit by the State Department of Audit.

169 (v) To insure that all available funds are used for the
170 benefit of the mentally ill, mentally retarded, substance abusers
171 and developmentally disabled with maximum efficiency and minimum
172 administrative cost. At any time a regional commission, and/or
173 other related organization whatever it may be, accumulates surplus
174 funds in excess of one-half (1/2) of its annual operating budget,
175 the entity must submit a plan to the Department of Mental Health
176 stating the capital improvements or other projects that require
177 such surplus accumulation. If the required plan is not submitted
178 within forty-five (45) days of the end of the applicable fiscal
179 year, the Department of Mental Health shall withhold all state
180 appropriated funds from such regional commission until such time
181 as the capital improvement plan is submitted. If the submitted
182 capital improvement plan is not accepted by the department, the
183 said surplus funds shall be expended by the regional commission in
184 the local mental health region on group homes for the mentally
185 ill, mentally retarded, substance abusers, children or other
186 mental health/retardation services approved by the Department of
187 Mental Health.

188 (w) Notwithstanding any other provision of law, to
189 fingerprint and perform a criminal history record check on every
190 employee or volunteer. Every employee or volunteer shall provide
191 a valid current social security number and/or driver's license
192 number that will be furnished to conduct the criminal history

193 record check. If no disqualifying record is identified at the
194 state level, fingerprints shall be forwarded to the Federal Bureau
195 of Investigation for a national criminal history record check.

196 (x) In general to take any action which will promote,
197 either directly or indirectly, any and all of the foregoing
198 purposes.

199 (2) The types of services established by the State
200 Department of Mental Health that must be provided by the regional
201 mental health/retardation centers for certification by the
202 department, and the minimum levels and standards for those
203 services established by the department, shall be provided by the
204 regional mental health/retardation centers to children when such
205 services are appropriate for children, in the determination of the
206 department.

207 **SECTION 2.** This act shall take effect and be in force from
208 and after its passage.
