HOUSE BILL NO. 822

1 AN ACT TO AMEND SECTION 43-13-117, MISSISSIPPI CODE OF 1972,  
2 TO PROVIDE THAT THE DRUG FORMULARY OF DIVISION OF MEDICAID SHALL  
3 NOT INCLUDE RITALIN, AND THE DIVISION SHALL NOT PROVIDE MEDICAID  
4 REIMBURSEMENT FOR PRESCRIPTIONS OF RITALIN; AND FOR RELATED  
5 PURPOSES.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

7 **SECTION 1.** Section 43-13-117, Mississippi Code of 1972, is  
8 amended as follows:

9 43-13-117. Medicaid as authorized by this article shall  
10 include payment of part or all of the costs, at the discretion of  
11 the division or its successor, with approval of the Governor, of  
12 the following types of care and services rendered to eligible  
13 applicants who have been determined to be eligible for that care  
14 and services, within the limits of state appropriations and  
15 federal matching funds:

16 (1) Inpatient hospital services.

17 (a) The division shall allow thirty (30) days of  
18 inpatient hospital care annually for all Medicaid recipients.  
19 Precertification of inpatient days must be obtained as required by  
20 the division. The division may allow unlimited days in  
21 disproportionate hospitals as defined by the division for eligible  
22 infants under the age of six (6) years if certified as medically  
23 necessary as required by the division.

24 (b) From and after July 1, 1994, the Executive  
25 Director of the Division of Medicaid shall amend the Mississippi  
26 Title XIX Inpatient Hospital Reimbursement Plan to remove the  
27 occupancy rate penalty from the calculation of the Medicaid

28 Capital Cost Component utilized to determine total hospital costs  
29 allocated to the Medicaid program.

30 (c) Hospitals will receive an additional payment  
31 for the implantable programmable baclofen drug pump used to treat  
32 spasticity which is implanted on an inpatient basis. The payment  
33 pursuant to written invoice will be in addition to the facility's  
34 per diem reimbursement and will represent a reduction of costs on  
35 the facility's annual cost report, and shall not exceed Ten  
36 Thousand Dollars (\$10,000.00) per year per recipient. This  
37 subparagraph (c) shall stand repealed on July 1, 2005.

38 (2) Outpatient hospital services. Where the same  
39 services are reimbursed as clinic services, the division may  
40 revise the rate or methodology of outpatient reimbursement to  
41 maintain consistency, efficiency, economy and quality of care.

42 (3) Laboratory and x-ray services.

43 (4) Nursing facility services.

44 (a) The division shall make full payment to  
45 nursing facilities for each day, not exceeding fifty-two (52) days  
46 per year, that a patient is absent from the facility on home  
47 leave. Payment may be made for the following home leave days in  
48 addition to the fifty-two-day limitation: Christmas, the day  
49 before Christmas, the day after Christmas, Thanksgiving, the day  
50 before Thanksgiving and the day after Thanksgiving.

51 (b) From and after July 1, 1997, the division  
52 shall implement the integrated case-mix payment and quality  
53 monitoring system, which includes the fair rental system for  
54 property costs and in which recapture of depreciation is  
55 eliminated. The division may reduce the payment for hospital  
56 leave and therapeutic home leave days to the lower of the case-mix  
57 category as computed for the resident on leave using the  
58 assessment being utilized for payment at that point in time, or a  
59 case-mix score of 1.000 for nursing facilities, and shall compute  
60 case-mix scores of residents so that only services provided at the

61 nursing facility are considered in calculating a facility's per  
62 diem.

63         During the period between May 1, 2002, and December 1, 2002,  
64 the Chairmen of the Public Health and Welfare Committees of the  
65 Senate and the House of Representatives may appoint a joint study  
66 committee to consider the issue of setting uniform reimbursement  
67 rates for nursing facilities. The study committee will consist of  
68 the Chairmen of the Public Health and Welfare Committees, three  
69 (3) members of the Senate and three (3) members of the House. The  
70 study committee shall complete its work in not more than three (3)  
71 meetings.

72                 (c) From and after July 1, 1997, all state-owned  
73 nursing facilities shall be reimbursed on a full reasonable cost  
74 basis.

75                 (d) When a facility of a category that does not  
76 require a certificate of need for construction and that could not  
77 be eligible for Medicaid reimbursement is constructed to nursing  
78 facility specifications for licensure and certification, and the  
79 facility is subsequently converted to a nursing facility under a  
80 certificate of need that authorizes conversion only and the  
81 applicant for the certificate of need was assessed an application  
82 review fee based on capital expenditures incurred in constructing  
83 the facility, the division shall allow reimbursement for capital  
84 expenditures necessary for construction of the facility that were  
85 incurred within the twenty-four (24) consecutive calendar months  
86 immediately preceding the date that the certificate of need  
87 authorizing the conversion was issued, to the same extent that  
88 reimbursement would be allowed for construction of a new nursing  
89 facility under a certificate of need that authorizes that  
90 construction. The reimbursement authorized in this subparagraph  
91 (d) may be made only to facilities the construction of which was  
92 completed after June 30, 1989. Before the division shall be  
93 authorized to make the reimbursement authorized in this

94 subparagraph (d), the division first must have received approval  
95 from the Health Care Financing Administration of the United States  
96 Department of Health and Human Services of the change in the state  
97 Medicaid plan providing for the reimbursement.

98 (e) The division shall develop and implement, not  
99 later than January 1, 2001, a case-mix payment add-on determined  
100 by time studies and other valid statistical data that will  
101 reimburse a nursing facility for the additional cost of caring for  
102 a resident who has a diagnosis of Alzheimer's or other related  
103 dementia and exhibits symptoms that require special care. Any  
104 such case-mix add-on payment shall be supported by a determination  
105 of additional cost. The division shall also develop and implement  
106 as part of the fair rental reimbursement system for nursing  
107 facility beds, an Alzheimer's resident bed depreciation enhanced  
108 reimbursement system that will provide an incentive to encourage  
109 nursing facilities to convert or construct beds for residents with  
110 Alzheimer's or other related dementia.

111 (f) The Division of Medicaid shall develop and  
112 implement a referral process for long-term care alternatives for  
113 Medicaid beneficiaries and applicants. No Medicaid beneficiary  
114 shall be admitted to a Medicaid-certified nursing facility unless  
115 a licensed physician certifies that nursing facility care is  
116 appropriate for that person on a standardized form to be prepared  
117 and provided to nursing facilities by the Division of Medicaid.  
118 The physician shall forward a copy of that certification to the  
119 Division of Medicaid within twenty-four (24) hours after it is  
120 signed by the physician. Any physician who fails to forward the  
121 certification to the Division of Medicaid within the time period  
122 specified in this paragraph shall be ineligible for Medicaid  
123 reimbursement for any physician's services performed for the  
124 applicant. The Division of Medicaid shall determine, through an  
125 assessment of the applicant conducted within two (2) business days  
126 after receipt of the physician's certification, whether the

127 applicant also could live appropriately and cost-effectively at  
128 home or in some other community-based setting if home- or  
129 community-based services were available to the applicant. The  
130 time limitation prescribed in this subparagraph shall be waived in  
131 cases of emergency. If the Division of Medicaid determines that a  
132 home- or other community-based setting is appropriate and  
133 cost-effective, the division shall:

134 (i) Advise the applicant or the applicant's  
135 legal representative that a home- or other community-based setting  
136 is appropriate;

137 (ii) Provide a proposed care plan and inform  
138 the applicant or the applicant's legal representative regarding  
139 the degree to which the services in the care plan are available in  
140 a home- or in other community-based setting rather than nursing  
141 facility care; and

142 (iii) Explain that the plan and services are  
143 available only if the applicant or the applicant's legal  
144 representative chooses a home- or community-based alternative to  
145 nursing facility care, and that the applicant is free to choose  
146 nursing facility care.

147 The Division of Medicaid may provide the services described  
148 in this subparagraph (f) directly or through contract with case  
149 managers from the local Area Agencies on Aging, and shall  
150 coordinate long-term care alternatives to avoid duplication with  
151 hospital discharge planning procedures.

152 Placement in a nursing facility may not be denied by the  
153 division if home- or community-based services that would be more  
154 appropriate than nursing facility care are not actually available,  
155 or if the applicant chooses not to receive the appropriate home-  
156 or community-based services.

157 The division shall provide an opportunity for a fair hearing  
158 under federal regulations to any applicant who is not given the

159 choice of home- or community-based services as an alternative to  
160 institutional care.

161 The division shall make full payment for long-term care  
162 alternative services.

163 The division shall apply for necessary federal waivers to  
164 assure that additional services providing alternatives to nursing  
165 facility care are made available to applicants for nursing  
166 facility care.

167 (5) Periodic screening and diagnostic services for  
168 individuals under age twenty-one (21) years as are needed to  
169 identify physical and mental defects and to provide health care  
170 treatment and other measures designed to correct or ameliorate  
171 defects and physical and mental illness and conditions discovered  
172 by the screening services regardless of whether these services are  
173 included in the state plan. The division may include in its  
174 periodic screening and diagnostic program those discretionary  
175 services authorized under the federal regulations adopted to  
176 implement Title XIX of the federal Social Security Act, as  
177 amended. The division, in obtaining physical therapy services,  
178 occupational therapy services, and services for individuals with  
179 speech, hearing and language disorders, may enter into a  
180 cooperative agreement with the State Department of Education for  
181 the provision of those services to handicapped students by public  
182 school districts using state funds that are provided from the  
183 appropriation to the Department of Education to obtain federal  
184 matching funds through the division. The division, in obtaining  
185 medical and psychological evaluations for children in the custody  
186 of the State Department of Human Services may enter into a  
187 cooperative agreement with the State Department of Human Services  
188 for the provision of those services using state funds that are  
189 provided from the appropriation to the Department of Human  
190 Services to obtain federal matching funds through the division.

191           (6) Physician's services. The division shall allow  
192 twelve (12) physician visits annually. All fees for physicians'  
193 services that are covered only by Medicaid shall be reimbursed at  
194 ninety percent (90%) of the rate established on January 1, 1999,  
195 and as adjusted each January thereafter, under Medicare (Title  
196 XVIII of the Social Security Act, as amended), and which shall in  
197 no event be less than seventy percent (70%) of the rate  
198 established on January 1, 1994. All fees for physicians' services  
199 that are covered by both Medicare and Medicaid shall be reimbursed  
200 at ten percent (10%) of the adjusted Medicare payment established  
201 on January 1, 1999, and as adjusted each January thereafter, under  
202 Medicare (Title XVIII of the Social Security Act, as amended), and  
203 which shall in no event be less than seventy percent (70%) of the  
204 adjusted Medicare payment established on January 1, 1994.

205           (7) (a) Home health services for eligible persons, not  
206 to exceed in cost the prevailing cost of nursing facility  
207 services, not to exceed sixty (60) visits per year. All home  
208 health visits must be precertified as required by the division.

209                           (b) Repealed.

210           (8) Emergency medical transportation services. On  
211 January 1, 1994, emergency medical transportation services shall  
212 be reimbursed at seventy percent (70%) of the rate established  
213 under Medicare (Title XVIII of the Social Security Act, as  
214 amended). "Emergency medical transportation services" shall mean,  
215 but shall not be limited to, the following services by a properly  
216 permitted ambulance operated by a properly licensed provider in  
217 accordance with the Emergency Medical Services Act of 1974  
218 (Section 41-59-1 et seq.): (i) basic life support, (ii) advanced  
219 life support, (iii) mileage, (iv) oxygen, (v) intravenous fluids,  
220 (vi) disposable supplies, (vii) similar services.

221           (9) Legend and other drugs as may be determined by the  
222 division. The division may implement a program of prior approval  
223 for drugs to the extent permitted by law. Payment by the division

224 for covered multiple source drugs shall be limited to the lower of  
225 the upper limits established and published by the Centers for  
226 Medicare and Medicaid Services (CMS) plus a dispensing fee, or the  
227 estimated acquisition cost (EAC) plus a dispensing fee, or the  
228 providers' usual and customary charge to the general public. The  
229 division shall allow seven (7) prescriptions per month for each  
230 noninstitutionalized Medicaid recipient; however, after a  
231 noninstitutionalized or institutionalized recipient has received  
232 five (5) prescriptions in any month, each additional prescription  
233 during that month must have the prior approval of the division.  
234 The division shall not reimburse for any portion of a prescription  
235 that exceeds a thirty-four-day supply of the drug based on the  
236 daily dosage.

237 Payment for other covered drugs, other than multiple source  
238 drugs with CMS upper limits, shall not exceed the lower of the  
239 estimated acquisition cost plus a dispensing fee or the providers'  
240 usual and customary charge to the general public.

241 Payment for nonlegend or over-the-counter drugs covered on  
242 the division's formulary shall be reimbursed at the lower of the  
243 division's estimated shelf price or the providers' usual and  
244 customary charge to the general public. No dispensing fee shall  
245 be paid.

246 The dispensing fee for each new or refill prescription shall  
247 be Three Dollars and Ninety-one Cents (\$3.91).

248 The Medicaid provider shall not prescribe, the Medicaid  
249 pharmacy shall not bill, and the division shall not reimburse for  
250 name brand drugs if there are equally effective generic  
251 equivalents available and if the generic equivalents are the least  
252 expensive.

253 The division shall develop and implement a program of payment  
254 for additional pharmacist services, with payment to be based on  
255 demonstrated savings, but in no case shall the total payment  
256 exceed twice the amount of the dispensing fee.

257 All claims for drugs for dually eligible Medicare/Medicaid  
258 beneficiaries that are paid for by Medicare must be submitted to  
259 Medicare for payment before they may be processed by the  
260 division's on-line payment system.

261 The division shall develop a pharmacy policy in which drugs  
262 in tamper-resistant packaging that are prescribed for a resident  
263 of a nursing facility but are not dispensed to the resident shall  
264 be returned to the pharmacy and not billed to Medicaid, in  
265 accordance with guidelines of the State Board of Pharmacy.

266 The drug formulary of division shall not include Ritalin  
267 (methylphenidate), and the division shall not provide Medicaid  
268 reimbursement for prescriptions of Ritalin (methylphenidate).

269 As used in this paragraph (9), "estimated acquisition cost"  
270 means twelve percent (12%) less than the average wholesale price  
271 for a drug.

272 \* \* \*

273 (10) Dental care that is an adjunct to treatment of an  
274 acute medical or surgical condition; services of oral surgeons and  
275 dentists in connection with surgery related to the jaw or any  
276 structure contiguous to the jaw or the reduction of any fracture  
277 of the jaw or any facial bone; and emergency dental extractions  
278 and treatment related thereto. On July 1, 1999, all fees for  
279 dental care and surgery under authority of this paragraph (10)  
280 shall be increased to one hundred sixty percent (160%) of the  
281 amount of the reimbursement rate that was in effect on June 30,  
282 1999. It is the intent of the Legislature to encourage more  
283 dentists to participate in the Medicaid program.

284 (11) Eyeglasses for all Medicaid beneficiaries who have  
285 (a) had surgery on the eyeball or ocular muscle that results in a  
286 vision change for which eyeglasses or a change in eyeglasses is  
287 medically indicated within six (6) months of the surgery and is in  
288 accordance with policies established by the division, or (b) one  
289 (1) pair every five (5) years and in accordance with policies

290 established by the division. In either instance, the eyeglasses  
291 must be prescribed by a physician skilled in diseases of the eye  
292 or an optometrist, whichever the beneficiary may select.

293 (12) Intermediate care facility services.

294 (a) The division shall make full payment to all  
295 intermediate care facilities for the mentally retarded for each  
296 day, not exceeding eighty-four (84) days per year, that a patient  
297 is absent from the facility on home leave. Payment may be made  
298 for the following home leave days in addition to the  
299 eighty-four-day limitation: Christmas, the day before Christmas,  
300 the day after Christmas, Thanksgiving, the day before Thanksgiving  
301 and the day after Thanksgiving.

302 (b) All state-owned intermediate care facilities  
303 for the mentally retarded shall be reimbursed on a full reasonable  
304 cost basis.

305 (13) Family planning services, including drugs,  
306 supplies and devices, when those services are under the  
307 supervision of a physician.

308 (14) Clinic services. Such diagnostic, preventive,  
309 therapeutic, rehabilitative or palliative services furnished to an  
310 outpatient by or under the supervision of a physician or dentist  
311 in a facility that is not a part of a hospital but that is  
312 organized and operated to provide medical care to outpatients.  
313 Clinic services shall include any services reimbursed as  
314 outpatient hospital services that may be rendered in such a  
315 facility, including those that become so after July 1, 1991. On  
316 July 1, 1999, all fees for physicians' services reimbursed under  
317 authority of this paragraph (14) shall be reimbursed at ninety  
318 percent (90%) of the rate established on January 1, 1999, and as  
319 adjusted each January thereafter, under Medicare (Title XVIII of  
320 the Social Security Act, as amended), and which shall in no event  
321 be less than seventy percent (70%) of the rate established on  
322 January 1, 1994. All fees for physicians' services that are

323 covered by both Medicare and Medicaid shall be reimbursed at ten  
324 percent (10%) of the adjusted Medicare payment established on  
325 January 1, 1999, and as adjusted each January thereafter, under  
326 Medicare (Title XVIII of the Social Security Act, as amended), and  
327 which shall in no event be less than seventy percent (70%) of the  
328 adjusted Medicare payment established on January 1, 1994. On July  
329 1, 1999, all fees for dentists' services reimbursed under  
330 authority of this paragraph (14) shall be increased to one hundred  
331 sixty percent (160%) of the amount of the reimbursement rate that  
332 was in effect on June 30, 1999.

333 (15) Home- and community-based services, as provided  
334 under Title XIX of the federal Social Security Act, as amended,  
335 under waivers, subject to the availability of funds specifically  
336 appropriated therefor by the Legislature. Payment for those  
337 services shall be limited to individuals who would be eligible for  
338 and would otherwise require the level of care provided in a  
339 nursing facility. The home- and community-based services  
340 authorized under this paragraph shall be expanded over a five-year  
341 period beginning July 1, 1999. The division shall certify case  
342 management agencies to provide case management services and  
343 provide for home- and community-based services for eligible  
344 individuals under this paragraph. The home- and community-based  
345 services under this paragraph and the activities performed by  
346 certified case management agencies under this paragraph shall be  
347 funded using state funds that are provided from the appropriation  
348 to the Division of Medicaid and used to match federal funds.

349 (16) Mental health services. Approved therapeutic and  
350 case management services (a) provided by an approved regional  
351 mental health/retardation center established under Sections  
352 41-19-31 through 41-19-39, or by another community mental health  
353 service provider meeting the requirements of the Department of  
354 Mental Health to be an approved mental health/retardation center  
355 if determined necessary by the Department of Mental Health, using

356 state funds that are provided from the appropriation to the State  
357 Department of Mental Health and/or funds transferred to the  
358 department by a political subdivision or instrumentality of the  
359 state and used to match federal funds under a cooperative  
360 agreement between the division and the department, or (b) provided  
361 by a facility that is certified by the State Department of Mental  
362 Health to provide therapeutic and case management services, to be  
363 reimbursed on a fee for service basis, or (c) provided in the  
364 community by a facility or program operated by the Department of  
365 Mental Health. Any such services provided by a facility described  
366 in subparagraph (b) must have the prior approval of the division  
367 to be reimbursable under this section. After June 30, 1997,  
368 mental health services provided by regional mental  
369 health/retardation centers established under Sections 41-19-31  
370 through 41-19-39, or by hospitals as defined in Section 41-9-3(a)  
371 and/or their subsidiaries and divisions, or by psychiatric  
372 residential treatment facilities as defined in Section 43-11-1, or  
373 by another community mental health service provider meeting the  
374 requirements of the Department of Mental Health to be an approved  
375 mental health/retardation center if determined necessary by the  
376 Department of Mental Health, shall not be included in or provided  
377 under any capitated managed care pilot program provided for under  
378 paragraph (24) of this section.

379 (17) Durable medical equipment services and medical  
380 supplies. Precertification of durable medical equipment and  
381 medical supplies must be obtained as required by the division.  
382 The Division of Medicaid may require durable medical equipment  
383 providers to obtain a surety bond in the amount and to the  
384 specifications as established by the Balanced Budget Act of 1997.

385 (18) (a) Notwithstanding any other provision of this  
386 section to the contrary, the division shall make additional  
387 reimbursement to hospitals that serve a disproportionate share of  
388 low-income patients and that meet the federal requirements for

389 those payments as provided in Section 1923 of the federal Social  
390 Security Act and any applicable regulations. However, from and  
391 after January 1, 1999, no public hospital shall participate in the  
392 Medicaid disproportionate share program unless the public hospital  
393 participates in an intergovernmental transfer program as provided  
394 in Section 1903 of the federal Social Security Act and any  
395 applicable regulations. Administration and support for  
396 participating hospitals shall be provided by the Mississippi  
397 Hospital Association.

398 (b) The division shall establish a Medicare Upper  
399 Payment Limits Program, as defined in Section 1902(a)(30) of the  
400 federal Social Security Act and any applicable federal  
401 regulations, for hospitals, and may establish a Medicare Upper  
402 Payments Limits Program for nursing facilities. The division  
403 shall assess each hospital and, if the program is established for  
404 nursing facilities, shall assess each nursing facility, for the  
405 sole purpose of financing the state portion of the Medicare Upper  
406 Payment Limits Program. This assessment shall be based on  
407 Medicaid utilization, or other appropriate method consistent with  
408 federal regulations, and will remain in effect as long as the  
409 state participates in the Medicare Upper Payment Limits Program.  
410 The division shall make additional reimbursement to hospitals and,  
411 if the program is established for nursing facilities, shall make  
412 additional reimbursement to nursing facilities, for the Medicare  
413 Upper Payment Limits, as defined in Section 1902(a)(30) of the  
414 federal Social Security Act and any applicable federal  
415 regulations. This subparagraph (b) shall stand repealed from and  
416 after July 1, 2005.

417 (c) The division shall contract with the  
418 Mississippi Hospital Association to provide administrative support  
419 for the operation of the disproportionate share hospital program  
420 and the Medicare Upper Payment Limits Program. This subparagraph  
421 (c) shall stand repealed from and after July 1, 2005.

422           (19) (a) Perinatal risk management services. The  
423 division shall promulgate regulations to be effective from and  
424 after October 1, 1988, to establish a comprehensive perinatal  
425 system for risk assessment of all pregnant and infant Medicaid  
426 recipients and for management, education and follow-up for those  
427 who are determined to be at risk. Services to be performed  
428 include case management, nutrition assessment/counseling,

658 the reduction in reimbursement that would otherwise be made for  
659 those services under this paragraph.

660 Notwithstanding any provision of this article, except as  
661 authorized in the following paragraph and in Section 43-13-139,  
662 neither (a) the limitations on quantity or frequency of use of or  
663 the fees or charges for any of the care or services available to  
664 recipients under this section, nor (b) the payments or rates of  
665 reimbursement to providers rendering care or services authorized  
666 under this section to recipients, may be increased, decreased or  
667 otherwise changed from the levels in effect on July 1, 1999,  
668 unless they are authorized by an amendment to this section by the  
669 Legislature. However, the restriction in this paragraph shall not  
670 prevent the division from changing the payments or rates of  
671 reimbursement to providers without an amendment to this section  
672 whenever those changes are required by federal law or regulation,  
673 or whenever those changes are necessary to correct administrative  
674 errors or omissions in calculating those payments or rates of  
675 reimbursement.

676 Notwithstanding any provision of this article, no new groups  
677 or categories of recipients and new types of care and services may  
678 be added without enabling legislation from the Mississippi  
679 Legislature, except that the division may authorize those changes  
680 without enabling legislation when the addition of recipients or  
681 services is ordered by a court of proper authority. The executive  
682 director shall keep the Governor advised on a timely basis of the  
683 funds available for expenditure and the projected expenditures.  
684 If current or projected expenditures of the division can be  
685 reasonably anticipated to exceed the amounts appropriated for any

686 fiscal year, the Governor, after consultation with the executive  
687 director, shall discontinue any or all of the payment of the types  
688 of care and services as provided in this section that are deemed  
689 to be optional services under Title XIX of the federal Social  
690 Security Act, as amended, for any period necessary to not exceed  
691 appropriated funds, and when necessary shall institute any other  
692 cost containment measures on any program or programs authorized  
693 under the article to the extent allowed under the federal law  
694 governing that program or programs, it being the intent of the  
695 Legislature that expenditures during any fiscal year shall not  
696 exceed the amounts appropriated for that fiscal year.

697 Notwithstanding any other provision of this article, it shall  
698 be the duty of each nursing facility, intermediate care facility  
699 for the mentally retarded, psychiatric residential treatment  
700 facility, and nursing facility for the severely disabled that is  
701 participating in the Medicaid program to keep and maintain books,  
702 documents and other records as prescribed by the Division of  
703 Medicaid in substantiation of its cost reports for a period of  
704 three (3) years after the date of submission to the Division of  
705 Medicaid of an original cost report, or three (3) years after the  
706 date of submission to the Division of Medicaid of an amended cost  
707 report.

708 This section shall stand repealed on July 1, 2004.

709 **SECTION 2.** This act shall take effect and be in force from  
710 and after July 1, 2003.
