- 19 **SECTION 2.** Section 29-3-63, Mississippi Code of 1972, is
- 20 amended as follows:
- 21 29-3-63. (1) Except as otherwise provided for cemeteries in

- 24 exclusive of all other persons, to re-lease or to extend an
- 25 existing lease as may be agreed upon between the holder of the
- lease and board of education subject to the classification of said
- 27 land. Provided, however, no holder of a lease of sixteenth
- 28 section land classified as agricultural land shall have any

29 priority rights in extending his lease contract, except as

30 otherwise provided in Section 29-3-81. Provided, however, the

31 compensation on an annual basis shall be the fair market rental of

45 (3) The prior right to re-lease or extend an existing oil,

46 gas and mineral lease, or any part thereof, granted under this

section shall be conditioned upon the existence of production of

48 oil, gas or other minerals thereunder in paying quantities, or the

49 existence of a well capable of such production, or the existence

50 of drilling or reworking operations at the time of lease

51 expiration. Provided, however, that said lease may, in the

52 discretion of the board of education, be extended only as to the

53 lands included in a unit or units as defined by the appropriate

54 agency having jurisdiction over said unit or units. The

55 replacement lease shall be upon such terms and conditions as may

56 be agreed upon between the holder of the lease and the board of

57 education, provided that the rental and royalty provisions shall

59 the expired lease and the primary term shall not exceed the

60 limitations in Section 29-3-99. Bonus payment for the replacement

- 61 lease shall be consistent with the requirements set out in Section
- 62 29-3-65 with respect to oil, gas and mineral leases.

- 67 provided in subsection (3) above extends to oil, gas and mineral
- 68 leases which have already expired as of the effective date of this
- 69 section, subject to an accounting for production from the date of
- 70 lease expiration to the date of the replacement lease authorized
- 71 herein.
- 72 **SECTION 3.** Section 29-3-81, Mississippi Code of 1972, is
- 73 amended as follows:
- 74 29-3-81. (1) Sixteenth section lands, or any lands granted
- 75 in lieu of sixteenth section lands, classified as agricultural may
- 76 be leased for the cultivation of rice, or pasturage, for a term
- 77 not to exceed ten (10) years. All other sixteenth section or lieu
- 78 lands classified as agricultural may be leased for a term not
- 79 exceeding five (5) years. All leases of land classified as
- 80 agricultural shall be for a term to expire on December 31. Except
- 81 in those cases when the holder of an existing lease on
- 82 agricultural land elects to re-lease such land, as authorized
- 83 under this subsection, it shall be the duty of the board of
- 84 education to lease the sixteenth section or lieu lands at public
- 85 contract after having advertised such lands for rent in a
- 86 newspaper published in the county or, if no newspaper is published
- 87 in the county, then in a newspaper having a general circulation
- 88 therein, for two (2) successive weeks, the first being at least
- 89 ten (10) days before the public contract. The lease form and the
- 90 terms so prescribed shall be on file and available for inspection
- 91 in the office of the superintendent from and after the public
- 92 notice by advertisement and until finally accepted by the board.
- 93 However, before the expiration of an existing lease of land

If the holder of the existing 101 102 lease elects not to re-lease the land, the board of education shall publish an advertisement of agricultural land for rent which 103 104 publication shall be not more than four (4) months before the expiration of the term of an existing lease of the land. 105 election by the holder of the existing lease not to re-lease the 106 107 land shall not preclude his participation in the bidding process established under this section. Subject to the classification of 108 the land, the board of education shall enter into a new lease on 109 agricultural land before the expiration of an existing lease on 110 111 the same land, and the new lease shall take effect on the day immediately following the day on which the existing lease expires. 112 113 The board of education may require bidders to furnish bond or submit evidence of financial ability. 114 115 Bids received by the board of education in response to the advertisement shall be opened at a regular or special meeting of 116 the board. The board of education, at its option, may reject all 117 118 bids or accept the highest and best bid received in response to the advertisement, or the board of education may hold an auction 119 among those who submitted bids in response to the advertisement. 120 If the board of education elects to hold an auction, no bidder 121 shall be granted any preference. The opening bid at the auction 122 shall be highest bid received in response to the advertisement. 123 If, during the final year of an existing lease, the 124 125 board of education notifies the holder of the existing lease that

Section 29-3-39, the holder of the existing lease may re-lease the 127 land for a term of five (5) years and for a rental amount that is 128 equal to one hundred twenty percent (120%) of the total rental 129 130 value of the existing lease. Thereafter, the board of education 131 shall proceed with the reclassification of the land, and the new classification will be implemented upon the expiration of the 132 This subsection does not apply if the board of education 133 lease. intends to reclassify the land under the "commercial" or 134 "industrial" land classification based on a valid business 135 proposal presented to and approved by the board of education. 136 137 If the board of education receives an acceptable bid in response to the advertisement and elects not to hold an 138 139 auction among those submitting bids, then the holder of the existing lease may submit a second bid in an amount not less than 140 one hundred five percent (105%) of the highest acceptable bid 141 received if the holder of the existing lease: (i) submitted a bid 142 in response to the advertisement; and (ii) constructed or made 143 144 improvements on the leasehold premises after receiving approval of the board of education during the term of the existing lease. 145 146 purposes of this subsection, the term "improvements" shall not include any work or items that are done customarily on an annual 147 148 basis in the preparing, planting, growing, cultivating or harvesting of crops or other farm products. 149 If the holder of the existing lease elects to 150 (b) 151 submit a second bid, the board of education shall hold an auction among those who submitted bids in response to the advertisement. 152 153 The opening bid at the auction shall be the second bid of the holder of the existing lease. However, no leaseholder may submit 154

a second bid if: (i) any rent, taxes or other payment required

under his lease are past due; or (ii) he is otherwise in default

The board shall announce the time and place 164 of the auction at the meeting at which bids are opened, and no 165 further notice of the auction is required.
- (d) If no bid acceptable to the board of education is 166 167 received after the advertisement or at auction, the board of education may lease, within ninety (90) days, the lands by private 168 169 contract for an amount greater than the highest bid previously rejected in order to acquire a fair rental value for the lands. 170 171 If no bids are received in response to the advertisement, the board of education may negotiate a private contract for a fair 172 rental value, and the term of such contract shall expire on 173 December 31 of the same calendar year in which the contract is 174 The board of education may take the notes for the rent and 175 made. 176 attend to their collection. The board has the right and remedies for the security and collection of such rents given by law to the 177 178 agricultural landlords.

  was granted before July 1, 1997; and (b) has an expiration date on
  or after April 1 but before December 31 during the final year of
  the lease term, may extend the term of such lease to December 31
  next following the expiration date originally provided for in the

- 192 lease. If such lease is extended, the rent for the period from
- 193 the original expiration date in the lease to December 31 next
- 194 following the original expiration date shall be one hundred five
- 195 percent (105%) of the annual rent provided in the existing lease
- 196 prorated over the period of the lease extension. At the
