member for a period of at least two (2) years;

31 (g) Be licensed in a jurisdiction outside the United
32 States or Canada and present evidence that any licenses held in
33 any jurisdiction are unrestricted;

34 (h) Demonstrate proficiency in English by providing a
35 valid Education Commission for Foreign Medical Graduates (ECFMG)
36 certificate or verification of passing score on the Test of
37 English as a Foreign Language (TOEFL), administered by the
38 Educational Testing Service;

39 (i) Present a letter from the dean of the University of
40 Mississippi Medical Center that indicates that the applicant has
41 been invited to serve on the academic staff of the medical school
42 and in what capacity; and

(j) Present at least two (2) letters of recommendation
from universities, educational institutions or research facilities
that indicate the applicant's noteworthy professional attainment.

46 (3) The holder of a limited faculty medical license shall be
 47 restricted to the University of Mississippi Medical Center and its
 48 affiliated institutions.

The limited faculty medical license shall be valid for 49 (4) 50 one (1) year and shall be in the form as prescribed by the board. The limited faculty medical license shall be issued for practice 51 52 at the University of Mississippi Medical Center and may not be endorsable to another state. The limited faculty medical license 53 must be renewed annually, after such review as the board considers 54 necessary. A limited faculty medical license shall automatically 55 56 expire when the licensee discontinues service on the University of 57 Mississippi medical staff for which the limited faculty medical 58 license was granted.

H. B. No. 945 03/HR40/R1227CS PAGE 2 (CTE\BD)

A physician holding a limited faculty medical license 59 (5) will be eligible at the end of a five (5) year period to 60 substitute three (3) year Accreditation Council of Graduate 61 Medical Education (ACGME) approved training required for a 62 63 permanent medical license with the five (5) year faculty experience. The physician must also obtain a written 64 recommendation and endorsement for medical licensure from the 65 chairman of the department in which the physician has been 66 practicing. All other permanent medical license requirements will 67 remain the same. 68

69 (6) The board may establish reasonable license fees and 70 promulgate rules and regulations as it considers necessary to 71 carry out the provisions of this section. The holder of a limited 72 faculty medical license shall be subject to all the laws of the 73 State of Mississippi governing the practice of medicine.

74 SECTION 2. Section 1 of this act shall be codified as a new
75 section in Chapter 25, Title 73, Mississippi Code of 1972.
76 SECTION 3. This act shall take effect and be in force from

77 and after July 1, 2003.
