182 appropriated therefor, it is the intent of the Legislature to
183 fully fund grant awards to eligible students. If funds are
184 insufficient to fully fund grant awards to eligible students,
185 grant awards shall be prorated among all eligible students. No
186 student shall receive any combination of student financial aid in
187 excess of the cost of attendance as defined in subsection (8)(a).

193 board when conducting an assessment of the financial resources

194 available to the student. In no case shall any student receive
195 any combination of student financial aid that would exceed the
196 cost of attendance, as defined in subsection (8)(a).

197 For purposes of this section, certificated shall mean but not
198 be limited to all postsecondary vocational programs in eligible
