APPROPRIATION TO THE BUREAU OF NARCOTICS; AND FOR RELATED
PURPOSES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Chapter 100, Laws of 2002, is amended as follows:

Section 1. The following sum, or so much thereof as may be
necessary, is hereby appropriated out of any money in the State
General Fund not otherwise appropriated, for payment of the
expenses of the Mississippi Bureau of Narcotics of the Mississippi
Department of Public Safety, created by Section 41-29-101 et seq.,
Mississippi Code of 1972, for the fiscal year beginning

Mississippi Bureau of Narcotics of the Mississippi Department of

by or otherwise available to the agency, for the support and
maintenance of the agency for the fiscal year beginning
July 1, 2002, and ending June 30, 2003......... $ 2,682,249.00.

          Part Time.............  2
Time-Limited: Full Time ............ 0

Funds are provided herein to adjust the Variable Compensation Plan to ensure that all full-time employees receive a pay increase equal to fifty percent (50%) of the realignment component of the Variable Compensation Plan or Six Hundred Dollars ($600.00), whichever is greater, beginning on January 1, 2003.

With the funds herein appropriated, it is the intention of the Legislature that it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2004 do not exceed Fiscal Year 2003 funds appropriated for that purpose, unless programs, positions or pay increases are added to the agency's budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall, on July 1, 2002, publish separate annual projection reports, based on July 1, 2002, data, for the period of July 1, 2002, through December 31, 2002, and January 1, 2003, through June 30, 2003, that project the annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected cost and/or the Fiscal Year 2003 appropriation for "Personal Services," as annualized on a semiannual basis in accordance with the provisions of this act. If, at the end of any calendar month, the State Personnel Board determines that the agency has taken action(s) which would cause the agency to exceed this projected annual cost or the Fiscal Year 2003 "Personal Services" appropriated level, when annualized in compliance with the provisions of this act, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.
Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

Section 4. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency. Based on the funding authorized, this agency shall make every effort to attain the targeted performance measures provided below:

However, the Bureau of Narcotics Director shall have the authority to authorize compensatory time in excess of 300 hours for exempt and nonexempt sworn officers to carry out the duties and functions of the Department of Public Safety during times of extraordinary or unusual public safety risks, or for federally funded call back details, or for full or part time assignments to federally funded task forces. However, at no time will compensation of FLSA nonexempt or exempt sworn officers exceed in total the compensation of the agency head pursuant to Section 25-3-39(2), Mississippi Code of 1972.
