Mississippi having unused, accumulated sick leave or annual leave
earned prior to July 1, 1984, shall be credited with major medical
leave and personal leave as follows: All unused annual leave

(5) Upon retirement from active employment each faculty
member of the state-supported public universities who is employed
on a nine-month basis shall receive credit and be paid for not
more than thirty (30) days of unused major medical leave for
service as a state employee. Unused major medical leave in excess
of thirty (30) days shall be counted as creditable service for the
purposes of the retirement system as provided in Sections
25-11-103 and 25-13-5.
(6) Any officer of the Mississippi Highway Safety Patrol who is injured by wound or accident in the line of duty shall not be required to use earned major medical leave during the period of recovery from such injury.

(7) For the purpose of Sections 25-3-91 through 25-3-99, the earned major medical leave of each employee shall be credited monthly after the completion of each calendar month, and the appointing authority shall not increase the amount of major medical leave to an employee's credit. It shall be unlawful for an appointing authority to grant major medical leave in an amount greater than was earned and accumulated by the officer or employee.

(8) Any employee may donate a portion of his or her earned personal leave or major medical leave to another employee who is suffering from a catastrophic injury or illness, as defined in Section 25-3-91, or to another employee who has a member of his or her immediate family who is suffering from a catastrophic injury or illness, in accordance with the following:

(a) The employee donating the leave (the "donor employee") shall designate the employee who is to receive the leave (the "recipient employee") and the amount of earned personal leave and major medical leave that is to be donated, and shall notify the donor employee's appointing authority or supervisor of his or her designation. The donor employee's appointing authority or supervisor then shall notify the recipient employee's appointing authority or supervisor of the amount of leave that has been donated by the donor employee to the recipient employee.

(b) The maximum amount of earned personal leave that an employee may donate to any other employee may not exceed a number of days that would leave the donor employee with fewer than seven (7) days of personal leave left, and the maximum amount of earned major medical leave that an employee may donate to any other
employee may not exceed fifty percent (50%) of the earned major medical leave of the donor employee.

(c) An employee must have exhausted all of his or her earned personal leave and major medical leave before he or she will be eligible to receive any leave donated by another employee.

(d) Before an employee may receive donated leave, he or she must provide his or her appointing authority or supervisor with a physician's statement that states the beginning date of the catastrophic injury or illness, a description of the injury or illness, and a prognosis for recovery and the anticipated date that the recipient employee will be able to return to work.

(e) If an employee is aggrieved by the decision of his or her appointing authority that the employee is not eligible to receive donated leave because the injury or illness of the employee or member of the employee's immediate family is not, in the appointing authority's determination, a catastrophic injury or illness, the employee may appeal the decision to the employee appeals board.

(f) If the total amount of leave that is donated to any employee is not used by the recipient employee, the donated leave shall be returned to the donor employees on a pro rata basis, based on the ratio of the number of days of leave donated by each donor employee to the total number of days of leave donated by all donor employees.

(g) The failure of any appointing authority or supervisor of any employee to properly deduct an employee's donation of leave to another employee from the donor employee's earned personal leave or major medical leave shall constitute just cause for the dismissal of the appointing authority or supervisor.

(h) Donated leave shall not be used in lieu of disability retirement.
(i) For the purposes of this subsection, "immediate family" means spouse, parent, stepparent, sibling, child or stepchild.

(j) This subsection shall stand repealed from and after July 1, 2005.

SECTION 3. This act shall take effect and be in force from and after July 1, 2003.
