AN ACT TO AMEND SECTION 43-20-5, MISSISSIPPI CODE OF 1972, TO EXTEND THE AUTOMATIC REPEALER ON THE STATUTE PROVIDING FOR EXEMPTION FROM CHILD-CARE FACILITY LICENSURE FOR CERTAIN ACCREDITED PROGRAMS; AND FOR RELATED PURPOSES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 43-20-5, Mississippi Code of 1972, is amended as follows:

43-20-5. When used in this chapter, the following words shall have the following meanings:

(a) "Child-care facility" means a place which provides shelter and personal care for six (6) or more children who are not related within the third degree computed according to the civil law to the operator and who are under thirteen (13) years of age, for any part of the twenty-four-hour day, whether such place be organized or operated for profit or not. The term "child-care facility" includes day nurseries, day care centers and any other facility that falls within the scope of the definitions set forth above, regardless of auspices. Exemptions from the provisions of this chapter include:

(i) Child-care facilities which operate for no more than two (2) days a week, whose primary purpose is to provide respite for the caregiver or temporary care during other scheduled or related activities and organized programs which operate for three (3) or less weeks per year such as, but not limited to, vacation bible schools and scout day camps.

(ii) Any child residential home as defined in, and in compliance with the provisions of, Section 43-16-3(b) et seq.
(iii) 1. Any elementary, including kindergarten, and/or secondary school system, accredited by the Mississippi State Department of Education, the Southern Association of Colleges and Schools, the Mississippi Private School Education Association, the American Association of Christian Schools, the Association of Christian Schools International, and any Head Start program operating in conjunction with an elementary school system, whether it be public, private or parochial, whose primary purpose is a structured school or school readiness program.

2. Accreditation, for the purpose of exemption from the provisions of this chapter, means a. receipt by any school or school system of full accreditation from an accrediting entity listed in item 1 of this subparagraph (iii), or b. proof of application by the school or school system for accreditation status from the accrediting entity. Proof of application for accreditation status shall include, but not be limited to, a copy of the applicant's completed application for accreditation filed with the licensing agency and a letter or other authenticating documentation from a signatory authority with the accrediting entity that the application for accreditation has been received and that the applicant is currently under consideration or review for full accreditation status by the accrediting entity. An exemption for a nonaccredited applicant under this item 2 shall be for a maximum of one (1) year from the receipt date by the licensing agency of the completed documentation for proof of application for accreditation status. Failure to receive full accreditation by the end of the one-year exemption period for a nonaccredited applicant shall result in the nonaccredited applicant no longer remaining exempt from the provisions of this chapter at the end of the one-year period. However, if full accreditation is not received by the end of the one-year exemption period, the State Board of Health, in its discretion, may extend the exemption period for any nonaccredited
applicant for periods of six (6) months, with the total extension not to exceed one (1) year. During any such extension periods, the board shall have the authority to enforce child-care facility licensure provisions relating to the health and safety of the children in the school or school system. If a nonaccredited applicant fails to receive full accreditation by the end of all extended exemption periods, the applicant shall no longer remain exempt from the provisions of this chapter at the end of the extended exemption periods. **This item 2 shall stand repealed on July 1, 2004.**

(iv) Any membership organization affiliated with a national organization which charges only a nominal annual membership fee, does not receive monthly, weekly or daily payments for services, and is certified by its national association as being in compliance with the association's minimum standards and procedures, including, but not limited to, the Boys and Girls Club of America, and the YMCA.

(v) Any family child-care home as defined in Section 43-20-53(a) et seq.

The child-care facility license shall be issued in the name of the operator, or, if there is more than one (1) operator, in the name
of one (1) of the operators. If there is more than one (1) operator, all statutory and regulatory provisions concerning the background checks of operators shall be equally applied to all operators of a facility, including, but not limited to, a spouse who jointly owns, operates or maintains the child-care facility regardless of which particular person is named on the license.
