

By: Senator(s) Posey

To: Wildlife and Fisheries

COMMITTEE SUBSTITUTE
FOR
SENATE BILL NO. 2524

1 AN ACT TO AMEND SECTION 49-7-41, MISSISSIPPI CODE OF 1972, TO
2 ALLOW BUCKS WITH LESS THAN FOUR POINTS TO BE TAKEN IF NECESSARY TO
3 MANAGE DEER ON DMAP LANDS; TO REQUIRE PERMIT TO TAKE SUCH BUCKS;
4 TO REQUIRE AN ANNUAL REPORT ON THE PROGRAM; AND FOR RELATED
5 PURPOSES.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

7 **SECTION 1.** Section 49-7-41, Mississippi Code of 1972, is
8 amended as follows:

9 49-7-41. (1) The commission may set the bag limits for game
10 animals, birds and fish, unless the bag limits are established by
11 the Legislature by statute. This subsection shall stand repealed
12 on July 1, 2004.

13 (2) (a) The bag limit on antlered buck deer is one (1) buck
14 per day, not to exceed three (3) per license year. An antlered
15 buck deer must have antlers of four (4) points or greater to be
16 taken except as provided in paragraph (2)(b).

17 (b) A buck deer with less than four (4) points may be
18 taken by permit if it is necessary to manage deer on lands under
19 the deer management assistance program or wildlife management
20 areas. The department may only issue permits to clubs, landowners
21 and wildlife management areas that are under the guidance of an
22 approved DMAP consultant or department wildlife biologist. A
23 written management justification must accompany any request for
24 such permits. Any buck deer with less than four (4) points
25 harvested under this permit must be identified with a tag
26 immediately upon possession. Buck deer taken by permit shall not
27 apply to the annual bag limit on antlered buck deer. The
28 department shall file an annual report with the commission and

29 with the Chairman of the Senate Wildlife and Fisheries Committee
30 and the Chairman of the House Game and Fish Committee.

31 (3) (a) The bag limit on antlerless deer is one (1) per
32 day, not to exceed three (3) per license year; except that two (2)
33 additional antlerless deer per license year may be taken with a
34 bow and arrow. Antlerless deer may be taken only in the areas
35 prescribed by order of the commission. It is illegal to take a
36 spotted fawn in any season.

37 (b) It is unlawful for a nonresident to kill an
38 antlerless deer except: (i) a nonresident may take antlerless
39 deer on lands that the title is vested in the nonresident or on
40 lands that the nonresident has leased the hunting and fishing
41 rights; or (ii) a nonresident who has a native son or daughter
42 nonresident lifetime sportsman license or a resident lifetime
43 sportsman license may take antlerless deer on private lands,
44 wildlife management areas or national wildlife refuges.

45 (4) The bag limit on antlerless deer set by this section
46 shall not apply to private lands under the deer management
47 assistance program or the fee-based antlerless program as approved
48 by the department.

49 **SECTION 2.** This act shall take effect and be in force from
50 and after July 1, 2003.
