693 (9) The State Treasurer is authorized to certify to the  
694 Department of Finance and Administration the necessity for  
695 warrants, and the Department of Finance and Administration is  
696 authorized and directed to issue such warrants payable out of any  
697 funds appropriated by the Legislature under this section for such  
698 purpose, in such amounts as may be necessary to pay when due the

712 a majority of its members.

713 (11) In anticipation of the issuance of bonds hereunder, the

716 company or other lending institution or to issue and sell interim  
717 notes for the purpose of making any payments authorized under this  
718 section. All borrowings made under this provision shall be  
719 evidenced by notes of the state which shall be issued from time to  
720 time, for such amounts not exceeding the amount of bonds  
721 authorized herein, in such form and in such denomination and

722 subject to such terms and conditions of sale and issuance,  
723 prepayment or redemption and maturity, rate or rates of interest  
724 not to exceed the maximum rate authorized herein for bonds, and  
725 time of payment of interest as the State Bond Commission shall  
726 agree to in such agreement. Such notes shall constitute general  
727 obligations of the state and shall be backed by the full faith and  
728 credit of the state. Such notes may also be issued for the  
729 purpose of refunding previously issued notes; except that no notes  
730 shall mature more than three (3) years following the date of  
731 issuance of the first note hereunder and provided further, that  
732 all outstanding notes shall be retired from the proceeds of the  
733 first issuance of bonds hereunder. The State Bond Commission is  
734 authorized to provide for the compensation of any purchaser of the  
735 notes by payment of a fixed fee or commission and for all other  
736 costs and expenses of issuance and service, including paying agent  
737 costs. Such costs and expenses may be paid from the proceeds of  
738 the notes.

739 (12) The bonds and interim notes authorized under the  
740 authority of this section may be validated in the First Judicial

742 the manner and with the force and effect provided now or hereafter  
743 by Chapter 13, Title 31, Mississippi Code of 1972, for the  
744 validation of county, municipal, school district and other bonds.  
745 The necessary papers for such validation proceedings shall be  
746 transmitted to the State Bond Attorney, and the required notice  
747 shall be published in a newspaper published in the City of  
748 Jackson, Mississippi.

749 (13) Any bonds or interim notes issued under the provisions  
750 of this chapter, a transaction relating to the sale or securing of  
751 such bonds or interim notes, their transfer and the income  
752 therefrom shall at all times be free from taxation by the state or  
753 any local unit or political subdivision or other instrumentality  
754 of the state, excepting inheritance and gift taxes.

755           (14) All bonds issued under this chapter shall be legal  
756 investments for trustees, other fiduciaries, savings banks, trust  
757 companies and insurance companies organized under the laws of the  
758 State of Mississippi; and such bonds shall be legal securities  
759 which may be deposited with and shall be received by all public

765 validating bonds herein provided for, and the Bond Commission is  
766 hereby authorized and empowered to expend from the proceeds  
767 derived from the sale of the bonds authorized hereunder all  
768 necessary administrative, legal and other expenses incidental and  
769 related to the issuance of bonds authorized under this chapter.

770           (16) There is hereby created a special fund in the State  
771 Treasury to be known as the Mississippi Major Economic Impact  
772 Authority Fund wherein shall be deposited the proceeds of the  
773 bonds issued under this chapter and all monies received by the  
774 authority to carry out the purposes of this chapter. Expenditures  
775 authorized herein shall be paid by the State Treasurer upon  
776 warrants drawn from the fund, and the Department of Finance and  
777 Administration shall issue warrants upon requisitions signed by  
778 the director of the authority.

779           (17) (a) There is hereby created the Mississippi Economic  
780 Impact Authority Sinking Fund from which the principal of and  
781 interest on such bonds shall be paid by appropriation. All monies  
782 paid into the sinking fund not appropriated to pay accruing bonds  
783 and interest shall be invested by the State Treasurer in such  
784 securities as are provided by law for the investment of the  
785 sinking funds of the state.

786           (b) In the event that all or any part of the bonds and  
787 notes are purchased, they shall be canceled and returned to the

788 loan and transfer agent as canceled and paid bonds and notes and  
789 thereafter all payments of interest thereon shall cease and the

792 as possible after cancellation but not later than two (2) years  
793 after cancellation. A certificate evidencing the destruction of  
794 the canceled bonds, notes and coupons shall be provided by the  
795 loan and transfer agent to the seller.

796 (c) The State Treasurer shall determine and report to  
797 the Department of Finance and Administration and Legislative  
798 Budget Office by September 1 of each year the amount of money  
799 necessary for the payment of the principal of and interest on

801 times and amounts of the payments. It shall be the duty of the  
802 Governor to include in every executive budget submitted to the  
803 Legislature full information relating to the issuance of bonds and
