103 **SECTION 4.** Section 69-25-7, Mississippi Code of 1972, is 104 amended as follows:

105 69-25-7. (1) The Commissioner of Agriculture and Commerce is 106 empowered to conduct such inspections and promulgate and enforce 107 such quarantine regulations as may be necessary in carrying out 108 the provisions of this article.

(2) The Commissioner of Agriculture and Commerce shall from 109 time to time make rules and regulations for carrying out the 110 provisions and requirements of this article, including rules and 111 112 regulations under which his inspectors and other employees shall (a) inspect places, plants and plant products, and things, and 113 114 substances used or connected therewith, (b) investigate, control, eradicate and prevent the dissemination of insect pests, diseases 115 and noxious weeds, and (c) supervise or cause the treatment, 116 cutting and destruction of plants and plant products and other 117 things infested or infected therewith, but no such rule or 118 119 regulation shall be effective unless first submitted to and approved by the advisory board established under the provisions of 120 121 Section 69-25-3. The inspectors and employees employed by the commissioner shall have authority to carry out and execute the 122 regulations and orders of the * * * commissioner and shall have 123 authority under direction of the commissioner to carry out the 124 provisions of this article. 125

SECTION 5. Section 69-25-9, Mississippi Code of 1972, is amended as follows:

128 69-25-9. The Commissioner of Agriculture and Commerce shall 129 keep himself informed as to known varieties of insect pests<u>,</u> 130 diseases <u>and noxious weeds, their</u> origin, locality, nature and 131 appearance thereof, the manner in which they are disseminated, and 132 approved methods of treatment and eradication.

133The Commissioner of Agriculture and Commerce, in his rules134and regulations made pursuant to this article, shall list the

insect pests, diseases and noxious weeds, of which he shall find 135 136 that the introduction into, or the dissemination within, this state should be prevented in order to safeguard the environment, 137 138 agricultural and horticultural production and the plants and plant 139 products of this state, together with the plants and plant 140 products and other things likely to become infested or infected with such insect pests, diseases and noxious weeds. Every such 141 insect pest, disease and noxious weed listed, and every plant and 142 plant product and other thing infected therewith, is hereby 143 declared to be a public nuisance. Every person who has knowledge 144 145 of the presence of any insect pest, disease or noxious weed listed, as required by this section, in the rules and regulations 146 147 made pursuant to this article, in or upon any place, shall immediately report same to the commissioner or an inspector 148 therefor giving such detailed information relative thereto as he 149 150 may have. Every person who deals in or engages in the sale of 151 plants and plant products or other things infested or infected, or 152 likely to be or become so shall furnish to the commissioner or his inspectors, when requested, a statement of the names and addresses 153 154 of the persons from whom and the localities where he purchased or obtained such plants and plant products, and other things infested 155 156 or infected, or likely to be or become so.

157 SECTION 6. Section 69-25-11, Mississippi Code of 1972, is
158 amended as follows:

159 69-25-11. The inspections and the guarantine enforcement referred to in this article shall be conducted under the direction 160 161 of the Commissioner of Agriculture and Commerce by the Director of the Bureau of Plant Industry and the State Entomologist at 162 Mississippi State University of Agriculture and Applied Science 163 and such assistants as may become necessary. It shall be the duty 164 of the Director of the Bureau of Plant Industry and the State 165 166 Entomologist to make recommendations to the commissioner regarding 167 quarantines and regulations.

S. B. No. 2793

168 SECTION 7. Section 69-25-15, Mississippi Code of 1972, is
169 amended as follows:

Whenever an inspection made pursuant to this 170 69-25-15. 171 article discloses that any places, or plants, or plant products or 172 things or substances used or connected therewith, are infested or 173 infected with any insect, pest, disease or noxious weed listed as a public nuisance, or are dead or of stock so seriously weakened 174 by drying, excessive heat or cold, or any other condition that 175 makes it unable to grow satisfactorily when given reasonable care, 176 as required above herein, in the rules and regulations made 177 178 pursuant hereto, written notice thereof shall be given the owner or other person in possession or control of the place where found 179 180 and such owner or other person shall proceed to control, eradicate or prevent the dissemination of such insect, pest, disease or 181 noxious weed, and to remove, cut or destroy infested and infected 182 plants and plant products, or dead or dying plants, or things or 183 substances used or connected therewith, within the time and in the 184 185 manner prescribed by said notice or the said rules and regulations. Whenever such owner or other person cannot be found, 186 187 or shall fail, neglect or refuse to obey the requirements of said notice and the rules and regulations so made, such requirements 188 189 shall be carried out by inspectors or other employees of the 190 Commissioner of Agriculture and Commerce as the law allows.

191 SECTION 8. Section 69-25-17, Mississippi Code of 1972, is 192 amended as follows:

69-25-17. It shall be unlawful for any person to bring or 193 194 cause to be brought into this state any plant or plant product or other thing listed as required above herein, in the rules and 195 regulations made pursuant hereto, unless thereby plainly and 196 legibly marked thereon or affixed thereto, or on or to the car or 197 other vehicle carrying, or the bundle, package or other container 198 199 of the same, in a conspicuous place, a statement or a tag or other device showing the names and addresses of the consignors or 200

shippers and the consignee or person to whom shipped, the general 201 202 nature and quantity of the contents, and the name of the locality where grown or shipped, together with a certificate of inspection 203 204 of the proper official of the state, territory, district or county 205 from which it was brought or shipped, showing that such plant or 206 plant product or other thing or substance was found or believed to be free from insect pests, diseases and noxious weeds, and any 207 other information required by the Commissioner of Agriculture and 208 Commerce such as certificates of fumigation. 209

210 **SECTION 9.** Section 69-25-19, Mississippi Code of 1972, is 211 amended as follows:

69-25-19. It shall be unlawful for any person to sell, give 212 213 away, carry, ship, or deliver for carriage or shipment within this state, any plants or plant products or other thing or substitute 214 listed, as required in such rules and regulations made by the 215 Commissioner of Agriculture and Commerce unless such plant or 216 217 plant products or other thing or substance have been officially 218 inspected and a certificate issued by an inspector of the commissioner stating that the * * * plants or plant products or 219 220 other thing or substance have been inspected and found to be apparently free from insect pests, diseases and noxious weeds, and 221 222 any other facts provided for in the rules and regulations made pursuant to this statute. For the issuance of such certificate, 223 the commissioner may require the payment of a reasonable fee to 224 225 cover the expense of such an inspection and certification provided, however, that if such plants or plant products or other 226 227 thing or substance were brought into the state in compliance with the requirements of law such certificate required may be accepted 228 in lieu of the inspection and certificate required by this section 229 in such cases as shall be provided for in the rules and 230 regulations made hereunder. If it shall be found at any time that 231 232 a certificate of inspection issued or accepted pursuant to the provisions of this section is being used in connection with plants 233

and plant products or other things or substances which are 234 235 infested or infected with insect pests, diseases or noxious weeds listed in the rules and regulations, its further use may be 236 237 prohibited, subject to such inspection and other dispositions of 238 the plants and plant product involved as may be provided for by 239 the commissioner. All monies collected by the commissioner where not otherwise provided shall be deposited in the State Treasury to 240 the credit of the General Fund revenue receipts. 241

242 **SECTION 10.** Section 69-25-21, Mississippi Code of 1972, is 243 amended as follows:

244 69-25-21. Any person in this state who receives from without the state any plant or plant product, or other thing or substance 245 246 as to which the requirements of section next before the last above have not been complied with, or who receives any plant or plant 247 product, or other thing or substance, sold, given away, carried, 248 shipped, or delivered for carriage or shipment within this state 249 250 as to which the requirements of next foregoing section have not 251 been complied with, shall immediately inform the Commissioner of Agriculture and Commerce or an inspector thereof and isolate and 252 253 hold the * * * plant or plant product or other thing or substance unopened or unused subject to such inspection and other 254 255 disposition as may be provided for by the commissioner.

256 **SECTION 11.** Section 69-25-23, Mississippi Code of 1972, is 257 amended as follows:

258 69-25-23. Whenever the Commissioner of Agriculture and Commerce finds that there exists outside of this state any 259 260 destructive or nuisance insect pest, disease or noxious weed, the commissioner may give public notice thereof, specifying the 261 locations, the plants and the plant products infested, infected or 262 declared noxious and which are likely to become infested or 263 infected therewith. In order to safeguard the environment, 264 265 agricultural and horticultural production, plants and plant products, the movement of such plants or plant products or other 266

267 <u>things or substances into this state from the infected or infested</u>
268 <u>locality shall thereafter be prohibited until the commissioner</u>
269 <u>determines that the danger of the introduction into this state of</u>
270 <u>such insect pests, diseases or noxious weeds from such locality</u>
271 has ceased to exist.

272 SECTION 12. Section 69-25-25, Mississippi Code of 1972, is 273 amended as follows:

274 69-25-25. Whenever the Commissioner of Agriculture and Commerce shall find that there exists in this state, or any part 275 thereof, any insect pest, disease or noxious weed, and that its 276 277 dissemination should be controlled or prevented, the commissioner shall give public notice thereof, specifying the plants or plant 278 279 products or other thing or substance infested, infected or declared noxious or likely to become infested or infected 280 therewith, and the movement, planting or other use of any such 281 plant or plant product, or other thing or substance specified in 282 such notice as likely to carry and disseminate such insect pest, 283 284 disease or noxious weed, except under such conditions as shall be prescribed by the commissioner as to inspection, treatment and 285 286 disposition, shall be prohibited within such area as may be designated in the public notice until the commissioner shall find 287 288 that the danger of the dissemination of such insect pest, disease or noxious weed has ceased to exist, of which the commissioner 289 290 shall give public notice.

291 SECTION 13. Section 69-25-27, Mississippi Code of 1972, is 292 amended as follows:

293 69-25-27. By virtue of the powers conferred herein and for 294 the purpose of protecting the <u>environment, agricultural and</u> 295 <u>horticultural production, the</u> plant life and plant products of 296 this state, the Commissioner of Agriculture and Commerce may 297 prevent and prohibit the introduction into the state for the 298 purpose of transportation through the state of any such plants and 299 plant products or other things or substance hereinbefore mentioned

300 to the same extent and for the same purpose and with the same

301 authority that is provided above with reference to the

302 introduction of the same into the state.

303 **SECTION 14.** Section 69-25-33, Mississippi Code of 1972, is 304 amended as follows:

69-25-33. The boards of supervisors in the various counties 305 of the state and the governing bodies in the various 306 municipalities of the state are hereby authorized and empowered, 307 308 in their discretion, to appropriate money out of the general funds of the counties and municipalities to be used for the purpose of 309 310 cooperating with the Commissioner of the Department of Agriculture and Commerce in eradicating serious insect pests, rodents, plant 311 312 parasites, plant diseases and noxious weeds and in protecting the counties and municipalities from serious insect pests, rodents, 313 plant parasites, plant diseases and noxious weeds. 314

315 * * *

316 **SECTION 15.** Section 69-25-47, Mississippi Code of 1972, is 317 amended as follows:

69-25-47. Any person who shall violate any provisions or 318 319 requirements of this article, or of the rules and regulations made or of any notice given pursuant thereto or shall forge, 320 321 counterfeit, deface, destroy or wrongfully use any certificate provided for herein or in the rules and regulations made pursuant 322 thereto, shall be deemed guilty of a misdemeanor and upon 323 324 conviction thereof shall be punished by a fine of not more than One Thousand Dollars (\$1,000.00) or by imprisonment for not more 325 326 than six (6) months or by both such fine and imprisonment at the discretion of the court having jurisdiction. 327

328 **SECTION 16.** This act shall take effect and be in force from 329 and after July 1, 2003.
