MISSISSIPPI LEGISLATURE

By: Senator(s) Gollott, Cuevas, Dawkins, Hewes, Lee

To: Local and Private; Finance

COMMITTEE SUBSTITUTE FOR SENATE BILL NO. 2899

1 AN ACT TO PROVIDE A METHOD FOR THE MANAGEMENT OF STORM WATER 2 AND OTHER NONPOINT SOURCE POLLUTION; TO CREATE THE HARRISON COUNTY 3 STORM WATER MANAGEMENT DISTRICT AND TO DEFINE ITS DUTIES, POWERS 4 AND RESPONSIBILITIES; TO AUTHORIZE PUBLIC AGENCIES TO CONTRACT 5 WITH THE DISTRICT; TO AUTHORIZE THE CONSOLIDATION OF THE HARRISON 6 COUNTY WASTEWATER AND SOLID WASTE MANAGEMENT DISTRICT AND THE 7 HARRISON COUNTY STORM WATER MANAGEMENT DISTRICT BY JOINT 8 RESOLUTION OF SUCH DISTRICTS; AND FOR RELATED PURPOSES.

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:
 10 SECTION 1. This act shall be known, and may be cited as, the
 11 "Harrison County Storm Water Management District Act."

SECTION 2. (1) It is hereby found and declared that 12 management and proper disposal of storm water is an important 13 public concern; that pollution from inadequate or uneconomical 14 management and/or disposal of storm water and other nonpoint 15 source pollution can adversely affect the economy and growth of 16 the state; and that the need for more adequate and economical 17 storm water and nonpoint source pollution management is most acute 18 within certain counties. 19

It is further found and declared that it is in the 20 (2)public interest to foster and promote by all reasonable means the 21 abatement of storm water and other nonpoint source pollution, 22 including pollution caused by septic tanks and thus to facilitate 23 the abatement of such pollution in the most economically 24 advantageous manner, including through the realization of 25 economies of scale; that the abatement of such pollution can best 26 be accomplished through the establishment of a management district 27 28 to provide for the planning and financing of adequate storm water and other nonpoint source pollution planning, management and 29 prevention, and the facilities therefor (on a qualitative and 30

S. B. No. 2899 03/SS01/R886CS.2 PAGE 1 N3/5

31 quantitative basis) for the benefit of all public agencies and 32 other persons within Harrison County who desire by means of and 33 through such authority to obtain such facilities and services.

34 (3) It is further found and declared that to aid in 35 remedying these conditions, and to promote the most economical 36 development and operation of adequate storm water and other nonpoint source pollution planning, management and prevention, and 37 the facilities therefor, a public body corporate and politic of 38 the state shall be created with authority to cause and assist in 39 compliance with the standards established by law regarding such 40 41 facilities to plan, acquire, construct, finance, develop, own, operate or maintain such facilities within Harrison County to 42 43 abate pollution from storm water and other nonpoint sources; and to apply and contract for and to accept grants-in-aid and other 44 funds from the federal government and the state government and 45 their agencies. 46

It is further found and declared that it is necessary in 47 (4)48 order to accomplish the objectives and purposes of the Harrison County Storm Water Management District and the public agencies 49 50 with which it contracts, for such district and such public agencies, in the implementation of the powers granted pursuant to 51 52 this act, to be authorized to engage in conduct which may be anticompetitive or contrary to prohibition of federal or state 53 antitrust laws; and accordingly, it is the intent and policy of 54 55 this act to displace competition with respect to those powers authorized herein to be exercised by such district and such public 56 57 agencies.

(5) The Legislature further finds that the authority and powers conferred under this act and the expenditure of public money pursuant thereto constitute a valid public purpose; that the creation and establishment of the Harrison County Storm Water Management District is necessary and essential to the accomplishment of the aforesaid purposes; that this act operates

64 on a subject in which the state at large is interested; and that 65 each of these matters are declared as a matter of express 66 legislative determination.

67 **SECTION 3.** Whenever used in this act, the following words 68 and terms shall have the following respective meanings unless a 69 different meaning clearly appears from the context:

(a) "Collection and management facilities" means, such pipes, collection facilities, trunk lines, storm drains, retention facilities, pretreatment and treatment facilities and other related facilities which as the district shall deem necessary or advisable for the abatement of pollution from storm water and other nonpoint source pollution.

76

(b) "County" means Harrison County.

(c) "Ditch" means any branch or lateral drain, tile drain, levee, sluiceway, water course, floodgate, and any other construction work found necessary for the reclamation of wet overflow lands.

81 (d) "District" means the Harrison County Storm Water82 Management District.

(e) "Facilities" mean any structure, building, ditch,
pipe, channel, improvement, land or other real or personal
property used or useful in storm water management system under
this act.

87 (f) "Other nonpoint source pollution" means any runoff
88 which causes or contributes to cause pollution or degradation of
89 the receiving waters.

90 (q) "Person" means a natural person, public agency, cooperative or private corporation, association, firm, partnership 91 or business trust or other entity of any nature whatsoever, 92 organized and existing under the laws of any state or of the 93 94 United States or any instrumentality thereof. 95 (h) "Project" means the collection, conveyance, retention, detention and any other portion of a storm water 96

management system and any property, real or personal, used as or 97 98 in connection with those purposes. (i) 99 "Project cost" means: 100 All costs of site preparation and other (i) 101 start-up costs; (ii) All costs of construction; 102 103 (iii) All costs of real and personal property required for the purposes of the project and facilities related 104 105 thereto, including land and any rights or undivided interest therein, easements, franchises, fees, utility charges, permits, 106 107 approvals, licenses, and certificates and the securing of any permits, approvals, licenses and certificates and all machinery 108 109 and equipment, including motor vehicles which are used for project functions; 110 (iv) All costs of engineering, geotechnical, 111 architectural and legal services; 112 All costs of plans and specifications and all 113 (v) 114 expenses necessary or incident to determining the feasibility or practicability of the project; 115 116 (vi) Administrative expenses; and 117 (vii) Any other expenses as may be necessary or 118 incidental to the project financing. (j) "Public agency" means any incorporated city or 119 town, county, political subdivision, governmental district or 120 121 unit, public corporation or governmental agency created under the laws of the state, lying wholly or partially within the management 122 123 area. (k) "Septic tank" means any private wastewater 124 treatment system, including septic tanks, privy vaults, cesspools, 125 surface and subsurface soil absorption systems, land dispersal 126 systems, and any other kind of private wastewater treatment system 127 128 the contents of which, if introduced into the waters of the State

129 of Mississippi or of the United States, would cause pollution or 130 degradation of such waters.

131

(1) "State" means the State of Mississippi.

(m) "Storm water" means storm water runoff, snowmelt
runoff and surface drainage as defined at 40 CFR 122.26(b)(13).

134 (n) "Storm water management system" means a system which is designed and constructed, implemented or operated to 135 control storm water discharges to prevent or reduce flooding, over 136 137 drainage or water pollution or to otherwise affect the quantity of discharges from the system. The storm water management system 138 139 includes all pipes, channels, ditches, streams, wetlands, detention or retention basins, ponds or other storm water 140 141 conveyance or treatment facilities.

SECTION 4. (1) There is hereby created and established a 142 public body corporate and politic constituting a political 143 subdivision of the State of Mississippi to be known as the 144 "Harrison County Storm Water Management District." The district 145 146 shall be deemed to be acting in all respects for the benefit of the people of the state in the performance of essential public 147 148 functions and the district shall be empowered in accordance with the provisions of this act to promote the health, welfare and 149 150 prosperity of the general public.

(2) The district and the Harrison County Wastewater and Solid Waste Management District created by Chapter 885, Local and Private Laws of 1982, and by Chapter 862, Local and Private Laws of 1986, are hereby authorized to be consolidated into a single agency, to be known as the Harrison County Wastewater, Storm Water and Solid Waste Management District, which shall be a continuance of the corporate existence of those districts.

(3) As used in this section, the words "original districts"
refer to the districts which are authorized to be consolidated
pursuant to subsection (2) of this section before their

161 consolidation, and the word "district" refers to the single 162 district resulting from that consolidation.

Such consolidation may be effected by the unanimous resolution of the original district and the filing of a copy of such resolution with the Secretary of State, certified by the secretaries of each of the original districts.

167 (4) In the event the original districts are consolidated in168 to the district, the following provisions shall apply:

(a) All property, rights and powers of each of the
original districts are hereby vested in and shall be exercised by
the district, subject, however, to all pledges, covenants,
agreements and trusts made or created by the original districts,
respectively.

174 All debts, liabilities, obligations, agreements and (b) 175 covenants of the original districts are hereby imposed upon the district. Any property of the original districts in which a 176 mortgage or security interest has been granted to any bondholders 177 or other creditors of either of the original districts shall 178 continue to be subject to that mortgage or security interest until 179 180 the mortgage or security interest is defeased or terminated in accordance with its terms. All bondholders and other creditors of 181 the original districts and persons having claims against or 182 contracts with the original districts of any kind or character may 183 enforce those debts, claims or contracts against the district in 184 185 the same manner as they might have against the original districts, respectively, and the rights and remedies of those bondholders, 186 creditors and persons having claims or contracts shall not be 187 188 limited or restricted in any manner by this act.

(c) In continuing the functions and carrying out the contracts, obligations and duties of the original districts, the district is hereby authorized to act in its own name or in the name of either of the original districts as may be convenient or advisable. Any references to either of the original districts in

194 any other law or regulation shall be deemed to refer to and apply 195 to the district.

(d) All regulations of the original districts shall
continue to be in effect as the regulations of the district until
amended, supplemented or rescinded by the district in accordance
with law.

(e) All employees of the original districts shall
become employees of the district. Nothing in this act shall
affect the civil service status, if any, of those employees or
their rights, privileges, obligations or status with respect to
any pension or retirement system.

(f) The district shall be governed by the consolidated
boards of directors of the original districts, which shall
continue as a single board governed by the provisions of this act.

The district as hereby established shall be a public 208 (5) body corporate and politic constituting a political subdivision of 209 the State of Mississippi. The district shall be deemed to be 210 211 acting in all respects for the benefit of the people of the state in the performance of essential public functions and the district 212 213 shall be empowered in accordance with the provisions of this act to promote the health, welfare and prosperity of the general 214 215 public.

SECTION 5. All powers of the district shall be vested 216 (1) in a board of directors. The mayor, acting in his executive 217 218 capacity of each incorporated city located within the management area, shall serve as a director. In addition, the Board of 219 Supervisors of Harrison County, by majority vote thereof, shall 220 appoint a citizen of the county to serve, at the will and pleasure 221 of the board of supervisors, as a director of such board of 222 223 directors, and he shall enjoy equal powers with each and every member thereof. Each director may designate a person to represent 224 225 him at meetings of the board, and each designee may lawfully vote 226 and otherwise act on behalf of the director who designates the

designee. Any designation shall be in writing, delivered to the 227 228 public agency for whom he constitutes the designee, and to the district and shall continue in effect until revoked or amended by 229 230 writing and delivered to the public agency and the district. All 231 actions affecting rates, bonds or capital improvements shall be by unanimous vote of all members of the board. A majority of the 232 members of the board shall constitute a quorum for lawful action 233 by the board. 234

The board of directors may elect or appoint and (2) 235 prescribe the duties of such officers as the board of directors 236 237 deem necessary or advisable, including an executive director and a secretary. The executive director, who, at the discretion of the 238 239 board of directors, may also serve as secretary, shall be a person 240 of good moral character and shall be a professional engineer registered in the State of Mississippi with a minimum of ten (10) 241 242 years recent practical experience in the management and administration of public works operations which may include, but 243 244 is not limited to, supervision, public financing, regulatory codes and related functions as minimum qualifications to administer the 245 246 programs and duties of the district. The executive director shall 247 administer, manage and direct the affairs and business of the 248 district, subject to the policies, control and direction of the 249 board of directors. The executive director shall give bond executed by a surety company or companies authorized to so 250 251 business in this state in the sum of not less than Twenty-five Thousand Dollars (\$25,000.00) payable to the district, conditioned 252 upon faithful performance of his duties and the proper accounting 253 254 for all funds which may come into his hands as executive director. 255 The secretary of the district shall keep a record of the 256 proceedings of the district and shall be custodian of all books, documents and papers filed with the district, the minute book or 257 258 journal of the district and its official seal. The secretary 259 shall have authority to cause copies to be made of all minutes and

other records and documents of the district and to certify under the seal of the district that such copies are true and accurate copies, and all persons dealing with the district may rely upon such certificates.

SECTION 6. The district shall have all of the rights and powers necessary or convenient to carry out and effectuate the purposes and provisions of this act, including, but without limiting the generality of the foregoing, the right and power:

268 (a) To sue and be sued in its own name;

(b) To adopt an official seal and alter it at thepleasure of the board;

(c) To maintain an office or offices at such place orplaces within the management area as it may determine;

To plan, develop, acquire, construct, reconstruct, 273 (d) 274 operate, own, manage, lease (as lessor or lessee), dispose of, participate in, maintain, repair, extend or improve one or more 275 storm water and other nonpoint source pollution collection and 276 277 management facilities, whether or not such facilities or are to be owned by the district; to acquire, construct, improve or modify, 278 279 to operate or cause to be operated and maintained, either as owner of all or of any part in common with others, a storm water 280 281 management system within the counties or municipalities in the 282 district. The district may pay all or part of the costs of any storm water management system from any contribution by person, 283 284 firms, public agencies or corporations. The district may receive, accept and use all funds, public or private and pay all cost of 285 development, implementation and maintenance as may be determined 286 287 as necessary for any project;

(e) To apply for any necessary and proper permits for the conduct of any activities authorized by this act and any activities conducted by the district shall be subject to the issuance of all necessary and proper permits by the Mississippi 292 Department of Environmental Quality or other governmental entity 293 having jurisdiction regarding such activities;

(f) To hold permits related to the management of storm water on its own behalf and as administrative agent for other persons;

(g) To acquire, own, hold, use, lease (as lessor or lessee), sell or otherwise dispose of, mortgage, pledge or grant a security interest in any real or personal property, contract, commodity or service or interest therein;

(h) To make and enforce, and from time to time, amend and repeal, bylaws and rules and regulations for the management of its business and affairs and for the use, maintenance and operation of any of its collection and management facilities and any other of its properties;

306 (i) To fix, charge, collect, maintain and revise rates,
307 fees and other charges for any services rendered by it to any
308 public agency;

(j) To apply and contract for and to accept any grants or gifts or loans or appropriations of funds or property or financial or other aid in any form from the United States or any instrumentality thereof, or from the state or any instrumentality thereof, or from any source, public or private, and to comply with and make agreements with respect to the terms and conditions thereof;

316 (k) To invest any money of the district,

317 notwithstanding any law to the contrary, on such terms and in such 318 manner as the district deems proper;

319 (1) To procure insurance against any loss in connection
320 with its property, other assets and business in such amounts and
321 from such insurers as it may deem necessary or desirable;

322 (m) To employ architects, engineers, attorneys, 323 financial advisors and such other consultants as it deems proper 324 and to fix and pay their compensation and to appoint and retain

325 such officers, agents and employees as it deems proper and to fix 326 and pay their compensation;

327 (n) To enter on any lands, waters or premises for the
 328 purpose of making surveys, borings, sounding and examinations for
 329 the purposes of the district;

(o) To do and perform any acts and things authorized by
this act under, through or by means of its officers, agents and
employees or by contracts with any person;

To enter into any and all contracts of such nature 333 (p) and duration, execute any and all instruments, and do and perform 334 any and all acts or things necessary, convenient or desirable for 335 the purposes of the district, or to carry out any power expressly 336 granted in this act including, without limiting the generality of 337 the foregoing, contracts with public agencies and other persons 338 339 and such public agencies and other person are hereby also empowered to enter into such contracts with the districts which 340 may include provisions for exclusive dealing, fee payment 341 342 requirements, territorial division and other conduct or 343 arrangements which may have an anticompetitive effect; and

344 (a) To adopt an issue a certificate of necessity to use 345 the power of eminent domain, including the right of immediate possession, in the acquisition of real property. Upon the 346 adoption of such certificate of necessity, which shall state the 347 description of the real property needed to be acquired by eminent 348 349 domain, the authority shall transmit a copy of such certificate to 350 the Board of Supervisors of Harrison County, the governing authorities of any public entity with the power of eminent domain 351 352 or to any other entity with the power of eminent domain. Such 353 board or entities may initiate proceedings under the provisions of 354 Title 11, Chapter 27, Mississippi Code of 1972. The eminent domain proceedings thereby initiated shall be conducted according 355 356 to an governed by the provisions of Title 11, Chapter 27,

357 Mississippi Code of 1972.

SECTION 7. (1) The district shall have the power to adopt 358 359 and promulgate all reasonable rules and regulations regarding the specifications and standards relating to the construction, 360 361 operation and maintenance of all storm water and management 362 facilities located within any public agency which contracts with district pursuant to this act so as to cause compliance with the 363 364 standards established by any federal or state agency, and so as to 365 effect the abatement of pollution occasioned by storm water and other nonpoint source pollution, including pollution from septic 366 The district shall also have the power to adopt and 367 tanks. 368 promulgate all reasonable rules and regulations regarding the specifications and standards relating to the construction, 369 operation and maintenance of all storm water management facilities 370 either owned or operated by the district so as to cause compliance 371 with the above-described standards and to effect the abatement of 372 373 pollution.

(2) All such rules and regulations prescribed by the
district, after publication one (1) time in a newspaper of general
circulation in Harrison County, shall have the full force and
effect of law, and violation thereof shall be punishable by a fine
of not less than Fifty Dollars (\$50.00) and not more that Five
Hundred Dollars (\$500.00) per offense as may be prescribed in such
rules and regulations.

(3) In the event of a violation of any rule or regulation adopted by the district to cause compliance with the standards established by any federal or state agency, or to effect the abatement of pollution, the district in addition to enforcement authority continued herein, shall have authority to sue for and obtain damages or other appropriate relief, including injunctive relief.

388 (4) All such rules and regulations prescribed, and the
389 penalties fixed thereunder, by the authority of this act shall not
390 conflict with or suspend any rules, regulations or penalties
S. B. No. 2899

391 prescribed by general law. All fines and penalties levied and 392 collected under this act shall be remitted and accounted for in 393 accordance with the general law relating thereto.

394 **SECTION 8.** (1) Any public agency may, pursuant to a duly 395 adopted resolution of the governing body of such public agency, 396 enter into contracts with the district for the district to:

397 (a) Acquire, finance, lease (as lessor or lessee),
398 improve, extend, operate or maintain the collection and/or
399 management facilities of the public agency; or

(b) Acquire, finance, lease (as lessor or lessee), improve, extend, operate or maintain storm water collection and/or management facilities to be owned by the authority or any other person for the purpose of furnishing services to the public agency; including in each instance such contracts whereby the public agency is obligated to make payments in amounts which shall be sufficient to enable the district to meet its expenses.

If ten percent (10%) or fifteen hundred (1500), 407 (2)408 whichever is less, of the qualified electors of any affected 409 public agency shall file a written protest against entering into 410 such contract with the district on or before the date and time specified in such resolution, then an election on the question of 411 entering into such contract shall be called and held as set forth 412 in Section 9 of this act; however, in the event Harrison County is 413 an affected public agency, then the qualified electors of such 414 415 county shall mean the qualified electors of such county who reside within the unincorporated areas within such county's geographical 416 417 limits. If no such protest is filed, then such contracts may be issued without an election. Such contracts may also contain such 418 419 other terms and conditions as the authority and the public agency 420 may determine, including provisions whereby the public agency is obligated to make payments under such contracts irrespective of 421 422 whether or not use or services are rendered or whether or not the 423 collection or disposal facilities contemplated by such contracts

424 are completed, operable or operating, and notwithstanding 425 suspension, interruption, interference, reduction or curtailment 426 of the use or services of such collection or disposal facilities. 427 Such contract may be for a term covering the life of the 428 facilities or for any other term or for an indefinite period, and 429 may be made with or without consideration.

(3) Contracts referred to in this section may provide that 430 the obligation of a public agency to make payments to the district 431 432 with respect to certain storm water collection and/or management facilities is several, or is joint and several, with the 433 434 obligations of other public agencies or other persons contracting with the authority for the use or services of such treatment 435 436 facilities; and, where the public agency's obligation is joint and 437 several, then in the event any other public agency or other person defaults in his obligation, the public agency may be required to 438 increase its payments to the authority by a proportional amount, 439 taking into consideration the remaining persons who are likewise 440 441 contracting with the authority and who are not in default.

The obligations of a public agency arising under the 442 (4) 443 terms of any contract referred to in this section, shall not be 444 construed as being included within the indebtedness limitation of 445 the public agency for purposes of any constitutional or statutory 446 limitation or provision. To the extent provided in such contract and to the extent such obligations of the public agency are 447 448 payable solely from the revenues and other money derived by the public agency from the operation of its storm water management 449 facilities or any combination thereof which are the subject of 450 451 such contract, such obligations may be treated as expenses of operating such facilities. Charges for the use of the storm water 452 453 management system shall be reasonably calculated to reflect use of 454 the facilities made by properties in the district.

(5) Contracts referred to in this section may also providefor payments in the form of contributions to defray the cost of

457 any purpose set forth in the contracts and as advances for any 458 collection and/or management facilities which are subject to such 459 contracts. A public agency may make such contributions or 460 advances from its general fund or surplus fund or from any money 461 legally available therefor.

Contracts referred to in this section may, in order to 462 (6) provide effective and prompt cooperation and coordination of any 463 464 matters among persons contracting with the district as provided in this act, establish a coordinating committee of such persons. 465 Such committee shall consist of one (1) representative selected by 466 467 the district who shall be the coordinating committee's chairman, 468 and such other representatives from among the contracting parties 469 as shall be provided for by the terms of the contract. Such 470 coordinating committee shall have such rights and powers with respect to the subject matter of the contract as shall be provided 471 for therein. 472

(7) Payments made or to be made to the district by a public agency pursuant to a contract for the use or services of storm water management facilities shall be determined by the method specified in such contract and shall not be subject to approval or review by the Public Service Commission.

Where an election is to be called as 478 **SECTION 9.** (1) provided in Section 8 of this act, the governing authority of the 479 affected public agency shall publish a notice of such election 480 481 once a week for at least three (3) consecutive weeks in a newspaper having a general circulation within Harrison County. 482 The first publication of such notice shall be made not less than 483 twenty-one (21) days prior to the date fixed for such election and 484 485 the last publication shall be made not more than seven (7) days prior to such a date. 486

487 (2) An election provided for in this act shall be held in
488 the affected public agency, as far as practicable, in the same
489 manner as other elections are held in such affected public

agencies. At such election, all qualified electors of the 490 491 affected public agency may vote; however, in the event Harrison County is an affected public agency, then the qualified electors 492 493 of such county shall mean the qualified electors of such county 494 who reside within the unincorporated areas within Harrison County's geographical limits. The ballots used at such election 495 shall have printed thereon a brief statement of the nature of the 496 contract and the words "FOR THE CONTRACT" and "AGAINST THE 497 CONTRACT" and the voters shall vote by placing a cross (x) or 498 check mark $(\sqrt{)}$ opposite his choice on the proposition. 499

500 (3) When the results of the election shall have been canvassed by the respective election directors of the affected 501 502 public agencies and certified by them to the board of directors of 503 the district, it shall be the duty of the board of directors of 504 the district to determine and adjudicate whether or not a majority of the qualified electors who voted thereon in the affected public 505 agency voted in favor of the contract, and unless a majority of 506 507 the qualified electors who voted thereon in the affected public agency voted in favor of the contract, then such contract shall 508 509 not be entered into. Should a majority of the qualified electors who vote thereon in the affected public agency vote in favor of 510 511 entering into the contract, then the affected public agency may enter into the contract. 512

SECTION 10. If the district finds and records on its minutes that 513 514 the acquisition or construction of any collection and/or management facilities, or any interest therein, or any portion 515 516 thereof, or any property or any interest therein or any portion thereof, which is authorized by this act is available or can be 517 acquired or contracted for, from or with only a single source, 518 519 person, firm or corporation, then such acquisition or contract may be made or entered into without meeting the requirements of any 520 521 law relating to acquisition purchases or contracts by competitive If, after advertising for competitive bids as to other 522 bids.

523 proposed purchases, acquisition or contract, only one (1) bid is 524 received, the district may reject the bid and negotiate privately 525 any purchase, contract or acquisition for a consideration not 526 exceeding that proposed in the bid.

527 **SECTION 11.** The district shall cause an audit of its books 528 and accounts to be made at least once in each year by an 529 independent certified public accountant and the cost thereof may 530 be paid from any available money of the district.

SECTION 12. This act shall be deemed to provide an 531 additional, alternative and complete method for the doing of the 532 533 things authorized hereby and shall be deemed and construed to be supplemental and additional to any powers conferred by other law 534 535 on public agencies (including the provisions of Sections 51-39-1 through 51-39-43, Mississippi Code of 1972) and not in derogation 536 537 of any such powers now existing; provided, that insofar as the provisions of this act are inconsistent with the provisions of any 538 other law, general, special or local, (including the provisions of 539 540 Sections 51-39-1 through 51-39-43, Mississippi Code of 1972) now in existence or hereafter (unless with specific reference to this 541 542 act) adopted, the provisions of this act shall be controlling.

Except as expressly provided in this act, the actions 543 544 contemplated hereby, including, without limitation, the entering into of the contracts referred to in Section 8 of this act by the 545 district, the contracting public agencies and any other persons 546 547 thereto, and the setting of rates, fees and charges by the district, may be taken without the obtaining of any authorization 548 549 approval or consent of the state or any political subdivision or 550 any department, division, commission, board, bureau, agency or 551 instrumentality of either thereof and without any other proceeding 552 or the fulfilling of any other condition or the happening of any 553 other thing, except as expressly provided in this act.

554 SECTION 13. This act shall take effect and be in force from 555 and after its passage.
