(3) Bonds shall be authorized by a resolution or resolutions
of the authority. Such bonds shall bear such date or dates,
mature at such time or times (either serially, term or a
combination thereof), bear interest at such rate or rates, be in
such denomination or denominations, be in such registered form,

SECTION 9. The authority may issue refunding bonds for the purpose of paying any of its bonds at or prior to maturity or upon acceleration or redemption. Refunding bonds may be issued at such time prior to the maturity or redemption of the refunded bonds as the authority deems to be in the public interest. (o) Execute all instruments necessary or convenient in the exercise of the powers herein granted or in the performance of covenants or duties, which may contain such covenants and
provisions, as any purchaser of the bonds of the authority may
reasonably require.

SECTION 11. The authority may, in any authorizing
resolution, trust indenture or other security instrument relating
to its bonds, provide for the appointment of a trustee who shall
have such powers as are provided therein to represent the
bondholders of any issue of bonds in the enforcement or protection

not be required to pay any tax or assessment on any property owned
by the authority upon the income therefrom.
(2) Any bonds issued by the authority under this act, their transfer and the income therefrom shall at all times be free from taxation by the state or any unit of local government or other instrumentality of the state, except for inheritance and gift taxes.

(b) The industry concurs in such finding; and

(c) Such finding is approved by the authority, public bidding pursuant to advertisement may be dispensed with and such
