AMENDMENT No. 1 PROPOSED TO

Senate Bill NO. 2348

By Representative(s) Committee

**Amend by striking all after the enacting clause and inserting
in lieu thereof the following:**

4 **SECTION 1.** The Mississippi Department of Corrections is
5 authorized, subject to the availability of funds, to secure a
6 biological sample for purposes of DNA identification analysis from
7 every individual convicted of a felony or in its custody before
8 release from or transfer to a state correctional facility or
9 county jail or other detention facility.

10 **SECTION 2.** This act shall take effect and be in force from
11 and after July 1, 2003.
