AMENDMENT No. 1 PROPOSED TO**

House Bill NO. 1095

By Senator(s) Committee

**Amend by striking all after the enacting clause and inserting
in lieu thereof the following:**

8 **SECTION 1.** Section 63-9-21, Mississippi Code of 1972, is
9 amended as follows:

10 63-9-21. (1) This section shall be known as the Uniform
11 Traffic Ticket Law.

12 (2) All traffic tickets, except traffic tickets filed
13 electronically as provided under subsection (8) of this section,
14 shall be printed in the original and at least two (2) copies and
15 such other copies as may be prescribed by the State Auditor. All
16 traffic tickets shall be uniform as prescribed by the State
17 Auditor and the Attorney General, except as otherwise provided in
18 subsection (3)(b) and except that such state officers may alter
19 the form and content of traffic tickets to meet the varying
20 requirements of the different law enforcement agencies. The State
21 Auditor and the Attorney General shall prescribe a separate
22 traffic ticket, consistent with the provisions of subsection
23 (3)(b) of this section, to be used exclusively for violations of
24 the Mississippi Implied Consent Law.

25 (3) (a) Except as otherwise provided in paragraph (b) of
26 this subsection, every traffic ticket issued by any sheriff,
27 deputy sheriff, constable, county patrol officer, municipal police

28 officer or State Highway Patrol officer for any violation of
29 traffic or motor vehicle laws shall be issued on the uniform
30 traffic ticket consisting of an original and at least two (2)
31 copies and such other copies as may be prescribed by the State
32 Auditor.

33 (b) The traffic ticket, citation or affidavit which is
34 issued to a person arrested for a violation of the Mississippi
35 Implied Consent Law shall be uniform throughout all jurisdictions
36 in the State of Mississippi. It shall contain a place for the
37 trial judge hearing the case or accepting the guilty plea, as the
38 case may be, to sign, stating that the person arrested either
39 employed an attorney or waived his right to an attorney after
40 having been properly advised of his right to have an attorney. If
41 the person arrested employed an attorney, the name, address and
42 telephone number of the attorney shall be written on the ticket,
43 citation or affidavit.

44 (c) Every traffic ticket shall show, among other
45 necessary information, the name of the issuing officer, the name
46 of the court in which the cause is to be heard, and the date and
47 time such person is to appear to answer the charge. The ticket
48 shall include information which will constitute a complaint
49 charging the offense for which the ticket was issued, and when
50 duly sworn to and filed with a court of competent jurisdiction,
51 prosecution may proceed thereunder.

52 (4) All traffic tickets, except traffic tickets filed
53 electronically under subsection (8) of this section, shall be
54 bound in book form, shall be consecutively numbered and each
55 traffic ticket shall be accounted for to the officer issuing such
56 book. Said traffic ticket books shall be issued to sheriffs,
57 deputy sheriffs, constables and county patrol officers by the
58 chancery clerk of their respective counties, to each municipal
59 police officer by the clerk of the municipal court, and to each
60 State Highway Patrol officer by the Commissioner of Public Safety.

61 (5) The chancery clerk, clerk of the municipal court and the
62 Commissioner of Public Safety shall keep a record of all traffic

63 ticket books issued and to whom issued, accounting for all books
64 printed and issued.

65 (6) The original traffic ticket, unless the traffic ticket
66 is filed electronically as provided under subsection (8) of this
67 section, shall be delivered by the officer issuing the traffic
68 ticket to the clerk of the court to which it is returnable to be
69 retained in that court's records and the number noted on the
70 docket. The officer issuing the traffic ticket shall also give
71 the accused a copy of the traffic ticket. The clerk of the court
72 shall file a copy with the State Auditor within forty-five (45)
73 days after judgment is rendered showing the amount of the fine and
74 cost or, in cases in which no judgment has been rendered, within
75 one hundred twenty (120) days after issuance of the ticket. Other
76 copies that are prescribed by the State Auditor pursuant to this
77 section shall be filed or retained as may be designated by the
78 State Auditor. All copies shall be retained for at least two (2)
79 years.

80 (7) Failure to comply with the provisions of this section
81 shall constitute a misdemeanor and, upon conviction, shall be
82 punishable by a fine of not less than Ten Dollars (\$10.00) nor
83 more than One Hundred Dollars (\$100.00).

84 (8) (a) Law enforcement officers and agencies may file
85 traffic tickets by computer or electronic means if the ticket
86 conforms in all substantive respects, including layout and
87 content, as provided under subsection (2) of this section. The
88 provisions of subsection (4) of this section requiring tickets
89 bound in book form do not apply to a ticket that is produced by
90 computer or electronic means. Information concerning tickets
91 produced by computer or electronic means shall be available for
92 public inspection in substantially the same manner as provided for
93 the uniform tickets described in subsection (2) of this section.

94 (b) The defendant shall be provided with a paper copy
95 of the ticket. A law enforcement officer who files a ticket
96 electronically shall be considered to have certified the ticket
97 and has the same rights, responsibilities and liabilities as with

98 all other tickets issued pursuant to this section.

99 (c) The provisions of this subsection (8) do not apply
100 to tickets issued for a violation of the Mississippi Implied
101 Consent Law.

102 **SECTION 2.** This act shall take effect and be in force from
103 and after July 1, 2003.

**Further, amend by striking the title in its entirety and
inserting in lieu thereof the following:**
