The provision of Section 463 43-7-193(1) regarding substantial compliance of the projection of 464 need as reported in the current State Health Plan is waived for 465 the purposes of this paragraph. If the certificate of need 466 authorized under this paragraph is not issued within twelve (12) months after July 1, 1998, the department shall deny the 467 468 application for the certificate of need and shall not issue the 469 certificate of need at any time after the twelve-month period, 470 unless the issuance is contested. If the certificate of need is issued and substantial construction of the nursing facility beds 471 has not commenced within eighteen (18) months after July 1, 1998, 472 the State Department of Health, after a hearing complying with due 473 474 process, shall revoke the certificate of need if it is still 475 outstanding, and the department shall not issue a license for the nursing facility at any time after the eighteen-month period. 476 477 Provided, however, that if the issuance of the certificate of need is contested, the department shall require substantial 478 479 construction of the nursing facility beds within six (6) months 480 after final adjudication on the issuance of the certificate of 481 need. 482 Beginning on July 1, 1999, the State Department of Health shall issue certificates of need during each 483 484 of the next four (4) fiscal years for the construction or 485 expansion of nursing facility beds or the conversion of other beds to nursing facility beds in each county in the state having a need 486 487 for fifty (50) or more additional nursing facility beds, as shown 488 in the fiscal year 1999 State Health Plan, in the manner provided in this paragraph (q). The total number of nursing facility beds 489

(iii) Subject to the provisions of subparagraph 515 516 (v), the certificate of need issued under subparagraph (ii) for nursing facility beds in each Long-Term Care Planning District 517 during each fiscal year shall first be available for nursing 518 519 facility beds in the county in the district having the highest need for those beds, as shown in the fiscal year 1999 State Health 520 521 Plan. If there are no applications for a certificate of need for nursing facility beds in the county having the highest need for 522
