249 (f) Upon reviewing and considering all recommendations  
250 including recommendation of the committee, comments, and data, the

299 time, may occur due to decreases in state matching fund cash flow.  
300 The length of indebtedness under this provision shall not carry  
301 past the end of the quarter following the loan origination. Loan  
302 proceeds shall be received by the State Treasurer and shall be  
303 placed in a Medicaid designated special fund account. Loan  
304 proceeds shall be expended only for health care services provided  
305 under the Medicaid program. The division may pledge as security  
306 for that interim financing future funds that will be received by  
307 the division. Any such loans shall be repaid from the first  
308 available funds received by the division in the manner of and  
309 subject to the same terms provided in this section.

310 (3) Disbursement of funds to providers shall be made as

322 all other claims within twelve (12) months of the date of receipt.

323 (e) If a claim is neither paid nor denied for valid and  
324 proper reasons by the end of the time periods as specified in the  
325 preceding paragraphs, the Division of Medicaid's fiscal agent must  
326 pay the provider interest on the claim at the rate of one and  
327 one-half percent (1-1/2%) per month on the amount of the claim  
328 until it is finally settled or adjudicated.

329 (4) The date of receipt is the date the fiscal agent  
330 receives the claim as indicated by its date stamp on the claim or,  
331 for those claims filed electronically, the date of receipt is the  
332 date of transmission.

333 (5) The date of payment is the date of the check or, for  
334 those claims paid by electronic funds transfer, the date of the  
335 transfer.

336 (6) The above specified time limitations do not apply in the  
337 following circumstances:

350 a dispute, or to extend the benefits of a hearing decision,

351 corrective action, or court order to others in the same situation  
352 as those directly affected by it.

353 (7) Repealed.

354 (8) If sufficient funds are appropriated for that purpose by  
355 the Legislature, the Division of Medicaid may contract with the  
356 Mississippi Dental Association, or an approved designee, to  
357 develop and operate a Donated Dental Services (DDS) program  
358 through which volunteer dentists will treat needy disabled, aged  
359 and medically-compromised individuals who are non-Medicaid

624 Director of the Division of Medicaid shall amend the Mississippi  
625 Title XIX Inpatient Hospital Reimbursement Plan to remove the

628 allocated to the Medicaid program.

629 (c) Hospitals will receive an additional payment  
630 for the implantable programmable baclofen drug pump used to treat  
631 spasticity that is implanted on an inpatient basis. The payment  
632 pursuant to written invoice will be in addition to the facility's  
633 per diem reimbursement and will represent a reduction of costs on  
634 the facility's annual cost report, and shall not exceed Ten  
635 Thousand Dollars (\$10,000.00) per year per recipient. This  
636 subparagraph (c) shall stand repealed on July 1, 2005.

651 shall implement the integrated case-mix payment and quality  
652 monitoring system, which includes the fair rental system for  
653 property costs and in which recapture of depreciation is  
654 eliminated. The division may reduce the payment for hospital  
655 leave and therapeutic home leave days to the lower of the case-mix  
656 category as computed for the resident on leave using the  
657 assessment being utilized for payment at that point in time, or a  
658 case-mix score of 1.000 for nursing facilities, and shall compute  
659 case-mix scores of residents so that only services provided at the  
660 nursing facility are considered in calculating a facility's per  
661 diem.

662 \* \* \*

663 (c) From and after July 1, 1997, all state-owned  
664 nursing facilities shall be reimbursed on a full reasonable cost  
665 basis.

666 (d) When a facility of a category that does not  
667 require a certificate of need for construction and that could not  
668 be eligible for Medicaid reimbursement is constructed to nursing  
669 facility specifications for licensure and certification, and the  
670 facility is subsequently converted to a nursing facility under a  
671 certificate of need that authorizes conversion only and the  
672 applicant for the certificate of need was assessed an application  
673 review fee based on capital expenditures incurred in constructing  
674 the facility, the division shall allow reimbursement for capital  
675 expenditures necessary for construction of the facility that were  
676 incurred within the twenty-four (24) consecutive calendar months  
677 immediately preceding the date that the certificate of need

679 reimbursement would be allowed for construction of a new nursing  
680 facility under a certificate of need that authorizes that  
681 construction. The reimbursement authorized in this subparagraph  
682 (d) may be made only to facilities the construction of which was  
683 completed after June 30, 1989. Before the division shall be  
684 authorized to make the reimbursement authorized in this  
685 subparagraph (d), the division first must have received approval  
686 from the Centers for Medicare and Medicaid Services (CMS) of the  
687 change in the state Medicaid plan providing for the reimbursement.

688 (e) The division shall develop and implement, not  
689 later than January 1, 2001, a case-mix payment add-on determined  
690 by time studies and other valid statistical data that will  
691 reimburse a nursing facility for the additional cost of caring for  
692 a resident who has a diagnosis of Alzheimer's or other related  
693 dementia and exhibits symptoms that require special care. Any  
694 such case-mix add-on payment shall be supported by a determination  
695 of additional cost. The division shall also develop and implement  
696 as part of the fair rental reimbursement system for nursing  
697 facility beds, an Alzheimer's resident bed depreciation enhanced  
698 reimbursement system that will provide an incentive to encourage

700 Alzheimer's or other related dementia.

701 (f) The division shall develop and implement an  
702 assessment process for long-term care services.

703 The division shall apply for necessary federal waivers to  
704 assure that additional services providing alternatives to nursing  
705 facility care are made available to applicants for nursing  
706 facility care.

707 (5) Periodic screening and diagnostic services for  
708 individuals under age twenty-one (21) years as are needed to  
709 identify physical and mental defects and to provide health care  
710 treatment and other measures designed to correct or ameliorate

711 defects and physical and mental illness and conditions discovered  
712 by the screening services, regardless of whether these services  
713 are included in the state plan. The division may include in its  
714 periodic screening and diagnostic program those discretionary  
715 services authorized under the federal regulations adopted to  
716 implement Title XIX of the federal Social Security Act, as  
717 amended. The division, in obtaining physical therapy services,  
718 occupational therapy services, and services for individuals with  
719 speech, hearing and language disorders, may enter into a  
720 cooperative agreement with the State Department of Education for  
721 the provision of those services to handicapped students by public  
722 school districts using state funds that are provided from the  
723 appropriation to the Department of Education to obtain federal  
724 matching funds through the division. The division, in obtaining  
725 medical and psychological evaluations for children in the custody  
726 of the State Department of Human Services may enter into a  
727 cooperative agreement with the State Department of Human Services  
728 for the provision of those services using state funds that are  
729 provided from the appropriation to the Department of Human  
730 Services to obtain federal matching funds through the division.

731 (6) Physician's services. The division shall allow  
732 twelve (12) physician visits annually. All fees for physicians'  
733 services that are covered only by Medicaid shall be reimbursed at  
734 ninety percent (90%) of the rate established on January 1, 1999,  
735 and as adjusted each January thereafter, under Medicare (Title  
736 XVIII of the federal Social Security Act, as amended), and which

738 established on January 1, 1994. \* \* \*

743 (b) Repealed.

744           (8) Emergency medical transportation services. On  
745 January 1, 1994, emergency medical transportation services shall  
746 be reimbursed at seventy percent (70%) of the rate established  
747 under Medicare (Title XVIII of the federal Social Security Act, as  
748 amended). "Emergency medical transportation services" shall mean,  
749 but shall not be limited to, the following services by a properly  
750 permitted ambulance operated by a properly licensed provider in

752 (Section 41-59-1 et seq.): (i) basic life support, (ii) advanced  
753 life support, (iii) mileage, (iv) oxygen, (v) intravenous fluids,  
754 (vi) disposable supplies, (vii) similar services.

755           (9) (a) Legend and other drugs as may be determined by  
756 the division. The division shall establish a mandatory preferred  
757 drug list. Drugs not on the mandatory preferred drug list shall  
758 be made available by utilizing prior authorization procedures  
759 established by the division. The division may seek to establish  
760 relationships with other states or Canada in order to lower  
761 acquisition costs of prescription drugs to include named brands or  
762 generics. The division shall allow for a combination of named  
763 brand and generic prescriptions to meet the needs of the  
764 beneficiaries, not to exceed four (4) named brand prescriptions  
765 per month for each noninstitutionalized Medicaid beneficiary. The  
766 division shall allow for unlimited generic drugs. The voluntary  
767 preferred drug list shall be expanded to function in the interim  
768 in order to have a manageable prior authorization system, thereby  
769 minimizing disruption of service to beneficiaries. The division  
770 shall not reimburse for any portion of a prescription that exceeds  
771 a thirty-four-day supply of the drug based on the daily dosage.

772           \* \* \* However, \* \* \* until July 1, 2005, any A-typical

775 authorization, and until July 1, 2005, any licensed physician may  
776 prescribe any A-typical antipsychotic drug deemed appropriate for

777 Medicaid recipients, which shall be fully eligible for Medicaid  
778 reimbursement. In addition, antiretroviral and fusion inhibitor  
779 medications, including, but not limited to, protease inhibitors,  
780 nonnucleoside reverse transcriptase inhibitors, nucleoside reverse  
781 transcriptase inhibitors, antivirals and fusion inhibitors, shall  
782 be included in any preferred drug list developed by the Division  
783 of Medicaid.

784 The division shall develop and implement a program of payment  
785 for additional pharmacist services, with payment to be based on  
786 demonstrated savings, but in no case shall the total payment  
787 exceed twice the amount of the dispensing fee.

788 All claims for drugs for dually eligible Medicare/Medicaid  
789 beneficiaries that are paid for by Medicare must be submitted to  
790 Medicare for payment before they may be processed by the  
791 division's on-line payment system.

792 The division shall develop a pharmacy policy in which drugs  
793 in tamper-resistant packaging that are prescribed for a resident  
794 of a nursing facility but are not dispensed to the resident shall  
795 be returned to the pharmacy and not billed to Medicaid, in  
796 accordance with guidelines of the State Board of Pharmacy.

797 (b) Payment by the division for covered  
798 multisource drugs shall be limited to the lower of the upper  
799 limits established and published by the Centers for Medicare and  
800 Medicaid Services (CMS) plus a dispensing fee, or the estimated  
801 acquisition cost (EAC) as determined by the division, plus a  
802 dispensing fee, or the providers' usual and customary charge to  
803 the general public.

804 Payment for other covered drugs, other than multisource drugs  
805 with CMS upper limits, shall not exceed the lower of the estimated  
806 acquisition cost as determined by the division, plus a dispensing  
807 fee or the providers' usual and customary charge to the general  
808 public.

809 Payment for nonlegend or over-the-counter drugs covered by  
810 the division shall be reimbursed at the lower of the division's  
811 estimated shelf price or the providers' usual and customary charge  
812 to the general public.

813 The dispensing fee for each new or refill prescription,  
814 including nonlegend or over-the-counter drugs covered by the  
815 division, shall be Three Dollars and Ninety-one Cents (\$3.91).

816 \* \* \* The division shall not reimburse for name brand drugs  
817 if there are equally effective generic equivalents available and  
818 if the generic equivalents are the least expensive.

819 \* \* \*

820 The division shall develop and implement a program that  
821 requires Medicaid providers who prescribe drugs to use a  
822 counterfeit-proof prescription pad for Medicaid prescriptions for  
823 controlled substances; however, this shall not prevent the filling  
824 of prescriptions for controlled substances by means of electronic  
825 communications between a prescriber and pharmacist as allowed by  
826 federal law.

827 (10) Dental care that is an adjunct to treatment of an  
828 acute medical or surgical condition; services of oral surgeons and  
829 dentists in connection with surgery related to the jaw or any  
830 structure contiguous to the jaw or the reduction of any fracture  
831 of the jaw or any facial bone; and emergency dental extractions  
832 and treatment related thereto. On July 1, 1999, all fees for  
833 dental care and surgery under authority of this paragraph (10)  
834 shall be increased to one hundred sixty percent (160%) of the  
835 amount of the reimbursement rate that was in effect on June 30,  
836 1999. It is the intent of the Legislature to encourage more

1210 physical examination and utilization of these disease management  
1211 tools shall be consistent with current United States Preventive

1213           Notwithstanding any other provision of this article to the  
1214 contrary, the division shall reduce the rate of reimbursement to  
1215 providers for any service provided under this section by five

1237 amount equal to the difference between the maximum case management  
1238 reimbursement rate approved by CMS and a five percent (5%)  
1239 reduction in that rate. The division shall invoice each PDD  
1240 fifteen (15) days after the end of each quarter for the

1252 the fees or charges for any of the care or services available to  
1253 recipients under this section, nor (b) the payments or rates of  
1254 reimbursement to providers rendering care or services authorized  
1255 under this section to recipients, may be increased, decreased or  
1256 otherwise changed from the levels in effect on July 1, 1999,  
1257 unless they are authorized by an amendment to this section by the  
1258 Legislature. However, the restriction in this paragraph shall not  
1259 prevent the division from changing the payments or rates of  
1260 reimbursement to providers without an amendment to this section  
1261 whenever those changes are required by federal law or regulation,  
1262 or whenever those changes are necessary to correct administrative  
1263 errors or omissions in calculating those payments or rates of  
1264 reimbursement.

1265 Notwithstanding any provision of this article, no new groups  
1266 or categories of recipients and new types of care and services may  
1267 be added without enabling legislation from the Mississippi  
1268 Legislature, except that the division may authorize those changes  
1269 without enabling legislation when the addition of recipients or

1270 services is ordered by a court of proper authority. The executive  
1271 director shall keep the Governor advised on a timely basis of the  
1272 funds available for expenditure and the projected expenditures.  
1273 If current or projected expenditures of the division can be  
1274 reasonably anticipated to exceed the amounts appropriated for any  
1275 fiscal year, the Governor, after consultation with the executive  
1276 director, shall discontinue any or all of the payment of the types  
1277 of care and services as provided in this section that are deemed  
1278 to be optional services under Title XIX of the federal Social  
1279 Security Act, as amended, for any period necessary to not exceed  
1280 appropriated funds, and when necessary shall institute any other  
1281 cost containment measures on any program or programs authorized  
1282 under the article to the extent allowed under the federal law  
1283 governing that program or programs, it being the intent of the  
1284 Legislature that expenditures during any fiscal year shall not  
1285 exceed the amounts appropriated for that fiscal year.

1286 Notwithstanding any other provision of this article, it shall  
1287 be the duty of each nursing facility, intermediate care facility  
1288 for the mentally retarded, psychiatric residential treatment  
1289 facility, and nursing facility for the severely disabled that is  
1290 participating in the Medicaid program to keep and maintain books,  
1291 documents and other records as prescribed by the Division of  
1292 Medicaid in substantiation of its cost reports for a period of  
1293 three (3) years after the date of submission to the Division of  
1294 Medicaid of an original cost report, or three (3) years after the  
1295 date of submission to the Division of Medicaid of an amended cost  
1296 report.

1297 This section shall stand repealed on July 1, 2006.

1298 **SECTION 5.** Section 43-13-121, Mississippi Code of 1972, is  
1299 amended as follows:

1300 43-13-121. (1) The division shall administer the Medicaid  
1301 program under the provisions of this article, and may do the  
1302 following:

1303           (a) Adopt and promulgate reasonable rules, regulations  
1304 and standards, with approval of the Governor, and in accordance  
1305 with the Administrative Procedures Law, Section 25-43-1 et seq.:

1306           (i) Establishing methods and procedures as may be  
1307 necessary for the proper and efficient administration of this  
1308 article;

1309           (ii) Providing Medicaid to all qualified  
1310 recipients under the provisions of this article as the division  
1311 may determine and within the limits of appropriated funds;

1312           (iii) Establishing reasonable fees, charges and  
1313 rates for medical services and drugs; in doing so, the division  
1314 shall fix all of those fees, charges and rates at the minimum  
1315 levels absolutely necessary to provide the medical assistance  
1316 authorized by this article, and shall not change any of those  
1317 fees, charges or rates except as may be authorized in Section  
1318 43-13-117;

1319           (iv) Providing for fair and impartial hearings;

1320           (v) Providing safeguards for preserving the  
1321 confidentiality of records; and

1322           (vi) For detecting and processing fraudulent  
1323 practices and abuses of the program;

1324           (b) Receive and expend state, federal and other funds  
1325 in accordance with court judgments or settlements and agreements  
1326 between the State of Mississippi and the federal government, the  
1327 rules and regulations promulgated by the division, with the  
1328 approval of the Governor, and within the limitations and  
1329 restrictions of this article and within the limits of funds  
1330 available for that purpose;

1331           (c) Subject to the limits imposed by this article, to  
1332 submit a Medicaid plan to the United States Department of Health  
1333 and Human Services for approval under the provisions of the  
1334 federal Social Security Act, to act for the state in making  
1335 negotiations relative to the submission and approval of that plan,

1336 to make such arrangements, not inconsistent with the law, as may  
1337 be required by or under federal law to obtain and retain that  
1338 approval and to secure for the state the benefits of the  
1339 provisions of that law.

1340 No agreements, specifically including the general plan for  
1341 the operation of the Medicaid program in this state, shall be made  
1342 by and between the division and the United States Department of  
1343 Health and Human Services unless the Attorney General of the State  
1344 of Mississippi has reviewed the agreements, specifically including  
1345 the operational plan, and has certified in writing to the Governor  
1346 and to the executive director of the division that the agreements,  
1347 including the plan of operation, have been drawn strictly in  
1348 accordance with the terms and requirements of this article;

1349 (d) In accordance with the purposes and intent of this  
1350 article and in compliance with its provisions, provide for aged  
1351 persons otherwise eligible for the benefits provided under Title  
1352 XVIII of the federal Social Security Act by expenditure of funds  
1353 available for those purposes;

1354 (e) To make reports to the United States Department of  
1355 Health and Human Services as from time to time may be required by  
1356 that federal department and to the Mississippi Legislature as  
1357 provided in this section;

1358 (f) Define and determine the scope, duration and amount  
1359 of Medicaid that may be provided in accordance with this article  
1360 and establish priorities therefor in conformity with this article;

1361 (g) Cooperate and contract with other state agencies  
1362 for the purpose of coordinating Medicaid provided under this  
1363 article and eliminating duplication and inefficiency in the  
1364 Medicaid program;

1365 (h) Adopt and use an official seal of the division;

1366 (i) Sue in its own name on behalf of the State of  
1367 Mississippi and employ legal counsel on a contingency basis with  
1368 the approval of the Attorney General;

1369           (j) To recover any and all payments incorrectly made by  
1370 the division \* \* \* to a recipient or provider from the recipient  
1371 or provider receiving the payments. The division shall report to  
1372 the State Tax Commission the name of any current or former  
1373 Medicaid recipient who has received medical services rendered  
1374 during a period of established Medicaid ineligibility, or a  
1375 Medicaid provider that has received reimbursement(s) for medical  
1376 services rendered to an ineligible individual, and who has not  
1377 reimbursed the division for the related medical service payment(s)  
1378 or reimbursement(s). The State Tax Commission shall withhold from  
1379 the state tax refund of the individual or the provider, and pay to  
1380 the division, the amount of the payment(s) for medical services  
1381 rendered to the ineligible individual, or the amount of the  
1382 reimbursement(s) made to the provider for medical services  
1383 rendered to an ineligible individual, that have not been  
1384 reimbursed to the division for the related medical service  
1385 payment(s) or reimbursements(s);

1386           (k) To recover any and all payments by the  
1387 division \* \* \* fraudulently obtained by a recipient or provider.  
1388 Additionally, if recovery of any payments fraudulently obtained by  
1389 a recipient or provider is made in any court, then, upon motion of  
1390 the Governor, the judge of the court may award twice the payments  
1391 recovered as damages;

1392           (l) Have full, complete and plenary power and authority  
1393 to conduct such investigations as it may deem necessary and  
1394 requisite of alleged or suspected violations or abuses of the  
1395 provisions of this article or of the regulations adopted under  
1396 this article, including, but not limited to, fraudulent or  
1397 unlawful act or deed by applicants for Medicaid or other benefits,  
1398 or payments made to any person, firm or corporation under the  
1399 terms, conditions and authority of this article, to suspend or  
1400 disqualify any provider of services, applicant or recipient for  
1401 gross abuse, fraudulent or unlawful acts for such periods,

1402 including permanently, and under such conditions as the division  
1403 deems proper and just, including the imposition of a legal rate of  
1404 interest on the amount improperly or incorrectly paid. Recipients  
1405 who are found to have misused or abused Medicaid benefits may be  
1406 locked into one (1) physician and/or one (1) pharmacy of the  
1407 recipient's choice for a reasonable amount of time in order to  
1408 educate and promote appropriate use of medical services, in  
1409 accordance with federal regulations. If an administrative hearing  
1410 becomes necessary, the division may, if the provider does not  
1411 succeed in his or her defense, tax the costs of the administrative  
1412 hearing, including the costs of the court reporter or stenographer  
1413 and transcript, to the provider. The convictions of a recipient  
1414 or a provider in a state or federal court for abuse, fraudulent or  
1415 unlawful acts under this chapter shall constitute an automatic  
1416 disqualification of the recipient or automatic disqualification of  
1417 the provider from participation under the Medicaid program.

1418 A conviction, for the purposes of this chapter, shall include  
1419 a judgment entered on a plea of nolo contendere or a  
1420 nonadjudicated guilty plea and shall have the same force as a  
1421 judgment entered pursuant to a guilty plea or a conviction  
1422 following trial. A certified copy of the judgment of the court of  
1423 competent jurisdiction of the conviction shall constitute prima  
1424 facie evidence of the conviction for disqualification purposes;

1425 (m) Establish and provide such methods of  
1426 administration as may be necessary for the proper and efficient  
1427 operation of the Medicaid program, fully utilizing computer  
1428 equipment as may be necessary to oversee and control all current  
1429 expenditures for purposes of this article, and to closely monitor  
1430 and supervise all recipient payments and vendors rendering  
1431 services under this article;

1432 (n) To cooperate and contract with the federal  
1433 government for the purpose of providing Medicaid to Vietnamese and  
1434 Cambodian refugees, under the provisions of Public Law 94-23 and

1435 Public Law 94-24, including any amendments to those laws, only to  
1436 the extent that the Medicaid assistance and the administrative  
1437 cost related thereto are one hundred percent (100%) reimbursable  
1438 by the federal government. For the purposes of Section 43-13-117,  
1439 persons receiving Medicaid under Public Law 94-23 and Public Law  
1440 94-24, including any amendments to those laws, shall not be  
1441 considered a new group or category of recipient; and

1442 (o) The division shall impose penalties upon Medicaid  
1443 only, Title XIX participating long-term care facilities found to  
1444 be in noncompliance with division and certification standards in  
1445 accordance with federal and state regulations, including interest  
1446 at the same rate calculated by the United States Department of  
1447 Health and Human Services and/or the Centers for Medicare and  
1448 Medicaid Services (CMS) under federal regulations.

1449 (2) The division also shall exercise such additional powers  
1450 and perform such other duties as may be conferred upon the  
1451 division by act of the Legislature.

1452 (3) The division, and the State Department of Health as the  
1453 agency for licensure of health care facilities and certification  
1454 and inspection for the Medicaid and/or Medicare programs, shall  
1455 contract for or otherwise provide for the consolidation of on-site  
1456 inspections of health care facilities that are necessitated by the  
1457 respective programs and functions of the division and the  
1458 department.

1459 (4) The division and its hearing officers shall have power  
1460 to preserve and enforce order during hearings; to issue subpoenas  
1461 for, to administer oaths to and to compel the attendance and  
1462 testimony of witnesses, or the production of books, papers,  
1463 documents and other evidence, or the taking of depositions before  
1464 any designated individual competent to administer oaths; to  
1465 examine witnesses; and to do all things conformable to law that  
1466 may be necessary to enable them effectively to discharge the  
1467 duties of their office. In compelling the attendance and

1468 testimony of witnesses, or the production of books, papers,  
1469 documents and other evidence, or the taking of depositions, as  
1470 authorized by this section, the division or its hearing officers  
1471 may designate an individual employed by the division or some other  
1472 suitable person to execute and return that process, whose action  
1473 in executing and returning that process shall be as lawful as if  
1474 done by the sheriff or some other proper officer authorized to  
1475 execute and return process in the county where the witness may  
1476 reside. In carrying out the investigatory powers under the  
1477 provisions of this article, the executive director or other  
1478 designated person or persons may examine, obtain, copy or  
1479 reproduce the books, papers, documents, medical charts,  
1480 prescriptions and other records relating to medical care and  
1481 services furnished by the provider to a recipient or designated  
1482 recipients of Medicaid services under investigation. In the  
1483 absence of the voluntary submission of the books, papers,  
1484 documents, medical charts, prescriptions and other records, the  
1485 Governor, the executive director, or other designated person may  
1486 issue and serve subpoenas instantly upon the provider, his or her  
1487 agent, servant or employee for the production of the books,  
1488 papers, documents, medical charts, prescriptions or other records  
1489 during an audit or investigation of the provider. If any provider  
1490 or his or her agent, servant or employee refuses to produce the  
1491 records after being duly subpoenaed, the executive director may  
1492 certify those facts and institute contempt proceedings in the  
1493 manner, time and place as authorized by law for administrative  
1494 proceedings. As an additional remedy, the division may recover  
1495 all amounts paid to the provider covering the period of the audit  
1496 or investigation, inclusive of a legal rate of interest and a  
1497 reasonable attorney's fee and costs of court if suit becomes  
1498 necessary. Division staff shall have immediate access to the  
1499 provider's physical location, facilities, records, documents,

1500 books, and any other records relating to medical care and services  
1501 rendered to recipients during regular business hours.

1502 (5) If any person in proceedings before the division  
1503 disobeys or resists any lawful order or process, or misbehaves  
1504 during a hearing or so near the place thereof as to obstruct the  
1505 hearing, or neglects to produce, after having been ordered to do  
1506 so, any pertinent book, paper or document, or refuses to appear  
1507 after having been subpoenaed, or upon appearing refuses to take  
1508 the oath as a witness, or after having taken the oath refuses to  
1509 be examined according to law, the executive director shall certify  
1510 the facts to any court having jurisdiction in the place in which  
1511 it is sitting, and the court shall thereupon, in a summary manner,  
1512 hear the evidence as to the acts complained of, and if the  
1513 evidence so warrants, punish that person in the same manner and to  
1514 the same extent as for a contempt committed before the court, or  
1515 commit that person upon the same condition as if the doing of the  
1516 forbidden act had occurred with reference to the process of, or in  
1517 the presence of, the court.

1518 (6) In suspending or terminating any provider from  
1519 participation in the Medicaid program, the division shall preclude  
1520 the provider from submitting claims for payment, either personally  
1521 or through any clinic, group, corporation or other association to  
1522 the division or its fiscal agents for any services or supplies  
1523 provided under the Medicaid program except for those services or  
1524 supplies provided before the suspension or termination. No  
1525 clinic, group, corporation or other association that is a provider  
1526 of services shall submit claims for payment to the division or its  
1527 fiscal agents for any services or supplies provided by a person  
1528 within that organization who has been suspended or terminated from  
1529 participation in the Medicaid program except for those services or  
1530 supplies provided before the suspension or termination. When this  
1531 provision is violated by a provider of services that is a clinic,  
1532 group, corporation or other association, the division may suspend

1533 or terminate that organization from participation. Suspension may  
1534 be applied by the division to all known affiliates of a provider,  
1535 provided that each decision to include an affiliate is made on a  
1536 case-by-case basis after giving due regard to all relevant facts  
1537 and circumstances. The violation, failure or inadequacy of  
1538 performance may be imputed to a person with whom the provider is  
1539 affiliated where that conduct was accomplished within the course  
1540 of his or her official duty or was effectuated by him or her with  
1541 the knowledge or approval of that person.

1542 (7) The division may deny or revoke enrollment in the  
1543 Medicaid program to a provider if any of the following are found  
1544 to be applicable to the provider, his or her agent, a managing  
1545 employee or any person having an ownership interest equal to five  
1546 percent (5%) or greater in the provider:

1547 (a) Failure to truthfully or fully disclose any and all  
1548 information required, or the concealment of any and all  
1549 information required, on a claim, a provider application or a  
1550 provider agreement, or the making of a false or misleading  
1551 statement to the division relative to the Medicaid program.

1552 (b) Previous or current exclusion, suspension,  
1553 termination from or the involuntary withdrawing from participation  
1554 in the Medicaid program, any other state's Medicaid program,  
1555 Medicare or any other public or private health or health insurance  
1556 program. If the division ascertains that a provider has been  
1557 convicted of a felony under federal or state law for an offense  
1558 that the division determines is detrimental to the best interest  
1559 of the program or of Medicaid beneficiaries, the division may  
1560 refuse to enter into an agreement with that provider, or may  
1561 terminate or refuse to renew an existing agreement.

1562 (c) Conviction under federal or state law of a criminal  
1563 offense relating to the delivery of any goods, services or  
1564 supplies, including the performance of management or  
1565 administrative services relating to the delivery of the goods,

1566 services or supplies, under the Medicaid program, any other  
1567 state's Medicaid program, Medicare or any other public or private  
1568 health or health insurance program.

1569 (d) Conviction under federal or state law of a criminal  
1570 offense relating to the neglect or abuse of a patient in  
1571 connection with the delivery of any goods, services or supplies.

1572 (e) Conviction under federal or state law of a criminal  
1573 offense relating to the unlawful manufacture, distribution,  
1574 prescription or dispensing of a controlled substance.

1575 (f) Conviction under federal or state law of a criminal  
1576 offense relating to fraud, theft, embezzlement, breach of  
1577 fiduciary responsibility or other financial misconduct.

1578 (g) Conviction under federal or state law of a criminal  
1579 offense punishable by imprisonment of a year or more that involves  
1580 moral turpitude, or acts against the elderly, children or infirm.

1581 (h) Conviction under federal or state law of a criminal  
1582 offense in connection with the interference or obstruction of any  
1583 investigation into any criminal offense listed in paragraphs (c)  
1584 through (i) of this subsection.

1585 (i) Sanction for a violation of federal or state laws  
1586 or rules relative to the Medicaid program, any other state's  
1587 Medicaid program, Medicare or any other public health care or  
1588 health insurance program.

1589 (j) Revocation of license or certification.

1590 (k) Failure to pay recovery properly assessed or  
1591 pursuant to an approved repayment schedule under the Medicaid  
1592 program.

1593 (l) Failure to meet any condition of enrollment.

1594 **SECTION 6.** Section 43-13-125, Mississippi Code of 1972, is  
1595 amended as follows:

1596 43-13-125. (1) If Medicaid is provided to a recipient under  
1597 this article for injuries, disease or sickness caused under  
1598 circumstances creating a cause of action in favor of the recipient

1599 against any person, firm or corporation, then the division shall  
1600 be entitled to recover the proceeds that may result from the  
1601 exercise of any rights of recovery that the recipient may have  
1602 against any such person, firm or corporation to the extent of the  
1603 Division of Medicaid's interest on behalf of the recipient. The  
1604 recipient shall execute and deliver instruments and papers to do  
1605 whatever is necessary to secure those rights and shall do nothing  
1606 after Medicaid is provided to prejudice the subrogation rights of  
1607 the division. Court orders or agreements for reimbursement of  
1608 Medicaid's interest shall direct those payments to the Division of  
1609 Medicaid, which shall be authorized to endorse any and all,  
1610 including, but not limited to, multi-payee checks, drafts, money  
1611 orders, or other negotiable instruments representing Medicaid  
1612 payment recoveries that are received. In accordance with Section  
1613 43-13-305, endorsement of multi-payee checks, drafts, money orders  
1614 or other negotiable instruments by the Division of Medicaid shall  
1615 be deemed endorsed by the recipient.

1616 The division, with the approval of the Governor, may  
1617 compromise or settle any such claim and execute a release of any  
1618 claim it has by virtue of this section.

1619 (2) The acceptance of Medicaid under this article or the  
1620 making of a claim under this article shall not affect the right of  
1621 a recipient or his or her legal representative to recover  
1622 Medicaid's interest as an element of \* \* \* damages in any action  
1623 at law; however, a copy of the pleadings shall be certified to the  
1624 division at the time of the institution of suit, and proof of  
1625 that notice shall be filed of record in that action. The division  
1626 may, at any time before the trial on the facts, join in that  
1627 action or may intervene in that action. Any amount recovered by a  
1628 recipient or his or her legal representative shall be applied as  
1629 follows:

1630 (a) The reasonable costs of the collection, including  
1631 attorney's fees, as approved and allowed by the court in which

1632 that action is pending, or in case of settlement without suit, by  
1633 the legal representative of the division;

1634 (b) The amount of Medicaid's interest on behalf of the  
1635 recipient; or such pro rata amount as may be arrived at by the  
1636 legal representative of the division and the recipient's attorney,  
1637 or as set by the court having jurisdiction; and

1638 (c) Any excess shall be awarded to the recipient.

1639 (3) No compromise of any claim by the recipient or his or  
1640 her legal representative shall be binding upon or affect the  
1641 rights of the division against the third party unless the  
1642 division, with the approval of the Governor, has entered into the  
1643 compromise. Any compromise effected by the recipient or his or  
1644 her legal representative with the third party in the absence of  
1645 advance notification to and approved by the division shall  
1646 constitute conclusive evidence of the liability of the third  
1647 party, and the division, in litigating its claim against the third  
1648 party, shall be required only to prove the amount and correctness  
1649 of its claim relating to the injury, disease or sickness. If the  
1650 recipient or his or her legal representative fails to notify the  
1651 division of the institution of legal proceedings against a third  
1652 party for which the division has a cause of action, the facts  
1653 relating to negligence and the liability of the third party, if  
1654 judgment is rendered for the recipient, shall constitute  
1655 conclusive evidence of liability in a subsequent action maintained  
1656 by the division and only the amount and correctness of the  
1657 division's claim relating to injuries, disease or sickness shall  
1658 be tried before the court. The division shall be authorized in  
1659 bringing that action against the third party and his or her  
1660 insurer jointly or against the insurer alone.

1661 (4) Nothing in this section shall be construed to diminish  
1662 or otherwise restrict the subrogation rights of the Division of  
1663 Medicaid against a third party for Medicaid provided by the  
1664 Division of Medicaid to the recipient as a result of injuries,

1665 disease or sickness caused under circumstances creating a cause of

1721 assessment for which it is liable under this section. The books  
1722 and records shall be kept and preserved for a period of not less  
1723 than five (5) years, and those books and records shall be open for

1743 Medicaid reimbursement payments that are due to the health care  
1744 facility the amount of the unpaid assessment and a penalty of ten

1760 assessment and a penalty of ten percent (10%) of the amount of the  
1761 assessment, plus the legal rate of interest until the assessment  
1762 is paid in full. Immediately upon receipt of notice of the tax  
1763 lien for the assessment, the circuit clerk shall enter the notice

1764 of the tax lien as a judgment upon the judgment roll and show in  
1765 the appropriate columns the name of the health care facility as  
1766 judgment debtor, the name of the division as judgment creditor,  
1767 the amount of the unpaid assessment, and the date and time of

1773 the judgment is satisfied. The judgment shall be the equivalent  
1774 of any enrolled judgment of a court of record and shall serve as  
1775 authority for the issuance of writs of execution, writs of  
1776 attachment or other remedial writs.
