11 amended as follows:

12 43-21-627. (1) Each youth court is authorized to establish a  
13 youth court work program as an alternative disposition for  
14 nonviolent offenders. The youth court work program shall be used  
15 only for first time nonviolent youth offenders. Offenders  
16 participating in the program must take a drug test, and the  
17 parent, guardian or custodian shall pay the actual cost of the  
18 test, unless the court specifically finds that the parent,  
19 guardian or custodian is unable to pay. If a youth offender tests  
20 positive for drugs, he or she shall be referred to a drug  
21 rehabilitation treatment program and counseling.

22 (2) The youth court may work with local governmental  
23 entities, local nonprofit and faith based organizations to provide  
24 community service opportunities for youth in the program who may  
25 have been ordered to perform community service. The court shall  
26 solicit and approve the assistance of volunteers from the area  
27 served by the youth court, including business and community  
28 volunteers. The court may require a nonviolent youth offender to  
29 work for a minimum of six (6) months with a court approved  
30 volunteer as part or all of a sentence imposed by the court. The

31 volunteers shall provide a working environment as mentors to  
32 provide guidance and support and to teach the youth offender job  
33 skills. Each youth offender and volunteer shall be under the  
34 supervision of the court and shall make regular reports to the  
35 court as required by order of the court. If a youth offender  
36 violates the terms and conditions imposed by the court while  
37 participating in the youth court work program, the court is  
38 authorized to remove the offender from the program and impose any  
39 other disposition authorized by law.

40       **SECTION 2.** This act shall take effect and be in force from  
41 and after July 1, 2004.
