138 (b) **Standard License - Nontraditional Teaching Route.**

139 Beginning January 1, 2004, an individual * * * who has a passing
140 score on the Praxis I Basic Skills and Praxis II Specialty Area
141 Test in the requested area of endorsement may apply for the Teach
142 Mississippi Institute (TMI) program to teach students in Grades 7
143 through 12 if the individual meets the requirements of this
144 paragraph (b). The State Board of Education shall adopt rules
145 requiring that teacher preparation institutions which provide the
146 Teach Mississippi Institute (TMI) program for the preparation of
147 nontraditional teachers shall meet the standards and comply with
148 the provisions of this paragraph.

149 (i) The Teach Mississippi Institute (TMI) shall
150 include an intensive eight-week, nine-semester-hour summer program
151 or a curriculum of study in which the student matriculates in the
152 fall or spring semester, which shall include, but not be limited
153 to, instruction in education, effective teaching strategies,
154 classroom management, state curriculum requirements, planning and
155 instruction, instructional methods and pedagogy, using test
156 results to improve instruction, and a one (1) semester three-hour
157 supervised internship to be completed while the teacher is
158 employed as a full-time teacher intern in a local school district.
159 The TMI shall be implemented on a pilot program basis, with
160 courses to be offered at up to four (4) locations in the state,

161 with one (1) TMI site to be located in each of the three (3)
162 Mississippi Supreme Court districts.

163 (ii) The school sponsoring the teacher intern
164 shall enter into a written agreement with the institution
165 providing the Teach Mississippi Institute (TMI) program, under
166 terms and conditions as agreed upon by the contracting parties,
167 providing that the school district shall provide teacher interns
168 seeking a nontraditional provisional teaching license with a
169 one-year classroom teaching experience. The teacher intern shall
170 successfully complete the one (1) semester three-hour intensive
171 internship in the school district during the semester immediately
172 following successful completion of the TMI and prior to the end of
173 the one-year classroom teaching experience.

174 (iii) Upon completion of the nine-semester-hour
175 TMI or the fall or spring semester option, the individual shall
176 submit his transcript to the commission for provisional licensure
177 of the intern teacher, and the intern teacher shall be issued a
178 provisional teaching license by the commission, which will allow
179 the individual to legally serve as a teacher while the person
180 completes a nontraditional teacher preparation internship program.

181 (iv) During the semester of internship in the
182 school district, the teacher preparation institution shall monitor
183 the performance of the intern teacher. The school district that
184 employs the provisional teacher shall supervise the provisional
185 teacher during the teacher's intern year of employment under a
186 nontraditional provisional license, and shall, in consultation
187 with the teacher intern's mentor at the school district of
188 employment, submit to the commission a comprehensive evaluation of
189 the teacher's performance sixty (60) days prior to the expiration
190 of the nontraditional provisional license. If the comprehensive
191 evaluation establishes that the provisional teacher intern's
192 performance fails to meet the standards of the approved

193 nontraditional teacher preparation internship program, the
194 individual shall not be approved for a standard license.

195 (v) An individual issued a provisional teaching
196 license under this nontraditional route shall successfully
197 complete, at a minimum, a one-year beginning teacher mentoring and
198 induction program administered by the employing school district
199 with the assistance of the State Department of Education.

200 (vi) Upon successful completion of the TMI and the
201 internship provisional license period, applicants for a Standard
202 License-Nontraditional Route shall submit to the commission a
203 transcript of successful completion of the twelve (12) semester
204 hours required in the internship program, and the employing school
205 district shall submit to the commission a recommendation for
206 standard licensure of the intern. If the school district
207 recommends licensure, the applicant shall be issued a Standard
208 License-Nontraditional Route which shall be valid for a five-year
209 period and be renewable.

210 (vii) At the discretion of the teacher-preparation
211 institution, the individual shall be allowed to credit the twelve
212 (12) semester hours earned in the nontraditional teacher
213 internship program toward the graduate hours required for a Master
214 of Arts in Teacher (MAT) Degree.

215 (viii) The local school district in which the
216 nontraditional teacher intern or provisional licensee is employed
217 shall compensate such teacher interns at Step 1 of the required
218 salary level during the period of time such individual is
219 completing teacher internship requirements and shall compensate
220 such Standard License-Nontraditional Route teachers at Step 3 of
221 the required salary level when they complete license requirements.

222 Implementation of the TMI program provided for under this
223 paragraph (b) shall be contingent upon the availability of funds
224 appropriated specifically for such purpose by the Legislature.

225 Such implementation of the TMI program may not be deemed to
226 prohibit the State Board of Education from developing and
227 implementing additional alternative route teacher licensure
228 programs, as deemed appropriate by the board. The emergency
229 certification program in effect prior to July 1, 2002, shall
230 remain in effect.

231 The State Department of Education shall compile and report,
232 in consultation with the commission, information relating to
233 nontraditional teacher preparation internship programs, including
234 the number of programs available and geographic areas in which
235 they are available, the number of individuals who apply for and
236 possess a nontraditional conditional license, the subject areas in
237 which individuals who possess nontraditional conditional licenses
238 are teaching and where they are teaching, and shall submit its
239 findings and recommendations to the legislative committees on
240 education by December 1, 2004.

241 A Standard License - Approved Program Route shall be issued
242 for a five-year period, and may be renewed. Recognizing teaching
243 as a profession, a hiring preference shall be granted to persons
244 holding a Standard License - Approved Program Route or Standard
245 License - Nontraditional Teaching Route over persons holding any
246 other license.

247 (c) **Special License - Expert Citizen.** In order to
248 allow a school district to offer specialized or technical courses,
249 the State Department of Education, in accordance with rules and
250 regulations established by the State Board of Education, may grant
251 a one-year expert citizen-teacher license to local business or
252 other professional personnel to teach in a public school or
253 nonpublic school accredited or approved by the state. Such person
254 may begin teaching upon his employment by the local school board
255 and licensure by the Mississippi Department of Education. The
256 board shall adopt rules and regulations to administer the expert
257 citizen-teacher license. A special license - expert citizen may

258 be renewed in accordance with the established rules and
259 regulations of the State Department of Education.

260 (d) **Special License - Nonrenewable.** The State Board of
261 Education is authorized to establish rules and regulations to
262 allow those educators not meeting requirements in subsection
263 (6)(a), (b) or (c) to be licensed for a period of not more than
264 three (3) years, except by special approval of the State Board of
265 Education.

266 (e) **Nonlicensed Teaching Personnel.** A nonlicensed
267 person may teach for a maximum of three (3) periods per teaching
268 day in a public school or a nonpublic school accredited/approved
269 by the state. Such person shall submit to the department a
270 transcript or record of his education and experience which
271 substantiates his preparation for the subject to be taught and
272 shall meet other qualifications specified by the commission and
273 approved by the State Board of Education. In no case shall any
274 local school board hire nonlicensed personnel as authorized under
275 this paragraph in excess of five percent (5%) of the total number
276 of licensed personnel in any single school.

277 (f) **Special License - Transitional Bilingual Education.**
278 Beginning July 1, 2003, the commission shall grant special
279 licenses to teachers of transitional bilingual education who
280 possess such qualifications as are prescribed in this section.
281 Teachers of transitional bilingual education shall be compensated
282 by local school boards at not less than one (1) step on the
283 regular salary schedule applicable to permanent teachers licensed
284 under this section. The commission shall grant special licenses
285 to teachers of transitional bilingual education who present the
286 commission with satisfactory evidence that they (i) possess a
287 speaking and reading ability in a language, other than English, in
288 which bilingual education is offered and communicative skills in

292 meet such requirements as to courses of study, semester hours
293 therein, experience and training as may be required by the
294 commission; and (v) are legally present in the United States and
295 possess legal authorization for employment. A teacher of
296 transitional bilingual education serving under a special license
297 shall be under an exemption from standard licensure if he achieves
298 the requisite qualifications therefor. Two (2) years of service
299 by a teacher of transitional bilingual education under such an
300 exemption shall be credited to the teacher in acquiring a Standard
301 Educator License. Nothing in this paragraph shall be deemed to
302 prohibit a local school board from employing a teacher licensed in
303 an appropriate field as approved by the State Department of
304 Education to teach in a program in transitional bilingual
305 education.

306 (g) In the event any school district meets Level 4 or 5
307 accreditation standards, the State Board of Education, in its
308 discretion, may exempt such school district from any restrictions
309 in paragraph (e) relating to the employment of nonlicensed
310 teaching personnel.

311 (7) **Administrator License.** The State Board of Education is
312 authorized to establish rules and regulations and to administer
313 the licensure process of the school administrators in the State of

316 State Board of Education.

334 master of public administration degree, a master of public
335 planning and policy degree or a doctor of jurisprudence degree
336 from an accredited college or university, with five (5) years of
337 administrative or supervisory experience. Successful completion
338 of the requirements of alternate route licensure for
339 administrators shall qualify the person for a standard
340 administrator license.

341 The State Department of Education shall compile and report,
342 in consultation with the commission, information relating to
343 nontraditional administrator preparation internship programs,
344 including the number of programs available and geographic areas in
345 which they are available, the number of individuals who apply for
346 and possess a nontraditional conditional license and where they

354 completing all requirements for provisional or standard
355 administrator certification and who have never practiced, shall be
356 exempt from taking the Mississippi Assessment Battery Phase I.

357 Applicants seeking school administrator licensure during the
358 period beginning July 1, 1997, through June 30, 1998, shall
359 participate in the Mississippi Assessment Battery, and upon
360 request of the applicant, the department shall reimburse the
361 applicant for the cost of the assessment process required. After
362 June 30, 1998, all applicants for school administrator licensure
363 shall meet all requirements prescribed by the department under
364 paragraph (b), (c) or (d), and the cost of the assessment process
365 required shall be paid by the applicant.

366 (8) **Reciprocity.** (a) The department shall grant a standard

378 (24) months, during which time the applicant shall be required to
379 complete the requirements for a standard license in Mississippi.

380 (9) **Renewal and Reinstatement of Licenses.** The State Board
381 of Education is authorized to establish rules and regulations for
382 the renewal and reinstatement of educator and administrator
383 licenses. Effective May 15, 1997, the valid standard license held
384 by an educator shall be extended five (5) years beyond the
385 expiration date of the license in order to afford the educator
386 adequate time to fulfill new renewal requirements established
387 pursuant to this subsection. An educator completing a master of
388 education, educational specialist or doctor of education degree in
389 May 1997 for the purpose of upgrading the educator's license to a

390 higher class shall be given this extension of five (5) years plus
391 five (5) additional years for completion of a higher degree.

392 (10) All controversies involving the issuance, revocation,

394 educator required to hold a license shall be initially heard in a
395 hearing de novo, by the commission or by a subcommittee
396 established by the commission and composed of commission members
397 for the purpose of holding hearings. Any complaint seeking the
398 denial of issuance, revocation or suspension of a license shall be

404 the decision of the committee or its subcommittee. An appeal to
405 the State Board of Education shall be on the record previously
406 made before the commission or its subcommittee unless otherwise
407 provided by rules and regulations adopted by the board. The State
408 Board of Education in its authority may reverse, or remand with
409 instructions, the decision of the committee or its subcommittee.
410 The decision of the State Board of Education shall be final.

411 (11) The State Board of Education, acting through the
412 commission, may deny an application for any teacher or
413 administrator license for one or more of the following:

414 (a) Lack of qualifications which are prescribed by law
415 or regulations adopted by the State Board of Education;

416 (b) The applicant has a physical, emotional or mental
417 disability that renders the applicant unfit to perform the duties
418 authorized by the license, as certified by a licensed psychologist

421 dependent on alcohol or other habit-forming drugs or is a habitual

438 recommendation of the commission, may revoke or suspend any
439 teacher or administrator license for specified periods of time for
440 one or more of the following:

441 (a) Breach of contract or abandonment of employment may
442 result in the suspension of the license for one (1) school year as
443 provided in Section 37-9-57;

444 (b) Obtaining a license by fraudulent means shall
445 result in immediate suspension and continued suspension for one
446 (1) year after correction is made;

447 (c) Suspension or revocation of a certificate or
448 license by another state shall result in immediate suspension or

464 of the offense.

465 (b) Any offense committed or attempted in any other
466 state shall result in the same penalty as if committed or
467 attempted in this state.

468 (c) A person may voluntarily surrender a license. The
469 surrender of such license may result in the commission
470 recommending any of the above penalties without the necessity of a
471 hearing. However, any such license which has voluntarily been
472 surrendered by a licensed employee may be reinstated by a
473 unanimous vote of all members of the commission.

474 (14) A person whose license has been suspended on any
475 grounds except criminal grounds may petition for reinstatement of
476 the license after one (1) year from the date of suspension, or

480 of the sentence and parole or probationary period imposed upon
481 conviction. A revoked license may be reinstated upon satisfactory
482 showing of evidence of rehabilitation. The commission shall
483 require all who petition for reinstatement to furnish evidence
484 satisfactory to the commission of good character, good mental,
485 emotional and physical health and such other evidence as the
486 commission may deem necessary to establish the petitioner's

487 rehabilitation and fitness to perform the duties authorized by the
488 license.

489 (15) Reporting procedures and hearing procedures for dealing
490 with infractions under this section shall be promulgated by the
491 commission, subject to the approval of the State Board of
492 Education. The revocation or suspension of a license shall be
493 effected at the time indicated on the notice of suspension or
494 revocation. The commission shall immediately notify the
495 superintendent of the school district or school board where the
496 teacher or administrator is employed of any disciplinary action
497 and also notify the teacher or administrator of such revocation or
498 suspension and shall maintain records of action taken. The State
499 Board of Education may reverse or remand with instructions any
500 decision of the commission regarding a petition for reinstatement
501 of a license, and any such decision of the State Board of
502 Education shall be final.

503 (16) An appeal from the action of the State Board of
504 Education in denying an application, revoking or suspending a
505 license or otherwise disciplining any person under the provisions
506 of this section, shall be filed in the Chancery Court of the First
507 Judicial District of Hinds County on the record made, including a
508 verbatim transcript of the testimony at the hearing. The appeal
509 shall be filed within thirty (30) days after notification of the
510 action of the board is mailed or served and the proceedings in
511 chancery court shall be conducted as other matters coming before
512 the court. The appeal shall be perfected upon filing notice of
513 the appeal and by the prepayment of all costs, including the cost
514 of preparation of the record of the proceedings by the State Board
515 of Education, and the filing of a bond in the sum of Two Hundred
516 Dollars (\$200.00) conditioned that if the action of the board be
517 affirmed by the chancery court, the applicant or license holder
518 shall pay the costs of the appeal and the action of the chancery
519 court.

520 (17) All such programs, rules, regulations, standards and
521 criteria recommended or authorized by the commission shall become
522 effective upon approval by the State Board of Education as
523 designated by appropriate orders entered upon the minutes thereof.

524 (18) The granting of a license shall not be deemed a
525 property right nor a guarantee of employment in any public school
526 district. A license is a privilege indicating minimal eligibility
527 for teaching in the public schools of Mississippi. This section
528 shall in no way alter or abridge the authority of local school
529 districts to require greater qualifications or standards of
530 performance as a prerequisite of initial or continued employment
531 in such districts.

532 (19) In addition to the reasons specified in subsections
533 (12) and (13) of this section, the board shall be authorized to
534 suspend the license of any licensee for being out of compliance
535 with an order for support, as defined in Section 93-11-153. The
536 procedure for suspension of a license for being out of compliance
537 with an order for support, and the procedure for the reissuance or
538 reinstatement of a license suspended for that purpose, and the
539 payment of any fees for the reissuance or reinstatement of a
540 license suspended for that purpose, shall be governed by Section
541 93-11-157 or 93-11-163, as the case may be. Actions taken by the
542 board in suspending a license when required by Section 93-11-157
543 or 93-11-163 are not actions from which an appeal may be taken
544 under this section. Any appeal of a license suspension that is
545 required by Section 93-11-157 or 93-11-163 shall be taken in
546 accordance with the appeal procedure specified in Section
547 93-11-157 or 93-11-163, as the case may be, rather than the
548 procedure specified in this section. If there is any conflict
549 between any provision of Section 93-11-157 or 93-11-163 and any
550 provision of this chapter, the provisions of Section 93-11-157 or
551 93-11-163, as the case may be, shall control.

552 **SECTION 2.** Section 37-143-11, Mississippi Code of 1972, is
553 amended as follows:

554 37-143-11. (1) It is the intention of the Legislature to
555 attract and retain qualified teachers by awarding incentive loans
556 to persons declaring an intention to serve in the teaching field
557 and who actually render service to the state while possessing an
558 appropriate teaching license.

559 (2) There is established the "William F. Winter Teacher
560 Scholar Loan Program."

561 (3) To the extent of appropriations available, students who
562 are enrolled in any baccalaureate degree-granting institution of
563 higher learning in the State of Mississippi accredited by the
564 Southern Association of Colleges and Schools and approved by the
565 Mississippi Commission on College Accreditation, or any accredited
566 nonprofit community or junior college, and who have expressed in
567 writing a present intention to teach in Mississippi, shall be
568 eligible for student loans to be applied to the costs of their
569 college education. Persons who have been admitted to a teacher
570 education program or a nontraditional teacher internship licensure
571 program authorized under Section 37-3-2(6)(b), as approved by the
572 State Board of Education, shall also qualify for loans at approved
573 institutions. The Board of Trustees of State Institutions of
574 Higher Learning shall provide that teacher education majors and
575 noneducation majors shall have equal access to scholarship/loans
576 under authority of this section.

577 (4) A freshman establishing initial eligibility shall be
578 eligible for a maximum of four (4) annual loans and a senior shall
579 be eligible for one (1) annual loan.

580 (5) The maximum annual loan shall be set by the Board of
581 Trustees of State Institutions of Higher Learning at an amount not
582 to exceed the cost of attendance at any baccalaureate
583 degree-granting institution of higher learning in the State of
584 Mississippi. However, it is the intent of the Legislature that

585 the maximum annual loan amounts under the William F. Winter
586 Teacher Scholar Loan Program shall not be of such amounts that
587 would compete with the Critical Needs Teacher Scholarship Program.

588 (6) The loans of persons who actually render service as
589 licensed teachers or nontraditional teacher interns authorized
590 under Section 37-3-2(6)(b) in a public school in Mississippi for a
591 major portion of the school day for at least seventy-eight (78)
592 school days during each of eight (8) school semesters of the ten
593 (10) immediately after obtaining a baccalaureate degree, shall be
594 converted to interest-free scholarships. Conversion shall be
595 based on two (2) semesters of service for each year a loan was
596 received, and the Board of Trustees of State Institutions of
597 Higher Learning shall not authorize the conversion of loans into
598 interest-free scholarships at any other ratio, except as follows:
599 Participants in the William F. Winter Teacher Scholar Loan Program
600 may have their loans converted into interest-free scholarships at
601 the same ratio as under the Critical Needs Teacher Scholarship
602 Program if they render service as a licensed teacher or
603 nontraditional teacher intern authorized under Section
604 37-3-2(6)(b) in a public school district in a geographical area of
605 the state where there is a critical shortage of teachers, as
606 designated by the State Board of Education.

607 (7) Persons failing to complete an appropriate program of
608 study shall immediately become liable to the Board of Trustees of
609 State Institutions of Higher Learning for the sum of all
610 outstanding loans, except in the case of a deferral of debt for
611 cause by the board, after which period of deferral, study may be
612 resumed. Persons failing to meet teaching requirements in any
613 required semester shall immediately be in breach of contract and
614 become liable to the board for the amount of the corresponding
615 loan received, with interest accruing at the current Stafford Loan
616 rate at the time the breach occurs, except in the case of a
617 deferral of debt for cause by the board, after which period of

618 deferral, teaching duties required hereunder will be resumed. If
619 the claim for payment of such loan is placed in the hands of an
620 attorney for collection after default, then the obligor shall be
621 liable for an additional amount equal to a reasonable attorney's
622 fee.

623 (8) A loan made pursuant to this section shall not be
624 voidable by reason of the age of the borrower at the time of
625 receiving the loan.

626 (9) Failure to repay any loan and interest that becomes due
627 shall be cause for the revocation of a person's teaching license
628 by the State Department of Education.

629 (10) All monies repaid to the Board of Trustees of State
630 Institutions of Higher Learning hereunder shall be added to the
631 appropriations made for purposes of this section, and those
632 appropriations shall not lapse.

633 (11) The Board of Trustees of State Institutions of Higher
634 Learning with the concurrence of the State Board of Education
635 shall jointly promulgate regulations necessary for the proper
636 administration of this section.

637 (12) If insufficient funds are available for requested loans
638 to a qualified student during any fiscal year, the Board of
639 Trustees of State Institutions of Higher Learning shall make pro
640 rata reductions in the loans made to qualifying applicants.
641 Priority consideration shall be given to persons receiving
642 previous loans and participating in the program.

643 (13) The Board of Trustees of State Institutions of Higher
644 Learning shall make an annual report to the Legislature. Each
645 report shall contain a complete enumeration of the board's
646 activities, loans or scholarships granted, names of persons to
647 whom granted and the institutions attended by those receiving the
648 same, names of persons to whom loans or scholarships were granted
649 who were not education majors, the teaching location of applicants
650 who have received their education and become licensed teachers

651 within this state as a result of the loans and/or scholarships.
652 The board shall make a full report and account of receipts and
653 expenditures for salaries and expenses incurred under the
654 provisions of this section. The board shall, upon its records and
655 any published reports, distinguish between those recipients who
656 have breached their contracts but with the board's permission who
657 have paid their financial obligations in full, and those
658 recipients who have breached their contracts and remain
659 financially indebted to the state.

660 **SECTION 3.** Section 37-159-3, Mississippi Code of 1972, is
661 amended as follows:

662 37-159-3. (1) There is established the "Critical Needs
663 Teacher Scholarship Program," the purpose of which is to attract
664 qualified teachers to those geographical areas of the state and
665 those subject areas of the curriculum where there exists a
666 critical shortage of teachers by awarding full scholarships to
667 persons declaring an intention to serve in the teaching field who
668 actually render service to the state while possessing an
669 appropriate teaching license.

670 (2) Any individual who is enrolled in or accepted for
671 enrollment at a teacher education program approved by the State
672 Board of Education or other program at a baccalaureate
673 degree-granting institution of higher learning in the State of
674 Mississippi and has a passing score on the Praxis I Basic Skills
675 Test who expresses in writing an intention to teach in a
676 geographical area of the state or a subject area of the public
677 school curriculum in which there exists a critical shortage of
678 teachers, as designated by the State Board of Education, shall be
679 eligible for a financial scholarship to be applied toward the
680 costs of the individual's college education. The annual amount of
681 the award shall be equal to the total cost for tuition, room and
682 meals, books, materials and fees at the college or university in
683 which the student is enrolled, not to exceed an amount equal to

684 the highest total cost of tuition, room and meals, books,
685 materials and fees assessed by a state institution of higher
686 learning during that school year. Awards made to nonresidents of
687 the state shall not include any amount assessed by the college or
688 university for out-of-state tuition.

689 (3) Awards granted under the Critical Needs Teacher
690 Scholarship Program shall be available to both full-time and
691 part-time students. Students enrolling on a full-time basis may
692 receive a maximum of two (2) annual awards. The maximum number of
693 awards that may be made to students attending school on a
694 part-time basis, and the maximum time period for part-time
695 students to complete the number of academic hours necessary to
696 obtain a baccalaureate degree in education, shall be established
697 by rules and regulations jointly promulgated by the Board of
698 Trustees of State Institutions of Higher Learning and the State
699 Board of Education. Critical Needs Teacher Scholarships shall not
700 be based upon an applicant's eligibility for financial aid.

701 (4) Awards granted under the Critical Needs Teacher
702 Scholarship Program shall be made available to nontraditional
703 licensed teachers showing a documented need for student loan
704 repayment and employed in those school districts designated by the
705 State Department of Education as a geographical area of the state
706 or in a subject area of the curriculum in which there is a
707 critical shortage of teachers. The maximum annual amount of this
708 repayment should not exceed Three thousand Dollars (\$3,000.00) and
709 the maximum time period for repayment shall be no more than four
710 (4) years.

711 (5) Except in those cases where employment positions may not
712 be available upon completion of licensure requirements, at the
713 beginning of the first school year in which a recipient of a
714 Critical Needs Teacher Scholarship is eligible for employment as a
715 licensed teacher or a nontraditional teacher intern pursuant to
716 Section 37-3-2(6)(b), that person shall begin to render service as

717 a licensed teacher or nontraditional teacher intern in a public
718 school district in a geographical area of the state or a subject
719 area of the curriculum where there is a critical shortage of
720 teachers, as approved by the State Board of Education. Any person
721 who received two (2) annual awards, or who received fewer than two
722 (2) annual awards, or the equivalent of two (2) annual awards,
723 shall render one (1) year's service as a licensed teacher for each
724 year that the person received a full-time student scholarship.

725 (6) Any person failing to complete a program of study which
726 will enable that person to become a licensed teacher or
727 nontraditional teacher intern under Section 37-3-2(6)(b), as the
728 case may be, shall become liable immediately to the Board of
729 Trustees of State Institutions of Higher Learning for the sum of
730 all Critical Needs Teacher Scholarship awards made to that person,
731 plus interest accruing at the current Stafford Loan rate at the
732 time the person abrogates his participation in the program. Any
733 person failing to complete his teaching obligation, as required
734 under subsection (4) of this section, shall become liable
735 immediately to the board for the sum of all scholarship awards
736 made to that person less the corresponding amount of any awards
737 for which service has been rendered, plus interest accruing at the
738 current Stafford Loan rate at the time the person discontinues his
739 service, except in the case of a deferral of debt for cause by the
740 State Board of Education when there is no employment position
741 immediately available upon a teacher's completion of licensure
742 requirements. After the period of such deferral, such person
743 shall begin or resume teaching duties as required under subsection
744 (4) or shall become liable to the board under this subsection. If
745 a claim for payment under this subsection is placed in the hands
746 of an attorney for collection, the obligor shall be liable for an
747 additional amount equal to a reasonable attorney's fee.

748 (7) The obligations made by the recipient of a Critical
749 Needs Teacher Scholarship award shall not be voidable by reason of
750 the age of the student at the time of receiving the scholarship.

751 (8) Any student who, prior to July 1, 2003, has been
752 accepted into the Critical Needs Teacher Scholarship Program under
753 the authority of Section 37-159-3(4) shall be allowed to begin or
754 remain in the scholar loan program based upon the prescribed
755 guidelines of the State Department of Education, and conversion
756 for those students with fewer than four (4) annual awards shall be
757 based on one (1) year of service in either (a) a geographic area
758 of the state in which there exists a critical shortage of teachers
759 as determined by the State Board of Education, or (b) a subject
760 area of the curriculum in the public schools in which there exists
761 a critical shortage of teachers as determined by the State Board
762 of Education, for each year a loan was received by the student.
763 For those students that receive the equivalent of four (4) annual
764 awards, such students shall render three (3) years of service.

765 (9) The Board of Trustees of State Institutions of Higher
766 Learning and the State Board of Education shall jointly promulgate
767 rules and regulations necessary for the proper administration of
768 the Critical Needs Teacher Scholarship Program. The Board of
769 Trustees of State Institutions of Higher Learning shall be the
770 administering agency of the program.

771 (10) If insufficient funds are available to fully fund
772 scholarship awards to all eligible students, the Board of Trustees
773 of State Institutions of Higher Learning shall make the awards to
774 first-time students on a first-come, first-served basis; however,
775 priority consideration shall be given to persons previously
776 receiving awards under the Critical Needs Teacher Scholarship
777 Program.

778 (11) All funds received by the Board of Trustees of State
779 Institutions of Higher Learning from the repayment of scholarship

780 awards by program participants shall be deposited in the
781 Mississippi Critical Teacher Shortage Fund.

782 (12) The State Department of Education shall compile and
783 report, in consultation with the Board of Trustees of State
784 Institutions of Higher Learning, an annual report with findings
785 and recommendations to the legislative committees on education by
786 December 1, 2003, and annually thereafter, on the following:

787 (a) The number of participants in the Critical Needs
788 Teacher Scholarship Program, by institution and by freshman,
789 sophomore, junior and senior level;

790 (b) The number of nontraditional teacher license
791 program participants;

792 (c) The number of individuals who completed the
793 Critical Needs Teacher Scholarship Program and the school district
794 in which they are employed;

795 (d) The number of individuals who are in default of
796 their obligation under the Critical Needs Teacher Scholarship
797 Program and the status of their obligation; * * *

798 (e) The number of participants in the program who have
799 successfully completed the Praxis examination in their junior
800 year; and

801 (f) The number of noneducation majors participating in
802 the program.

803 (13) Where local school districts exhibit financial need,
804 the State Department of Education may, subject to the availability
805 of funds specifically appropriated therefor by the Legislature,
806 provide financial assistance for the recruitment of certified
807 teachers in an amount not to exceed Seventy-five Thousand Dollars
808 (\$75,000.00), annually.

809 **SECTION 4.** This act shall take effect and be in force from
810 and after July 1, 2004.
