32 With the funds herein appropriated, it is the intention of
33 the Legislature that it shall be the agency's responsibility to
34 make certain that funds required to be appropriated for "Personal
35 Services" for Fiscal Year 2006 do not exceed Fiscal Year 2005
36 funds appropriated for that purpose, unless programs or positions
37 are added to the agency's Fiscal Year 2006 budget by the
38 Mississippi Legislature. Based on data provided by the
39 Legislative Budget Office, the State Personnel Board shall
40 determine and publish the projected annual cost to fully fund all
41 appropriated positions in compliance with the provisions of this
42 act. It shall be the responsibility of the agency head to insure
43 that no single personnel action increases this projected annual
44 cost and/or the Fiscal Year 2005 appropriation for "Personal
45 Services" when annualized, with the exception of escalated funds.
46 If, at the time the agency takes any action to change "Personal
47 Services," the State Personnel Board determines that the agency
48 has taken an action which would cause the agency to exceed this
49 projected annual cost or the Fiscal Year 2005 "Personal Services"
50 appropriated level, when annualized, then only those actions which
51 reduce the projected annual cost and/or the appropriation
52 requirement will be processed by the State Personnel Board until
53 such time as the requirements of this provision are met.

54 Any transfers or escalations shall be made in accordance with
55 the terms, conditions and procedures established by law or
56 allowable under the terms set forth within this act. The State
57 Personnel Board shall not escalate positions without written
58 approval from the Department of Finance and Administration. The
59 Department of Finance and Administration shall not provide written
60 approval to escalate any funds for salaries and/or positions

61 without proof of availability of new or additional funds above the
62 appropriated level.

63 No general funds authorized to be expended herein shall be
64 used to replace federal funds and/or other special funds which are
65 being used for salaries authorized under the provisions of this
66 act and which are withdrawn and no longer available.

67 Provided, however, that all funds received from any and all
68 sources shall be deposited in a special fund in the State Treasury
69 to the credit of the Mississippi Farmers Central Market.

70 **SECTION 3.** The board shall promulgate and adopt reasonable
71 rules and regulations, including employing attendants, to regulate
72 and provide for the parking of motor vehicles at the farm produce
73 marketing facility near the Mississippi Memorial Stadium for
74 regularly scheduled football games, and said board shall make said
75 facility available for such purpose and shall make a reasonable
76 charge therefor comparable to the charge made for parking in the
77 area contiguous to the stadium. The net proceeds from such
78 parking shall be deposited in the State Treasury to the credit of
79 the Mississippi Farmers Central Market and shall be used solely
80 for general maintenance and repair of the Central Market
81 facilities.

82 **SECTION 4.** The money herein appropriated shall be paid by
83 the State Treasurer out of any money in the State Treasury to the
84 credit of the proper fund or funds as set forth in this act, upon
85 warrants issued by the State Fiscal Officer; and the State Fiscal
86 Officer shall issue his warrants upon requisitions signed by the
87 proper person, officer or officers in the manner provided by law.

88 **SECTION 5.** This act shall take effect and be in force from
89 and after July 1, 2004.
