46 With the funds herein appropriated, it is the intention of  
47 the Legislature that it shall be the agency's responsibility to  
48 make certain that funds required to be appropriated for "Personal  
49 Services" for Fiscal Year 2006 do not exceed Fiscal Year 2005  
50 funds appropriated for that purpose, unless programs or positions  
51 are added to the agency's Fiscal Year 2006 budget by the  
52 Mississippi Legislature. Based on data provided by the  
53 Legislative Budget Office, the State Personnel Board shall  
54 determine and publish the projected annual cost to fully fund all  
55 appropriated positions in compliance with the provisions of this  
56 act. It shall be the responsibility of the agency head to insure  
57 that no single personnel action increases this projected annual  
58 cost and/or the Fiscal Year 2005 appropriation for "Personal  
59 Services" when annualized, with the exception of escalated funds.  
60 If, at the time the agency takes any action to change "Personal  
61 Services," the State Personnel Board determines that the agency

62 has taken an action which would cause the agency to exceed this  
63 projected annual cost or the Fiscal Year 2005 "Personal Services"  
64 appropriated level, when annualized, then only those actions which  
65 reduce the projected annual cost and/or the appropriation  
66 requirement will be processed by the State Personnel Board until  
67 such time as the requirements of this provision are met.

68 Any transfers or escalations shall be made in accordance with  
69 the terms, conditions and procedures established by law or  
70 allowable under the terms set forth within this act. The State  
71 Personnel Board shall not escalate positions without written  
72 approval from the Department of Finance and Administration. The  
73 Department of Finance and Administration shall not provide written  
74 approval to escalate any funds for salaries and/or positions  
75 without proof of availability of new or additional funds above the  
76 appropriated level.

77 No general funds authorized to be expended herein shall be  
78 used to replace federal funds and/or other special funds which are  
79 being used for salaries authorized under the provisions of this  
80 act and which are withdrawn and no longer available.

81 **SECTION 4.** It is the intention of the Legislature that the  
82 Director of the Mississippi Emergency Management Agency may, upon  
83 the request of a local public emergency management organization in  
84 an area which has suffered a natural disaster, supply equipment to  
85 rural water associations to enable their continued operation when  
86 the local emergency management organization determines that such  
87 private entities provide services essential to the welfare of the  
88 community.

89 **SECTION 5.** It is the intention of the Legislature that the  
90 Director of the Mississippi Emergency Management Agency shall  
91 provide enhanced training to local governments, supervisors,

95 necessary, is hereby appropriated out of any money in the State  
96 General Fund not otherwise appropriated, to the Mississippi  
97 Emergency Management Agency for the purpose of defraying certain  
98 administrative expenses and the state share of the cost of  
99 disaster assistance programs, including but not being limited to,  
100 public assistance programs, individual and family grant programs,  
101 and mitigation programs, for the fiscal year beginning  
102 July 1, 2004, and ending June 30, 2005.....\$     1,621,000.00.

103       **SECTION 7.** The following sum, or so much thereof as may be  
104 necessary, is hereby appropriated out of any money in the State

106 Agency Fund Nos. 3724, 3725, 3728, 372U and 372C for the  
107 purpose of defraying certain administrative expenses and the state  
108 and federal share of the cost of disaster assistance programs,  
109 including but not being limited to, public assistance programs,

111 the fiscal year beginning July 1, 2004, and ending  
112 June 30, 2005.....\$   86,794,856.00.

113       **SECTION 8.** The funds appropriated under the provisions of  
114 Sections 6 and 7 are provided to defray certain administrative
