31 With the funds herein appropriated, it is the intention of
32 the Legislature that it shall be the agency's responsibility to
33 make certain that funds required to be appropriated for "Personal
34 Services" for Fiscal Year 2006 do not exceed Fiscal Year 2005
35 funds appropriated for that purpose, unless programs or positions
36 are added to the agency's Fiscal Year 2006 budget by the
37 Mississippi Legislature. Based on data provided by the
38 Legislative Budget Office, the State Personnel Board shall
39 determine and publish the projected annual cost to fully fund all
40 appropriated positions in compliance with the provisions of this
41 act. It shall be the responsibility of the agency head to insure
42 that no single personnel action increases this projected annual
43 cost and/or the Fiscal Year 2005 appropriation for "Personal
44 Services" when annualized, with the exception of escalated funds.
45 If, at the time the agency takes any action to change "Personal
46 Services," the State Personnel Board determines that the agency
47 has taken an action which would cause the agency to exceed this
48 projected annual cost or the Fiscal Year 2005 "Personal Services"
49 appropriated level, when annualized, then only those actions which
50 reduce the projected annual cost and/or the appropriation
51 requirement will be processed by the State Personnel Board until
52 such time as the requirements of this provision are met.

53 Any transfers or escalations shall be made in accordance with
54 the terms, conditions and procedures established by law or
55 allowable under the terms set forth within this act. The State
56 Personnel Board shall not escalate positions without written
57 approval from the Department of Finance and Administration. The
58 Department of Finance and Administration shall not provide written

59 approval to escalate any funds for salaries and/or positions
60 without proof of availability of new or additional funds above the
61 appropriated level.

62 No general funds authorized to be expended herein shall be
63 used to replace federal funds and/or other special funds which are
64 being used for salaries authorized under the provisions of this
65 act and which are withdrawn and no longer available.

66 **SECTION 3.** It is the intention of the Legislature that the
67 State Board of Medical Licensure shall maintain complete
68 accounting and personnel records related to the expenditure of all
69 funds appropriated under this act and that such records shall be
70 in the same format and level of detail as maintained for Fiscal
71 Year 2004. It is further the intention of the Legislature that
72 the agency's budget request for Fiscal Year 2006 shall be
73 submitted to the Joint Legislative Budget Committee in a format
74 and level of detail comparable to the format and level of detail
75 provided during the Fiscal Year 2005 budget request process.

76 **SECTION 4.** The money herein appropriated shall be paid by
77 the State Treasurer out of any money in the State Treasury to the
78 credit of the proper fund or funds as set forth in this act, upon
79 warrants issued by the State Fiscal Officer; and the State Fiscal
80 Officer shall issue his warrants upon requisitions signed by the
81 proper person, officer or officers, in the manner provided by law.

82 **SECTION 5.** This act shall take effect and be in force from
83 and after July 1, 2004.
