224 precursor, substances which are precursors of the controlled  
225 precursor shall not be recommended for control solely because they  
226 are precursors of the controlled precursor.

227           (d) If any substance is designated, rescheduled, or  
228 deleted as a controlled substance under federal law and notice  
229 thereof is given to the board, it shall recommend the control of

244 common, usual, chemical or trade name designated.

245 (f) The board shall recommend the exclusion of any  
246 nonnarcotic substance from a schedule if such substance may, under  
247 the Federal Food, Drug and Cosmetic Act and the laws of this  
248 state, be lawfully sold over the counter without a prescription.
