HOUSE BILL NO. 138

1 AN ACT TO PROHIBIT TEACHERS, COUNSELORS AND OTHER SCHOOL
2 OFFICIALS FROM RECOMMENDING PSYCHIATRIC DRUGS FOR ANY CHILD; AND
3 FOR RELATED PURPOSES.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

5 **SECTION 1.** (1) Each local school board shall adopt and
6 implement policies prohibiting any teacher, counselor or other
7 school personnel from recommending the use of psychiatric drugs
8 for any child. However, this section does not prohibit: (a)
9 school medical staff from recommending that a child be evaluated
10 by an appropriate medical practitioner; or (b) school personnel
11 from consulting, with the consent of a child's parent or guardian,
12 with a medical practitioner concerning the child.

13 (2) The refusal of a parent or other person having control
14 of a child to administer or consent to the administration of any
15 psychiatric drug to that child does not, in and of itself,
16 constitute grounds for the Department of Human Services to take
17 the child into custody or for any court of competent jurisdiction
18 to order that the child be taken into custody by the department
19 unless the refusal causes the child to be neglected or abused, as
20 defined in Section 43-21-105.

21 **SECTION 2.** This act shall take effect and be in force from
22 and after July 1, 2005.
