31 any and all laws pertaining to the protection of forests and
32 woodland.

33 (c) To encourage forest and tree planting for the
34 production of a wood crop, for the protection of water supply, for

36 contributing to the general welfare, public hygiene and comfort of
37 the people.

38 (d) To cause to be made such technical investigations
39 and studies concerning forest conditions, the propagation, care
40 and protection of forest and shade trees, the care and management
41 of forests, their growth, yield and the products and by-products
42 thereof, and any other competent subject, including forest
43 taxation, bearing on the timber supply and needs of the state,
44 which the commission, in its discretion, may deem proper.

45 (e) To assist and cooperate with any federal or state
46 department or institution, county, town, corporation or

75 engaged.

76 (h) To submit annually to the Legislature a report of
77 the expenditures, proceedings and results achieved, together with
78 such other matters including recommendations concerning
79 legislation as are germane to the aims and purposes of this
80 chapter.

81 (i) To create, establish and organize the State of
82 Mississippi into forestry districts for the most effective and
83 efficient administration of the commission.

101 a provision on it for information that will constitute a complaint
102 charging the offense for which the citation was issued and, when
103 duly sworn to and filed with a court of competent jurisdiction,
104 prosecution may proceed under that complaint. For the purposes of
105 this section, the fact that any person is found to have a brush or

109 of another shall be evidence that such person recklessly or with
110 gross negligence caused the land to burn.

111 This subsection shall stand repealed on June 30, 2006.

112 **SECTION 2.** Section 97-17-13, Mississippi Code of 1972, is
113 amended as follows:

128 purposes of this section, the fact that any person is found to
129 have a brush or debris pile or other material which is or was

130 being burned and reasonable and prudent efforts were not taken to
131 prevent the spread of the fire and from which fire communicated on
132 the lands of another shall be evidence that such person recklessly
133 or with gross negligence caused the land to burn.

134 In addition to the fines provided herein, upon conviction, a
135 person shall be ordered to reimburse and pay in restitution
136 directly to any organized fire suppression agency recognized by
137 the Mississippi Forestry Commission all the costs the agency
138 incurred related to the suppression and abatement of the fire.

139 This section shall stand repealed on July 1, 2007.

140 **SECTION 3.** This act shall take effect and be in force from
141 and after July 1, 2005.
