424 reasonable actual and necessary costs incurred by the Department
425 of Audit in providing services related to a project for which
426 funding is provided from the use of proceeds of such bonds. The
427 Department of Audit shall maintain an accounting of actual costs
428 incurred for each project for which reimbursements are sought.
429 The Department of Audit may escalate its budget and expend such
430 funds in accordance with rules and regulations of the Department
431 of Finance and Administration in a manner consistent with the
432 escalation of federal funds. Reimbursements under this paragraph
433 (f)(ii) shall not exceed Twenty-five Thousand Dollars (\$25,000.00)
434 for each project. Reimbursements under this paragraph (f)(ii)
435 shall satisfy any applicable federal tax law requirements.

436 (5) The principal of and the interest on the bonds shall be
437 payable in the manner hereinafter set forth. The bonds shall bear
438 date or dates; be in such denomination or denominations; bear
439 interest at such rate or rates; be payable at such place or places
440 within or without the state; mature absolutely at such time or
441 times; be redeemable before maturity at such time or times and
442 upon such terms, with or without premium; bear such registration
443 privileges; and be substantially in such form; all as shall be
444 determined by resolution of the State Bond Commission except that
445 such bonds shall mature or otherwise be retired in annual

446 installments beginning not more than five (5) years from the date
447 thereof and extending not more than twenty-five (25) years from
448 the date thereof. The bonds shall be signed by the Chairman of
449 the State Bond Commission, or by his facsimile signature, and the
450 official seal of the State Bond Commission shall be imprinted on
451 or affixed thereto, attested by the manual or facsimile signature
452 of the Secretary of the State Bond Commission. Whenever any such
453 bonds have been signed by the officials herein designated to sign
454 the bonds, who were in office at the time of such signing but who
455 may have ceased to be such officers before the sale and delivery
456 of such bonds, or who may not have been in office on the date such
457 bonds may bear, the signatures of such officers upon such bonds
458 shall nevertheless be valid and sufficient for all purposes and
459 have the same effect as if the person so officially signing such
460 bonds had remained in office until the delivery of the same to the
461 purchaser, or had been in office on the date such bonds may bear.

462 (6) All bonds issued under the provisions of this section
463 shall be and are hereby declared to have all the qualities and
464 incidents of negotiable instruments under the provisions of the
465 Uniform Commercial Code and in exercising the powers granted by
466 this chapter, the State Bond Commission shall not be required to
467 and need not comply with the provisions of the Uniform Commercial
468 Code.

469 (7) The State Bond Commission shall sell the bonds on sealed
470 bids at public sale, and for such price as it may determine to be
471 for the best interest of the State of Mississippi, but no such
472 sale shall be made at a price less than par plus accrued interest
473 to date of delivery of the bonds to the purchaser. The bonds
474 shall bear interest at such rate or rates not exceeding the limits
475 set forth in Section 75-17-101 as shall be fixed by the State Bond
476 Commission. All interest accruing on such bonds so issued shall
477 be payable semiannually or annually; provided that the first

478 interest payment may be for any period of not more than one (1)
479 year.

480 Notice of the sale of any bonds shall be published at least
481 one time, the first of which shall be made not less than ten (10)
482 days prior to the date of sale, and shall be so published in one
483 or more newspapers having a general circulation in the City of
484 Jackson and in one or more other newspapers or financial journals
485 with a large national circulation, to be selected by the State
486 Bond Commission.

487 The State Bond Commission, when issuing any bonds under the
488 authority of this section, may provide that the bonds, at the
489 option of the state, may be called in for payment and redemption
490 at the call price named therein and accrued interest on such date
491 or dates named therein.

492 (8) State bonds issued under the provisions of this section
493 shall be the general obligations of the state and backed by the
494 full faith and credit of the state. The Legislature shall
495 appropriate annually an amount sufficient to pay the principal of
496 and the interest on such bonds as they become due. All bonds
497 shall contain recitals on their faces substantially covering the
498 foregoing provisions of this section.

499 (9) The State Treasurer is authorized to certify to the
500 Department of Finance and Administration the necessity for
501 warrants, and the Department of Finance and Administration is
502 authorized and directed to issue such warrants payable out of any
503 funds appropriated by the Legislature under this section for such
504 purpose, in such amounts as may be necessary to pay when due the
505 principal of and interest on all bonds issued under the provisions
506 of this section. The State Treasurer shall forward the necessary
507 amount to the designated place or places of payment of such bonds
508 in ample time to discharge such bonds, or the interest thereon, on
509 the due dates thereof.

510 (10) The bonds may be issued without any other proceedings
511 or the happening of any other conditions or things other than
512 those proceedings, conditions and things which are specified or
513 required by this chapter. Any resolution providing for the
514 issuance of general obligation bonds under the provisions of this
515 section shall become effective immediately upon its adoption by
516 the State Bond Commission, and any such resolution may be adopted
517 at any regular or special meeting of the State Bond Commission by
518 a majority of its members.

519 (11) In anticipation of the issuance of bonds hereunder, the
520 State Bond Commission is authorized to negotiate and enter into
521 any purchase, loan, credit or other agreement with any bank, trust
522 company or other lending institution or to issue and sell interim
523 notes for the purpose of making any payments authorized under this
524 section. All borrowings made under this provision shall be
525 evidenced by notes of the state which shall be issued from time to
526 time, for such amounts not exceeding the amount of bonds
527 authorized herein, in such form and in such denomination and
528 subject to such terms and conditions of sale and issuance,
529 prepayment or redemption and maturity, rate or rates of interest
530 not to exceed the maximum rate authorized herein for bonds, and
531 time of payment of interest as the State Bond Commission shall
532 agree to in such agreement. Such notes shall constitute general
533 obligations of the state and shall be backed by the full faith and
534 credit of the state. Such notes may also be issued for the
535 purpose of refunding previously issued notes. No note shall
536 mature more than three (3) years following the date of its
537 issuance. The State Bond Commission is authorized to provide for
538 the compensation of any purchaser of the notes by payment of a
539 fixed fee or commission and for all other costs and expenses of
540 issuance and service, including paying agent costs. Such costs
541 and expenses may be paid from the proceeds of the notes.

542 (12) The bonds and interim notes authorized under the
543 authority of this section may be validated in the First Judicial
544 District of the Chancery Court of Hinds County, Mississippi, in
545 the manner and with the force and effect provided now or hereafter
546 by Chapter 13, Title 31, Mississippi Code of 1972, for the
547 validation of county, municipal, school district and other bonds.
548 The necessary papers for such validation proceedings shall be
549 transmitted to the State Bond Attorney, and the required notice
550 shall be published in a newspaper published in the City of
551 Jackson, Mississippi.

552 (13) Any bonds or interim notes issued under the provisions
553 of this chapter, a transaction relating to the sale or securing of
554 such bonds or interim notes, their transfer and the income
555 therefrom shall at all times be free from taxation by the state or
556 any local unit or political subdivision or other instrumentality
557 of the state, excepting inheritance and gift taxes.

558 (14) All bonds issued under this chapter shall be legal
559 investments for trustees, other fiduciaries, savings banks, trust
560 companies and insurance companies organized under the laws of the
561 State of Mississippi; and such bonds shall be legal securities
562 which may be deposited with and shall be received by all public
563 officers and bodies of the state and all municipalities and other
564 political subdivisions thereof for the purpose of securing the
565 deposit of public funds.

566 (15) The Attorney General of the State of Mississippi shall
567 represent the State Bond Commission in issuing, selling and
568 validating bonds herein provided for, and the Bond Commission is
569 hereby authorized and empowered to expend from the proceeds
570 derived from the sale of the bonds authorized hereunder all
571 necessary administrative, legal and other expenses incidental and
572 related to the issuance of bonds authorized under this chapter.

573 (16) There is hereby created a special fund in the State
574 Treasury to be known as the Mississippi Major Economic Impact

575 Authority Fund wherein shall be deposited the proceeds of the
576 bonds issued under this chapter and all monies received by the
577 authority to carry out the purposes of this chapter. Expenditures
578 authorized herein shall be paid by the State Treasurer upon
579 warrants drawn from the fund, and the Department of Finance and
580 Administration shall issue warrants upon requisitions signed by
581 the director of the authority.

582 (17) (a) There is hereby created the Mississippi Economic
583 Impact Authority Sinking Fund from which the principal of and
584 interest on such bonds shall be paid by appropriation. All monies
585 paid into the sinking fund not appropriated to pay accruing bonds
586 and interest shall be invested by the State Treasurer in such
587 securities as are provided by law for the investment of the
588 sinking funds of the state.

589 (b) In the event that all or any part of the bonds and
590 notes are purchased, they shall be cancelled and returned to the
591 loan and transfer agent as cancelled and paid bonds and notes and
592 thereafter all payments of interest thereon shall cease and the
593 cancelled bonds, notes and coupons, together with any other
594 cancelled bonds, notes and coupons, shall be destroyed as promptly
595 as possible after cancellation but not later than two (2) years
596 after cancellation. A certificate evidencing the destruction of
597 the cancelled bonds, notes and coupons shall be provided by the
598 loan and transfer agent to the seller.

599 (c) The State Treasurer shall determine and report to
600 the Department of Finance and Administration and Legislative
601 Budget Office by September 1 of each year the amount of money
602 necessary for the payment of the principal of and interest on
603 outstanding obligations for the following fiscal year and the
604 times and amounts of the payments. It shall be the duty of the
605 Governor to include in every executive budget submitted to the
606 Legislature full information relating to the issuance of bonds and
607 notes under the provisions of this chapter and the status of the

608 sinking fund for the payment of the principal of and interest on
609 the bonds and notes.

610 (d) Any monies repaid to the state from loans
611 authorized in Section 57-75-11(hh) shall be deposited into the
612 Mississippi Major Economic Impact Authority Sinking Fund unless
613 the State Bond Commission, at the request of the authority, shall
614 determine that such loan repayments are needed to provide
615 additional loans as authorized under Section 57-75-11(hh). For
616 purposes of providing additional loans, there is hereby created
617 the Mississippi Major Economic Impact Authority Revolving Loan
618 Fund and loan repayments shall be deposited into the fund. The
619 fund shall be maintained for such period as determined by the
620 State Bond Commission for the sole purpose of making additional
621 loans as authorized by Section 57-75-11(hh). Unexpended amounts
622 remaining in the fund at the end of a fiscal year shall not lapse
623 into the State General Fund and any interest earned on amounts in
624 such fund shall be deposited to the credit of the fund.

625 (e) Any monies repaid to the state from loans
626 authorized in Section 57-75-11(ii) shall be deposited into the
627 Mississippi Major Economic Impact Authority Sinking Fund.

628 (18) (a) Upon receipt of a declaration by the authority
629 that it has determined that the state is a potential site for a
630 project, the State Bond Commission is authorized and directed to
631 authorize the State Treasurer to borrow money from any special
632 fund in the State Treasury not otherwise appropriated to be
633 utilized by the authority for the purposes provided for in this
634 subsection.

635 (b) The proceeds of the money borrowed under this
636 subsection may be utilized by the authority for the purpose of
637 defraying all or a portion of the costs incurred by the authority
638 with respect to acquisition options and planning, design and
639 environmental impact studies with respect to a project defined in
640 Section 57-75-5(f)(xi). The authority may escalate its budget and

641 expend the proceeds of the money borrowed under this subsection in
642 accordance with rules and regulations of the Department of Finance
643 and Administration in a manner consistent with the escalation of
644 federal funds.

645 (c) The authority shall request an appropriation or
646 additional authority to issue general obligation bonds to repay
647 the borrowed funds and establish a date for the repayment of the
648 funds so borrowed.

649 (d) Borrowings made under the provisions of this
650 subsection shall not exceed Five Hundred Thousand Dollars
651 (\$500,000.00) at any one time.

652 **SECTION 4.** Section 69-27-345, Mississippi Code of 1972, is
653 amended as follows:

654 69-27-345. The State Soil and Water Conservation Commission
655 is authorized, at one time or from time to time, to declare by
656 resolution the necessity for issuance of negotiable general
657 obligation bonds of the State of Mississippi to provide funds for
658 the revolving fund established in Section 69-27-343. Upon the
659 adoption of a resolution by the commission, declaring the
660 necessity for the issuance of any part or all of the general
661 obligation bonds authorized by Sections 69-27-345 through
662 69-27-365, the commission shall deliver a certified copy of its
663 resolution or resolutions to the State Bond Commission. Upon
664 receipt of same, the State Bond Commission, in its discretion,
665 shall act as the issuing agent, prescribe the form of the bonds,
666 advertise for and accept bids, issue and sell the bonds so
667 authorized to be sold, and do any and all other things necessary
668 and advisable in connection with the issuance and sale of such
669 bonds. The amount of bonds issued under Sections 69-27-345
670 through 69-27-365 shall not exceed Five Hundred Thousand Dollars
671 (\$500,000.00) in the aggregate.

672 **SECTION 5.** Section 69-27-347, Mississippi Code of 1972, is
673 amended as follows:

674 69-27-347. For the payment of such bonds and the interest
675 thereon, the full faith, credit, and taxing power of the State of
676 Mississippi are hereby irrevocably pledged. If the Legislature
677 finds that there are sufficient funds available in the General
678 Fund of the State Treasury to pay maturing principal and accruing
679 interest of the bonds, and if the Legislature appropriates such
680 available funds for the purpose of paying such maturing principal
681 and accruing interest, then the maturing principal and accruing
682 interest of the bonds shall be paid from appropriations made by
683 the Legislature from the General Fund of the State Treasury.

684 * * *

685 All monies in such revolving fund which are not necessary to
686 pay accruing bonds and interest shall be invested by the State
687 Treasurer in such securities as are provided by law for the
688 investment of funds of the state, and the earnings on such
689 investments shall be transferred by the Treasurer into the
690 revolving fund created in Section 69-27-343.

691 **SECTION 6.** Section 4, Chapter 538, Laws of 1985, is amended
692 as follows:

693 Section 4. The State Fire Academy, acting through the Bureau
694 of Building, Grounds and Real Property Management of the
695 Governor's Office of General Services is authorized to issue
696 revenue bonds or notes in an aggregate amount not to exceed Two
697 Million Two Hundred Thousand Dollars (\$2,200,000.00) to provide
698 funds for the purpose of capital improvements at the State Fire
699 Academy and to pledge revenue as provided in Section 45-11-5(3),
700 Mississippi Code of 1972, to pay such indebtedness incurred.

701 Upon the adoption of a resolution by the bureau declaring the
702 necessity for the issuance of any part or all of the bonds
703 authorized by this section, the bureau shall deliver a certified
704 copy of its resolution or resolutions to the State Bond
705 Commission. Upon the receipt of same, the State Bond Commission
706 shall act as the issuing agent, prescribe the form of the bonds or

707 notes, issue and sell the bonds or notes so authorized to be sold,
708 and do any and all other things necessary and advisable in
709 connection with the issuance and sale of such bonds. For the
710 payment of such bonds or notes and the interest thereon, the
711 revenue derived from the taxes levied in Section 45-11-5(3),
712 Mississippi Code of 1972, are hereby irrevocably pledged. Such
713 bonds or notes shall bear such date or dates, be in such
714 denomination or denominations, bear interest at such rate or rates
715 not to exceed a maximum rate to maturity than that allowed in
716 Section 75-17-103, Mississippi Code of 1972, be payable at such
717 place or places within or without the State of Mississippi, shall
718 mature absolutely at such time or times not to exceed twenty (20)
719 years, be redeemable prior to maturity at such time or times and
720 upon such terms, with or without premium, shall bear such
721 registration privileges, and shall be substantially in such form,
722 all as shall be determined by resolution of the State Bond
723 Commission. Such bonds or notes shall be signed by the Chairman
724 of the State Bond Commission or by his facsimile signature, and
725 the official seal of the State Bond Commission shall be affixed
726 thereto, attested by the Secretary of the State Bond Commission.
727 Whenever any such bonds shall have been signed by the officials
728 herein designated to sign the bonds who were in office at the time
729 of such signing but who may have ceased to be such officers prior
730 to the sale and delivery of such bonds or who may not have been in
731 office on the date such bonds may bear, the signatures of such
732 officers upon such bonds and coupons shall nevertheless be valid
733 and sufficient for all purposes and have the same effect as if the
734 person so officially signing such bonds had remained in office
735 until the delivery of the same to the purchaser or had been in
736 office on the date such bonds may bear.

737 Upon the issuance and sale of such bonds, the State Bond
738 Commission shall transfer the proceeds of any such sale or sales
739 to a special fund hereby created in the State Treasury to be known

740 as the "State Fire Academy Construction Bond Fund". The proceeds
741 of such bonds shall be used by the bureau for capital improvement
742 projects but may also be used to pay costs incident to the
743 issuance and sale of such bonds, and shall be disbursed solely
744 upon the order of the bureau under such restrictions, if any, as
745 may be contained in the resolution providing for the issuance of
746 the bonds.

747 Revenue bonds may be issued without any other proceeding or
748 the happening of any other conditions or things than those
749 proceedings, conditions and things which are specified or required
750 in this act. The revenue bonds authorized under this act may, in
751 the discretion of the authority, be validated by the Chancery
752 Court of Hinds County, Mississippi, in the manner and with the
753 force and effect provided now or hereafter by Sections 31-13-1
754 through 31-13-11, Mississippi Code of 1972, for the validation of
755 county, municipal, school district and other bonds. The necessary
756 papers for such validation proceedings shall be transmitted to the
757 state's bond attorney and the required notice shall be published
758 in a newspaper published in the City of Jackson, Mississippi.
