38 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

39 **SECTION 1.** (1) **Referendum.** In any Mississippi county  
40 bordering the Gulf of Mexico having a population in excess of one  
41 hundred eighty-nine thousand (189,000) according to the latest  
42 federal decennial census, in which is located a countywide school  
43 district and at least four (4) municipal separate school  
44 districts, there shall be held a referendum on the question of the

45 administrative consolidation of all of the school districts in the  
46 county into a single countywide school district with one (1)  
47 administrative unit and one (1) school board, that is not required  
48 to close school facilities. The date of the referendum shall be  
49 on the first Tuesday after the first Monday in November 2005.  
50 Notice of such referendum shall be published by the board of  
51 supervisors of such county once each week for at least three (3)  
52 consecutive weeks in a newspaper published or having a general  
53 circulation in the county, with the first publication of such  
54 notice to be made not less than twenty-one (21) days before the  
55 date fixed for the referendum and the last publication to be made  
56 not more than seven (7) days before the referendum. At the  
57 referendum, all qualified electors of such county may vote, and  
58 the ballots used in such referendum shall have printed thereon the  
59 words "FOR THE ADMINISTRATIVE CONSOLIDATION OF ALL SCHOOL  
60 DISTRICTS IN \_\_\_\_\_ COUNTY INTO ONE (1) COUNTYWIDE SCHOOL  
61 DISTRICT", and, on a separate line, "AGAINST THE ADMINISTRATIVE  
62 CONSOLIDATION OF ALL SCHOOL DISTRICTS IN \_\_\_\_\_ COUNTY  
63 INTO ONE (1) COUNTYWIDE SCHOOL DISTRICT", and the voters shall  
64 vote by placing a cross (X) or check (✓) opposite their choice on  
65 the proposition. When the results of any such referendum shall  
66 have been canvassed by the county election commission and  
67 certified, the school districts in the county shall be  
68 administratively consolidated under the procedures specified in  
69 subsection (3) of this section, only if a majority of the  
70 qualified electors who vote in the election vote in favor of the  
71 proposition. In the event that a majority of the qualified  
72 electors who vote at the referendum vote in opposition to the  
73 proposition, a subsequent referendum on the issue of  
74 administrative consolidation shall be held within two (2) years  
75 from the date of the first referendum on a date to be established  
76 by the board of supervisors of such county. If the proposition is  
77 denied at the second referendum, no further referendum may be held

on the question for a period of five (5) years. No public funds shall be used for the purpose of promoting the adoption of the referendum.

(2) **Definitions.** As used in this section:

(a) "Administrative annexation" means the joining of an affected school district or a part of the school district with a receiving district;

(b) "Administrative consolidation" means the joining of two (2) or more school districts to create a new single countywide school district with one (1) administrative unit pursuant to referendum, and one (1) school board that is not required to close school facilities;

(c) "Affected district" means a school district that loses territory or students as a result of administrative annexation or consolidation;

(d) "Resulting district" means the new countywide school district created from an affected district or districts as a result of administrative consolidation required pursuant to referendum.

(3) **Administrative consolidation.**

(a) There shall be an administrative consolidation of all school districts located in the county affected by the referendum required under subsection (1) if a majority of the qualified electors who vote in the election vote in favor of the proposition, as provided in this subsection (3). There shall be a new county board of education elected in the November general or special elections following the date of the referendum, which shall be elected as provided in Section 37-5-7, Mississippi Code of 1972. The new county board of education shall provide for the administrative consolidation of all school districts in the county into one (1) countywide school district embracing the entire county on or before July 1 next following the November election. Any school district affected by the required administrative

consolidation that does not voluntarily consolidate with the countywide school district shall be administratively consolidated by the State Board of Education with the countywide school district in which such district is located, to be effective on July 1 following the election of the new county board of education. The State Board of Education shall promptly move on its own motion to administratively consolidate a school district which does not voluntarily consolidate in order to enable the affected school districts to reasonably accomplish the resulting administrative consolidation into one (1) countywide school district by July 1 following the election of the new county board of education. All affected school districts shall comply with any consolidation order issued by the county board of education or the State Board of Education, as the case may be, on or before July 1 following the election of the new county board of education.

(b) On July 1 following the election of the new county board of education, the former county board of education, the board of trustees of any municipal separate, special municipal separate, consolidated or line consolidated school district located in such county shall be abolished. All real and personal property which is owned or titled in the name of a school district located in such county shall be transferred to the countywide school district of the county in which such school district is located. Each affected school board shall be responsible for establishing the contracts for teachers and principals for the next school year following the required administrative consolidation with the consultation of the newly elected successor county board of education. The selection of the appointed county superintendent of education and the assistant superintendent of education in the central administration office of the successor countywide school district shall be the responsibility of the successor county board of education. No such administratively consolidated countywide school district shall have more than one

(1) assistant county superintendent of education. It shall be the responsibility of the successor county board of education to prepare and approve the budget of the new countywide district, and the county board of education may use staff from the former school districts to prepare the budget. Any proposed order of the successor county board of education directing the transfer of the assets, real or personal property of an affected school district in the county, shall be submitted and approved by the State Board of Education. The finding of the State Board of Education shall be final and conclusive for the purposes of the transfer of property required by such administrative consolidation. Any person or school district aggrieved by an order of the successor county school board of education pursuant to the required administrative consolidation may appeal therefrom to the State Board of Education within ten (10) days from the date of the adjournment of the meeting at which such order is entered. Such appeal shall be de novo, and the finding of the State Board of Education upon such question shall be final and conclusive for the purpose of the approval or disapproval of the action by said county board of education.

(c) When any school district in such county is abolished under the provisions of this section, the abolition thereof shall not impair or release the property of such former school district from liability for the payment of the bonds or other indebtedness of such district and it shall be the duty of the board of supervisors of said county to levy taxes on the property of said district so abolished from year to year according to the terms of such indebtedness until same shall be fully paid.

(d) In the administratively consolidated countywide school district created under this section, the ad valorem tax rate shall be determined as set forth under Section 37-57-1 et seq. When any school district in such county is abolished under the provisions of this section, the successor county board of

education and the levying authority for the county shall levy a local ad valorem tax effort in dollars pursuant to the authority of Sections 37-57-1 et seq., which shall be sufficient to produce no less than the same amount provided by the abolished school districts in the county to the schools in such former districts for instructional purposes in the school year prior to such consolidation. Monies from gross revenue fee and license tax collections on legal gaming activities, which are allocated by local and private law to the schools located within school districts in the county which have been abolished under the provisions of this section, shall continue to receive the same allocations of funds according to the provisions of said local and private laws.

(e) Nothing in this section shall be construed to require the closing of any school or school facility, unless such facility is an unneeded administrative office located within a school district which has been abolished under the provisions of this section. All administrative consolidations under this section shall be accomplished so as not to delay or in any manner negatively affect the desegregation of another school district in the county pursuant to court order. Individual schools and attendance centers in operation and located within a school district which has been abolished under the provisions of this section may continue to operate under the same name for a period of ten (10) years following such administrative consolidation, but may be merged or consolidated with other school facilities in the discretion of the successor county board of education pursuant to law following such ten-year period.

(f) The State Board of Education shall promulgate rules and regulations to facilitate the administrative consolidation of the school districts in a county pursuant to this section. When the orders of the successor county board of education adopting the boundaries of the successor countywide school district have been

210 entered and are final, as approved by the State Board of  
211 Education, the new district lines shall be submitted by the State  
212 Board of Education with the assistance of the Attorney General to  
213 the Attorney General of the United States for preclearance or to  
214 the United States District Court for the District of Columbia for  
215 a declaratory judgment in accordance with the provisions of the  
216 Voting Rights Act of 1965, as amended and extended. In the event  
217 the change in the school district lines are precleared or  
218 approved, the State Board of Education shall formally declare the  
219 new lines as the new boundaries of the consolidated countywide  
220 school district.

221       **SECTION 2.** Section 37-7-103, Mississippi Code of 1972, is  
222 amended as follows:

223       37-7-103. From and after July 1, 1987, the school board of  
224 any school district shall have full jurisdiction, power and  
225 authority, at any regular meeting thereof or at any special  
226 meeting called for that purpose, to abolish such existing  
227 district, or to reorganize, change or alter the boundaries of any  
228 such district. In addition thereto, with the consent of the  
229 school board of the school district involved, the school board may  
230 add to such school district any part of the school district  
231 adjoining same, and with the consent of the school board of the  
232 school district involved, may detach territory from such school  
233 district and annex same to an adjoining district. Provided,  
234 however, that in any county having a referendum on the question of  
235 the administrative consolidation of the existing public school  
236 districts in the county into one (1) countywide school district as  
237 provided in Senate Bill No. 2713, 2005 Regular Session, the  
238 reorganization of such school districts shall follow the  
239 procedures specified in Section 1 thereof.

240       **SECTION 3.** Section 37-5-7, Mississippi Code of 1972, is  
241 amended as follows:

242           37-5-7. (1) On the first Tuesday after the first Monday in  
243 May 1954, an election shall be held in each county in this state  
244 in the same manner as general state and county elections are held  
245 and conducted, which election shall be held for the purpose of  
246 electing the county boards of education established under the  
247 provisions of this chapter. At such election, the members of the  
248 said board from Supervisors Districts One and Two shall be elected  
249 for the term expiring on the first Monday of January 1957; members  
250 of the board from Supervisors Districts Three and Four shall be  
251 elected for a term expiring on the first Monday of January 1959;  
252 and the member of the board from Supervisors District Five shall  
253 be elected for a term expiring on the first Monday of January  
254 1955. Except as otherwise provided in subsection (2), all  
255 subsequent members of the board shall be elected for a term of six  
256 (6) years at the regular general election held on the first Monday  
257 in November next preceding the expiration of the term of office of  
258 the respective member or members of such board. All members of  
259 the county board of education as herein constituted, shall take  
260 office on the first Monday of January following the date of their  
261 election.

262           (2) On the first Tuesday after the first Monday in November,  
263 in any year in which any county shall elect to utilize the  
264 authority contained in Section 37-5-1(2), an election shall be  
265 held in each such county in this state for the purpose of electing  
266 the county boards of education in such counties. At said election  
267 the members of the said county board of education from Districts  
268 One and Two shall be elected for a term of four (4) years, the  
269 members from Districts Three and Four shall be elected for a term  
270 of six (6) years, and the member from District Five shall be  
271 elected for a term of (2) years. Thereafter, members shall be  
272 elected at general elections as vacancies occur for terms of six  
273 (6) years each. All members of the county board of education

shall take office on the first Monday of January following the date of their election.

(3) Provided, however, that if a majority of the qualified electors vote in favor of the administrative consolidation of all school districts located in the county affected in Section 1 of Senate Bill No. 2713, 2005 Regular Session, there shall be a new county board of education elected in the November general or special election following the date of the referendum. The new county board of education shall be elected in the manner provided in Section 37-5-1 et seq., and shall be elected for terms of office consistent with the provisions of this section.

**SECTION 4.** Section 37-5-67, Mississippi Code of 1972, is amended as follows:

37-5-67. The county superintendent of education shall be appointed by the county board of education:

(a) In any county of the first class lying wholly within a levee district and within which there is situated a city of more than forty thousand (40,000) population according to the last federal decennial census;

(b) In any county bordering on the Gulf of Mexico or Mississippi Sound, having therein a test facility operated by the National Aeronautics and Space Administration;

(e) In any Class 4 county having population in excess of twenty-five thousand (25,000) according to the 1960 federal census, traversed by U.S. Highway 55 and wherein State Highways 12 and 17 intersect;

307           (f) In any county created after 1916 through which the  
308 Yazoo River flows;

309           (g) In any Class 4 county having a land area of six  
310 hundred ninety-five (695) square miles, bordering on the State of  
311 Alabama, wherein the Treaty of Dancing Rabbit was signed and  
312 wherein U.S. Highway 45 and State Highway 14 intersect;

313           (h) In any county bordering on the Mississippi River  
314 wherein lies the campus of a land-grant institution or lands  
315 contiguous thereto owned by the institution;

316           (i) In any county lying within the Yazoo-Mississippi  
317 Delta Levee District, bordering upon the Mississippi River, and  
318 having a county seat with a population in excess of twenty-one  
319 thousand (21,000) according to the federal census of 1960;

320           (j) In any Class 3 county wherein is partially located  
321 a national forest and wherein U.S. Highway 51 and State Highway 28

323 fifty-one (27,051) and a 1963 assessed valuation of Sixteen

326           (k) In any Class 1 county wherein U.S. Highway 49 and  
327 State Highway 16 intersect, having a land area in excess of nine

330 favor of an administrative consolidation of all school districts  
331 located in the county into one (1) countywide school district  
332 pursuant to the referendum required in Section 1 of Senate Bill  
333 No. 2713, 2005 Regular Session.

334           **SECTION 5.** Section 37-15-13, Mississippi Code of 1972, is  
335 amended as follows:

336           37-15-13. When any child qualified under the requirements of  
337 Section 37-15-9 shall apply or present himself for enrollment in  
338 or admission to the public schools of any school district of this  
339 state, the school board of such school district shall have the

power and authority to designate the particular school or attendance center of the district in which such child shall be enrolled and which he shall attend; no enrollment of a child in a school shall be final or permanent until such designation shall be made by said school board. No child shall be entitled to attend any school or attendance center except that to which he has been assigned by the school board; however, the principal of a school or superintendent of the district may, in proper cases, permit a child to attend a school temporarily until a permanent assignment is made by the school board. Provided, that no change in the attendance zone of any school district shall be made by a newly elected county board of education which succeeds to the territory of a school district which is administratively consolidated under the requirements of Section 1 of Senate Bill No. 2713, 2005 Regular Session.

**SECTION 6.** Section 37-57-105, Mississippi Code of 1972, is amended as follows:

37-57-105. (1) In addition to the taxes levied under Section 37-57-1, the levying authority for the school district, as defined in Section 37-57-1, upon receipt of a certified copy of an order adopted by the school board of the school district requesting an ad valorem tax effort in dollars for the support of the school district, shall, at the same time and in the same manner as other ad valorem taxes are levied, levy an annual ad valorem tax in the amount fixed in such order upon all of the taxable property of such school district, which shall not be less than the millage rate certified by the State Board of Education as the uniform minimum school district ad valorem tax levy for the support of the adequate education program in such school district under Section 37-57-1. Provided, however, that any school district levying less than the uniform minimum school district ad valorem tax levy on July 1, 1997, shall only be required to increase its local district maintenance levy in four (4) mill

373 annual increments in order to attain such millage requirements.  
374 In making such levy, the levying authority shall levy an  
375 additional amount sufficient to cover anticipated delinquencies  
376 and costs of collection so that the net amount of money to be  
377 produced by such levy shall be equal to the amount which is  
378 requested by said school board. The proceeds of such tax levy,  
379 excluding levies for the payment of the principal of and interest  
380 on school bonds or notes and excluding levies for costs of  
381 collection, shall be placed in the school depository to the credit  
382 of the school district and shall be expended in the manner  
383 provided by law for the purpose of supplementing teachers'  
384 salaries, extending school terms, purchasing furniture, supplies  
385 and materials, and for all other lawful operating and incidental  
386 expenses of such school district, funds for which are not provided  
387 by adequate education program fund allotments.

388       The monies authorized to be received by school districts from  
389 the School Ad Valorem Tax Reduction Fund pursuant to Section  
390 37-61-35 shall be included as ad valorem tax receipts. The  
391 levying authority for the school district, as defined in Section  
392 37-57-1, shall reduce the ad valorem tax levy for such school  
393 district in an amount equal to the amount distributed to such  
394 school district from the School Ad Valorem Tax Reduction Fund each  
395 calendar year pursuant to said Section 37-61-35. Such reduction  
396 shall not be less than the millage rate necessary to generate a  
397 reduction in ad valorem tax receipts equal to the funds  
398 distributed to such school district from the School Ad Valorem Tax  
399 Reduction Fund pursuant to Section 37-61-35. Such reduction shall  
400 not be deemed to be a reduction in the aggregate amount of support  
401 from ad valorem taxation for purposes of Section 37-19-11. The  
402 millage levy certified by the State Board of Education as the  
403 uniform minimum ad valorem tax levy or the millage levy that would  
404 generate funds in an amount equal to a school district's district

405 entitlement, as defined in Section 37-22-1(2)(e), shall be subject  
406 to the provisions of this paragraph.

407       In any county where there is located a nuclear generating  
408 power plant on which a tax is assessed under Section 27-35-309(3),  
409 such required levy and revenue produced thereby may be reduced by  
410 the levying authority in an amount in proportion to a reduction in  
411 the base revenue of any such county from the previous year. Such  
412 reduction shall be allowed only if the reduction in base revenue  
413 equals or exceeds five percent (5%). "Base revenue" shall mean  
414 the revenue received by the county from the ad valorem tax levy  
415 plus the revenue received by the county from the tax assessed  
416 under Section 27-35-309(3) and authorized to be used for any  
417 purposes for which a county is authorized by law to levy an ad  
418 valorem tax. For purposes of determining if the reduction equals  
419 or exceeds five percent (5%), a levy of millage equal to the prior  
420 year's millage shall be hypothetically applied to the current  
421 year's ad valorem tax base to determine the amount of revenue to  
422 be generated from the ad valorem tax levy. For the purposes of  
423 this section and Section 37-57-107, the portion of the base  
424 revenue used for the support of any school district shall be  
425 deemed to be the aggregate receipts from ad valorem taxes for the  
426 support of any school district. This paragraph shall apply to  
427 taxes levied for the 1987 fiscal year and for each fiscal year  
428 thereafter. If the Mississippi Supreme Court or another court  
429 finally adjudicates that the tax levied under Section 27-35-309(3)  
430 is unconstitutional, then this paragraph shall stand repealed.

431       (2) When the tax is levied upon the territory of any school  
432 district located in two (2) or more counties, the order of the  
433 school board requesting the levying of such tax shall be certified  
434 to the levying authority of each of the counties involved, and  
435 each of the levying authorities shall levy the tax in the manner  
436 specified herein. The taxes so levied shall be collected by the  
437 tax collector of the levying authority involved and remitted by

the tax collector to the school depository of the home county to the credit of the school district involved as provided above, except that taxes for collection fees may be retained by the levying authority for deposit into its general fund.

(3) The aggregate receipts from ad valorem taxes levied for school district purposes, excluding collection fees, pursuant to this section and Section 37-57-1 shall be subject to the increased limitation under Section 37-57-107; however, if the ad valorem tax effort in dollars requested by the school district for the fiscal year exceeds the next preceding fiscal year's ad valorem tax effort in dollars by more than four percent (4%) but not more than seven percent (7%), then the school board shall publish notice thereof once each week for at least three (3) consecutive weeks in a newspaper having general circulation in the school district involved, with the first publication thereof to be made not less than fifteen (15) days prior to the final adoption of the budget by the school board. If at any time prior to said adoption a petition signed by not less than twenty percent (20%) or fifteen hundred (1500), whichever is less, of the qualified electors of the school district involved shall be filed with the school board requesting that an election be called on the question of exceeding the next preceding fiscal year's ad valorem tax effort in dollars by more than four percent (4%) but not more than seven percent (7%), then the school board shall, not later than the next regular meeting, adopt a resolution calling an election to be held within such school district upon such question. The election shall be called and held, and notice thereof shall be given, in the same manner for elections upon the questions of the issuance of the bonds of school districts, and the results thereof shall be certified to the school board. The ballot shall contain the language "For the School Tax Increase Over Four Percent (4%)" and "Against the School Tax Increase Over Four Percent (4%)." If a majority of the qualified electors of the school district who

471 voted in such election shall vote in favor of the question, then  
472 the stated increase requested by the school board shall be  
473 approved. For the purposes of this paragraph, the revenue sources  
474 excluded from the increased limitation under Section 37-57-107  
475 shall also be excluded from the limitation described herein in the  
476 same manner as they are excluded under Section 37-57-107.

477 (4) When any school district is abolished pursuant to a  
478 mandatory administrative consolidation of school districts ordered  
479 by referendum of the electors of the county, as provided in  
480 Section 1 of Senate Bill No. 2713, 2005 Regular Session, the  
481 successor county board of education shall request and the levying  
482 authority for the county shall levy a local ad valorem tax effort  
483 in dollars which shall be sufficient to produce no less than the  
484 same amount provided by the abolished school districts in the  
485 county to the schools in such former districts for instructional
