226 authorized elected public officials of the municipalities within  
227 the proposed metropolitan area joining in filing the petition and

235 proposed metropolitan area shall be served with process as a party  
236 defendant to said petition. The chancery clerk shall cause a  
237 notice of such hearing addressed to the taxpayers and qualified

255 such petition at any time in vacation, and may determine all  
256 matters pertaining thereto, may adjourn the hearing from time to

261 continued, the chancellor shall take evidence and all interested  
262 persons objecting to the creation of such metropolitan authority  
263 may appear and contest the same. If the chancellor shall find  
264 that a sound plan exists for the creation of a metropolitan  
265 authority to accomplish the purposes set forth in this act and the  
266 same would meet a public necessity, he shall render a decree  
267 creating such metropolitan authority under the provisions of this  
268 act, specifying in the decree the metropolitan area to be served  
269 thereby, which may be less than the area set out in the petition.  
270 The chancellor shall not include within the metropolitan area of a  
271 proposed metropolitan authority any area lying within the  
272 corporate limits of a municipality unless such municipality shall  
273 have either joined in the petition or filed a written consent to  
274 such inclusion adopted by its governing body. If the chancellor  
275 finds that the proposed metropolitan authority should not be  
276 organized, then he shall dismiss the proceedings.

277 (4) When so organized, the metropolitan authority shall have  
278 the power to sue and be sued, provided that the metropolitan  
279 authority shall not be liable and shall be immune from suit at law  
280 or in equity on account of any wrongful or tortious act or  
281 omission, including libel, slander or defamation, by it, or any  
282 such act or omission by any employee of any such metropolitan  
283 authority, subject to and in accordance with the provisions of  
284 Sections 11-46-1 through 11-46-19, Mississippi Code of 1972.

285 (5) If at any time any public agency within the metropolitan  
286 area of the duly organized metropolitan authority shall elect to  
287 become a member agency of the metropolitan authority by a majority  
288 vote of the governing body of such public agency, such public  
289 agency may be admitted as a member agency of such metropolitan  
290 authority, upon the approval by a three-fifths (3/5) affirmative

291 vote of the total membership of the board of directors of the  
292 metropolitan authority and by a concurrent affirmative vote of

306 judgment of the board, are necessary. The president shall be the  
307 chief executive officer of the metropolitan authority and the  
308 presiding officer of the board, and shall have the same right to  
309 vote as any other director. The vice president shall perform all  
310 duties and exercise all powers conferred by this act upon the  
311 president when the president is absent or fails or declines to  
312 act, except the president's right to vote. The board shall also  
313 appoint a secretary and a treasurer who may or may not be members  
314 of the board, and it may combine those officers. The treasurer  
315 shall give bond in the sum of not less than Fifty Thousand Dollars  
316 (\$50,000.00) as set by the board of directors, and each director  
317 may be required to give bond in the sum of not less than Ten  
318 Thousand Dollars (\$10,000.00), with sureties qualified to do  
319 business in this state, and the premiums on said bonds shall be an  
320 expense of such metropolitan authority. Each such bond shall be  
321 payable to the State of Mississippi; the condition of each such  
322 bond shall be that the treasurer or director will faithfully  
323 perform all duties of his office and account for all money or

324 other assets which shall come into his custody as treasurer or  
325 director of such metropolitan authority.

326       Except for the election or appointment of officers, all  
327 business of the metropolitan authority shall be transacted by a  
328 three-fifths (3/5) affirmative vote of the total membership of the  
329 board of directors and, if the authority shall own or operate a  
330 system, by a concurrent vote of directors representing sixty  
331 percent (60%) of the total payments for use of the system of the  
332 metropolitan authority during the preceding fiscal year. The  
333 quorum for any meeting of the board of directors shall be  
334 three-fifths (3/5) of the total membership of the board of  
335 directors and, if the authority shall own or operate a system, the  
336 presence of directors representing more than sixty percent (60%)  
337 of the total payments for use of the system of the metropolitan  
338 authority during the preceding fiscal year.

339       Section 5. The metropolitan authority is authorized and  
340 empowered to acquire, construct, improve, enlarge, extend, repair,  
341 operate and maintain one or more systems and to make contracts  
342 with any person in furtherance thereof; and to make contracts with

346 public agency. A metropolitan authority may also enter into  
347 contracts with any person to design and construct any system, and

349 terms as may be deemed desirable, or otherwise, any such system.  
350 The metropolitan authority is also authorized to enter into  
351 operating agreements with any person, for such terms and upon such  
352 conditions as may be deemed desirable, for the operation of any  
353 facilities or systems; and the metropolitan authority may lease to  
354 or from any person, for such term and upon such conditions as may  
355 be deemed desirable, any facilities or systems. Any such contract  
356 may contain provisions requiring any public agency or other person

357 to regulate the quality of water and the quality and strength of  
358 waste to be handled by the system and may also provide that a  
359 metropolitan authority shall have the right to use any streets,  
360 alleys and public ways and places within the jurisdiction of a  
361 public agency during the term of the contract. Any provision of  
362 this act to the contrary notwithstanding, the metropolitan  
363 authority shall not become the owner of any existing sewage  
364 disposal system unless all municipalities or other public agencies  
365 currently utilizing such system or any portion thereof, including  
366 the City of Richland, are offered access to such sewage disposal  
367 system on terms not less favorable than the terms contained in  
368 contracts with the City of Jackson in existence prior to  
369 acquisition of such ownership. The City of Richland shall have  
370 access to such system on terms not less favorable than the terms

373 the 21st day of February 1975, as interpreted by the Circuit Court  
374 of Rankin County in Cause No. 14,141; provided, however, that the  
375 City of Richland will also pay its proportionate share of the  
376 operation, maintenance and debt service of the West Rankin Pumping  
377 Station, beginning at such time as such system is acquired by the  
378 metropolitan authority.

379 Section 6. The metropolitan authority, through its board of  
380 directors, in addition to any and all powers now or hereafter  
381 granted to it, is hereby empowered:

391 granted by Section 21-27-7 and Sections 21-27-161 through  
392 21-27-191, Mississippi Code of 1972, as amended, unless any of the  
393 foregoing is otherwise prohibited under the State Constitution or  
394 this act. The amount and character of interest in land, other  
395 property, and easements thus to be acquired shall be determined by  
396 the board of directors, and their determination shall be  
397 conclusive and shall not be subject to attack in the absence of  
398 manifold abuse of discretion or fraud on the part of such board in  
399 making such determination. However,

400           (i) In acquiring lands, a metropolitan authority  
401 shall not acquire minerals or royalties; provided that sand and  
402 gravel shall not be considered as minerals within the meaning of  
403 this section; and

405 rights or the right to share in production shall be prevented from  
406 exploring, developing or producing oil or gas with necessary  
407 rights-of-way for ingress and egress, pipelines and other means of  
408 transporting interests on any land or interest thereon of any  
409 metropolitan authority held or used for the purposes of this act;  
410 but any such activities shall be under such reasonable regulations  
411 by the board of directors as will adequately protect the systems  
412 of any such metropolitan authority contemplated by this act.

413           (c) To provide for the necessary relocation or  
414 rerouting of roads and highways, railroad, telephone and telegraph  
415 lines and properties, electric power lines, gas pipe lines and  
416 related facilities, or to require the anchoring or other  
417 protection of any of these, provided due compensation is first  
418 paid to the owners thereof or agreement is had with such owners  
419 regarding the payment of the cost of such relocation, and to  
420 acquire easements or rights-of-way for such relocation or  
421 rerouting and to convey the same to the owners of the property

422 being relocated or rerouted in connection with the purpose of this  
423 act.

424           (d) To enter into contracts with any public agency,  
425 including, but not limited to, contracts authorized by Section 7  
426 of this act, in furtherance of any of the purposes authorized by  
427 this act upon such consideration as the board of directors and  
428 such public agency may agree. Any such contract may extend over  
429 any period of time, notwithstanding any provision or rule of law  
430 to the contrary, may be upon such terms as the parties thereto  
431 shall agree, and may provide that it shall continue in effect  
432 until bonds specified therein, refunding bonds issued in lieu of  
433 such bonds, and all other obligations specified therein are paid  
434 or terminated. Any such contract shall be binding upon the  
435 parties thereto according to its terms.

436           (e) To make and enforce, and from time to time amend  
437 and repeal, bylaws and rules and regulations for the management of  
438 its business and affairs and for the construction, use,  
439 maintenance and operation of any systems under its management and  
440 control and any other of its properties.

441           (f) To employ staff and other personnel, including  
442 attorneys, engineers and consultants. The board of directors may,  
443 in its discretion, employ a general manager having the authority  
444 to employ and fire employees of the metropolitan authority.

445           (g) To accept and utilize grants and other funds from  
446 any source for systems.

447           (h) To establish and maintain rates and charges for the  
448 use of the services of such systems, and from time to time to  
449 adjust such rates, to the end that the revenues therefrom will be  
450 sufficient at all times to pay the expenses of operating and  
451 maintaining such systems and all of the metropolitan authority's  
452 obligations under any contract or bond resolution with respect  
453 thereto.

454           (i) To adopt rules and regulations necessary to carry  
455 out the implementation of the metropolitan area plan and to assure  
456 the payment by each participating public agency of its  
457 proportionate share of system costs.

458           (j) To refuse to receive waste from any public agency  
459 or subdivision thereof that does not comply with the provisions of  
460 the metropolitan area plan applicable to the particular area  
461 within which such public agency or subdivision thereof is located.

462           (k) To accept industrial waste for treatment and to  
463 require the pretreatment of same when in the opinion of such  
464 metropolitan authority such pretreatment is necessary.

465           (l) To adopt all necessary and reasonable rules and  
466 regulations to carry out and effectuate any water supply, waste  
467 treatment or waste disposal plan adopted for the metropolitan  
468 area, as contractually authorized.

469           (m) So long as any indebtedness on any sewerage system,  
470 treatment facilities and sewage disposal system of the  
471 metropolitan authority remains outstanding, to require by contract  
472 with a public agency or other person that all waste within the  
473 metropolitan area be disposed of through sewerage systems,  
474 treatment facilities and sewage disposal systems which comprise a  
475 part of the metropolitan area plan, to the extent that the same  
476 may be available, but no public agency shall be precluded from  
477 constructing, operating and maintaining its own sewerage system  
478 after the current indebtedness owing on the system as of the  
479 effective date of this act is paid in full.

480           Section 7. (1) Any public agency may, pursuant to a duly  
481 adopted resolution of the governing authority of such public  
482 agency, enter into contracts with the metropolitan authority under  
483 the terms of which the metropolitan authority will collect, within  
484 its designated metropolitan area, and transport, treat or dispose  
485 of waste for such public agency. Any public agency may also,  
486 pursuant to a duly adopted resolution of the governing authority

487 of such public agency, enter into contracts with the metropolitan  
488 authority under the terms of which the metropolitan authority will  
489 collect, store, treat and distribute water for such public agency.  
490 Any public agency may also enter into contracts with the  
491 metropolitan authority for the metropolitan authority to purchase  
492 or sell, by installments over such terms as may be deemed  
493 desirable, or otherwise, any waterworks, water supply systems,  
494 waste collection, transportation, sewage disposal or treatment  
495 facilities or systems. Any public agency is also authorized to  
496 enter into operating agreements with the metropolitan authority,  
497 for such terms and upon such conditions as may be deemed  
498 desirable, for the operation of waterworks, water supply systems,  
499 waste collection, transportation, sewage disposal or treatment  
500 facilities or systems by such metropolitan authority or by any  
501 person contracting with the metropolitan authority to operate such  
502 systems; and any public agency may lease to or from the  
503 metropolitan authority, for such term and upon such conditions as  
504 may be deemed desirable, any waterworks, water supply systems,  
505 waste collection, transportation, treatment or sewage disposal or  
506 treatment facilities or systems. Any such contract may contain  
507 provisions requiring any public agency to regulate the quality of  
508 water and the quality and strength of waste to be handled by the  
509 sewage disposal system and may also provide that such metropolitan  
510 authority shall have the right to use any streets, alleys and  
511 public ways and places within the jurisdiction of a public agency  
512 during the term of the contract for any of its systems. Such  
513 contracts may obligate the public agency to make payments to such  
514 metropolitan authority or to a trustee in amounts which shall be  
515 sufficient to enable such metropolitan authority to defray the  
516 expenses of administering, operating and maintaining its  
517 waterworks, water supply system and sewage disposal system and  
518 other systems, to pay interest and principal (whether at maturity  
519 upon redemption or otherwise) on bonds of such metropolitan

520 authority issued pursuant to this act and to fund reserves for  
521 debt service, for operation and maintenance and for renewals and  
522 replacements, and to fulfill the requirements of any rate covenant  
523 with respect to debt service coverage contained in any resolution,  
524 trust indenture or other security agreement relating to the bonds  
525 of such metropolitan authority issued pursuant to this act. Any  
526 public agency shall have the power to enter into such contracts  
527 with the metropolitan authority as in the discretion of the  
528 governing authorities thereof would be in the best interest of  
529 such public agency. Such contracts may include a pledge of the  
530 full faith and credit of such public agency and/or the avails of  
531 any special assessments made by such public agency against  
532 property receiving benefits, as now or hereafter provided by law.  
533 Any such contract may provide for the sale or lease to or use of  
534 by such metropolitan authority of any system or any part thereof  
535 of the public agency; may provide that such metropolitan authority  
536 shall operate any system or any part thereof of the public agency;  
537 may provide that any public agency shall have the right to  
538 continued use and/or priority use of any of its system or any part  
539 thereof during the useful life thereof upon payment of reasonable  
540 charges therefor; may contain provisions to assure equitable  
541 treatment of public agencies who contract with such metropolitan  
542 authority pursuant to this act; and may contain such other  
543 provisions and requirements as the parties thereto may determine  
544 to be appropriate or necessary. Such contracts may extend over  
545 any period of time, notwithstanding any provisions of law to the  
546 contrary, and may extend beyond the life of the system or any part  
547 thereof or the term of any bonds sold with respect to such  
548 facilities or improvements thereto.

549 (2) The obligations of a public agency arising under the  
550 terms of any contract referred to in this act, whether or not  
551 payable solely from a pledge of revenues, shall not be included  
552 within the indebtedness limitations of the public agency for

553 purposes of any constitutional or statutory limitation or  
554 provision. To the extent provided in such contract and to the  
555 extent such obligations of the public agency are payable wholly or  
556 in part from the revenues and other monies derived by the public  
557 agency from the operation of its system or any part thereof, such  
558 obligations shall be treated as expenses of operating such system.

559 (3) Contracts referred to in this section may also provide  
560 for payments in the form of contributions to defray the cost of  
561 any purpose set forth in the contracts and as advances for the  
562 system or any part thereof subject to repayment by a metropolitan  
563 authority. A public agency may make such contributions or  
564 advances from its general fund or surplus fund or from special  
565 assessments or from any monies legally available therefor.

566 (4) Payments made or to be made to any metropolitan  
567 authority by a public agency pursuant to a contract for a system  
568 or any part thereof shall not be subject to approval or review by  
569 the Mississippi Public Service Commission.

570 (5) Subject to the terms of a contract or contracts referred  
571 to in this act, any metropolitan authority is hereby authorized to  
572 do and perform any and all acts or things necessary, convenient or  
573 desirable to carry out the purposes of such contracts, including  
574 the fixing, charging, collecting, maintaining and revising of  
575 rates, fees and other charges for the services rendered by any  
576 system operated or maintained by a metropolitan authority, whether  
577 or not such system is owned by such metropolitan authority.

578 (6) No provision of this act shall be construed to prohibit  
579 any public agency, otherwise permitted by law to issue bonds, from  
580 issuing bonds in the manner provided by law for the construction,  
581 renovation, repair or development of a system or any part thereof  
582 owned or operated by such public agency.

583 Section 8. Whenever a public agency shall have executed a  
584 contract pursuant to this act and the payments thereunder are to  
585 be made either wholly or partly from the revenues of a system, of

586 a public agency or any part thereof or a combination of such  
587 systems, the duty is hereby imposed on the public agency to  
588 establish and maintain and from time to time to adjust the rates  
589 charged by the public agency for the services of such system or  
590 systems, such that the revenues therefrom together with any taxes  
591 and special assessments levied in support thereof will be  
592 sufficient at all times to pay: (a) the expense of operating and  
593 maintaining such system or systems, including all of the public  
594 agency's obligations to such metropolitan authority, its  
595 successors or assigns under such contract; and (b) all of the  
596 public agency's obligations under and in connection with revenue  
597 bonds theretofore issued, or which may be issued thereafter and  
598 secured by the revenues of such system or systems. Any such  
599 contract may require the use of consulting engineers and financial  
600 experts to advise the public agency whether and when such rates  
601 are to be adjusted.

602 Section 9. (1) The metropolitan authority shall have the  
603 power and is hereby authorized, from time to time, to borrow money  
604 and to issue revenue bonds in such principal amounts as such  
605 metropolitan authority may determine to be necessary to provide  
606 sufficient funds for achieving one or more of the purposes of this  
607 act, including, without limiting the generality of the foregoing,  
608 to defray all the costs of the project, the cost of the  
609 acquisition, construction, improvement, repair or extension of a  
610 system, or any part thereof, whether or not such facilities are  
611 owned by such metropolitan authority, the payment of interest on  
612 bonds of such metropolitan authority issued pursuant to this act,  
613 establishment of reserves to secure such bonds and payment of the  
614 interest thereon, expenses incident to the issuance of such bonds  
615 and to the implementation of such metropolitan authority's system,  
616 and all other expenditures of the metropolitan authority incident  
617 to or necessary or convenient to carry out the purposes of this  
618 act.

619           (2) Before issuing bonds (other than interim notes or  
620 refunding bonds as provided in Section 10 of this act) hereunder,  
621 the board of directors of the metropolitan authority shall first  
622 hold a public hearing before the governing authorities of each  
623 affected public agency with due notice of the time, date and place  
624 of said hearing published in a newspaper of general circulation in  
625 said public agency, and then shall adopt a resolution declaring  
626 its intention to issue such bonds and stating the maximum  
627 principal amount of bonds proposed to be issued, a general generic  
628 description of the proposed improvements and the proposed location  
629 thereof and the date, time and place at which the board of  
630 directors proposes to take further action with respect to the  
631 issuance of such bonds. No director shall vote for the resolution  
632 of intent to issue such bonds unless the governing authorities of  
633 the entity represented by said director shall have adopted a  
634 resolution, not more than sixty (60) days before said vote,  
635 authorizing said director to vote therefor. The resolution of the  
636 authority shall be published once a week for at least three (3)  
637 consecutive weeks in at least one (1) newspaper having a general  
638 circulation within the geographical limits of all of the public  
639 agencies:

640           (a) Which have contracted with the metropolitan  
641 authority pursuant to this act; and

642           (b) Whose contracts relate to the bonds proposed to be  
643 issued, (each member agency which meets all of the criteria set  
644 forth in (a) and (b) foregoing is hereinafter in this section  
645 referred to as "affected member agency," and, together with other  
646 such agencies, collectively referred to as the "affected member  
647 agencies"); provided, however, that if no newspaper has a general  
648 circulation within the geographical limits of all of the affected  
649 member agencies, then such resolution shall be published in as  
650 many different newspapers as may be required to provide general  
651 circulation of the publication of such resolution within the

652 geographical limits of each affected member agency; and, provided  
653 further, that if no newspaper has a general circulation within the  
654 geographical limits of any particular affected member agency, then  
655 notice in such affected member agency shall be made by posting a  
656 copy of such resolution for at least twenty-one (21) days next  
657 preceding the date therein at two (2) public places within the  
658 geographical limits of such member agency. The first publication  
659 of such resolution shall be made not less than twenty-one (21)  
660 days prior to the date fixed in such resolution to direct the  
661 issuance of the bonds and the last publication shall be made not  
662 more than seven (7) days prior to such date. If twenty percent  
663 (20%) of the qualified electors residing in the authority or one  
664 thousand five hundred (1,500), whichever is lesser, shall file a  
665 written protest against the issuance of such bonds on or before  
666 the date specified in such resolution, then an election on the  
667 question of the issuance of such bonds shall be called and held as  
668 herein provided. If no such protest be filed, then such bonds may  
669 be issued without an election on the question of the issuance  
670 thereof at any time within a period of two (2) years after the  
671 date specified in the above-mentioned resolution. Where an  
672 election is to be called, notice of such election shall be signed  
673 by the president of the board of directors, and shall be published  
674 once a week for at least three (3) consecutive weeks in the same  
675 manner as publication of the resolution. The first publication of  
676 such notice shall be made not less than twenty-one (21) days prior  
677 to the date fixed for such election and the last publication shall  
678 be made not more than seven (7) days prior to such date. The  
679 election shall be conducted by the election commissioners of the  
680 county in which the authority is located. Such election shall be  
681 held, as far as is practicable, in the same manner as other county  
682 special elections are held in the county where the authority is  
683 located. At such election, all qualified electors residing in the  
684 metropolitan area may vote, and the ballots used at such election

685 shall have printed thereon a brief statement of the amount and  
686 purpose of the proposed bond issue and the words "FOR THE BOND  
687 ISSUE" and "AGAINST THE BOND ISSUE," and the voter shall vote by  
688 placing a cross (X) or check mark (√) opposite his choice on the  
689 proposition. When the results of the election on the question of  
690 the issuance of such bonds shall have been canvassed by the  
691 election commissioners of the county in which the authority is  
692 located and certified by them to the board of directors of the  
693 authority, it shall be the duty of the board of directors of the  
694 authority to determine and adjudicate whether or not a majority of  
695 the qualified electors who voted thereon in such election voted in  
696 favor of the issuance of such bonds, and unless a majority of the  
697 qualified electors who voted thereon in such election shall have  
698 voted in favor of the issuance of such bonds, then such bonds  
699 shall not be issued. Should a majority of the qualified electors  
700 who vote thereon in such election vote in favor of the issuance of  
701 such bonds, then the board of directors may issue such bonds,  
702 either in whole or in part, within two (2) years after the date of  
703 the election or the date of the final favorable termination of any  
704 litigation affecting the issuance of such bonds.

705 (3) Bonds of any metropolitan authority issued pursuant to  
706 this act shall be payable from and secured by a pledge of all or  
707 any part of the revenues under one or more contracts entered into  
708 pursuant to this act between the metropolitan authority and one or  
709 more of its member public agencies and from all or any part of the  
710 revenues derived from the operation of any designated system or  
711 any part or parts thereof and any other monies legally available  
712 and designated therefor, as may be determined by such metropolitan  
713 authority, subject only to any agreement with the purchasers of  
714 the bonds. Such bonds may be further secured by a trust indenture  
715 between such metropolitan authority and a corporate trustee, which  
716 may be any trust company or bank having powers of a trust company  
717 without or within the state.

718           (4) Bonds of the metropolitan authority issued pursuant to  
719 this act shall be authorized by a resolution or resolutions  
720 adopted by a three-fifths (3/5) affirmative vote of the total  
721 membership of the board of directors of the metropolitan authority  
722 and by a concurrent affirmative vote of directors representing  
723 sixty percent (60%) of the total payments for use of the system of  
724 the metropolitan authority during the preceding fiscal year. Such  
725 bonds may be issued in series, and each series of such bonds shall  
726 bear such date or dates, mature at such time or times, bear  
727 interest at such rate or rates (not exceeding the maximum rate set  
728 out in Section 75-17-103, Mississippi Code of 1972, as amended),  
729 be in such denomination or denominations, be in such form, carry  
730 such conversion privileges, have such rank or priority, be  
731 executed in such manner and by such officers, be payable from such  
732 sources in such medium of payment at such place or places within  
733 or without the state, provided that one such place shall be within  
734 the state, and be subject to such terms of redemption prior to  
735 maturity, all as may be provided by resolution or resolutions of  
736 the board of directors.

737           (5) Bonds of the metropolitan authority issued pursuant to  
738 this act may be sold at such price or prices, at public or private  
739 sale, in such manner and at such times as may be determined by  
740 such metropolitan authority to be in the public interest, and such  
741 metropolitan authority may pay all expenses, premiums, fees and  
742 commissions which it may deem necessary and advantageous in  
743 connection with the issuance and sale thereof.

744           (6) Any pledge of earnings, revenues or other monies made by  
745 the metropolitan authority shall be valid and binding from the  
746 time the pledge is made. The earnings, revenues or other monies  
747 so pledged and thereafter received by such metropolitan authority  
748 shall immediately be subject to the lien of such pledge without  
749 any physical delivery thereof or further act, and the lien of any  
750 such pledge shall be valid and binding as against all parties

751 having claims of any kind in tort, contract or otherwise against  
752 such metropolitan authority irrespective of whether such parties  
753 have notice thereof. Neither the resolution nor any other  
754 instrument by which a pledge is created need be recorded.

755 (7) Neither the members of the board of directors nor any  
756 person executing the bonds shall be personally liable on the bonds  
757 or be subject to any personal liability or accountability by  
758 reason of the issuance thereof.

759 (8) Proceeds from the sale of bonds of the metropolitan  
760 authority may be invested, pending their use, in such securities  
761 as may be specified in the resolution authorizing the issuance of  
762 the bonds or the trust indenture securing them, and the earnings  
763 on such investments applied as provided in such resolution or  
764 trust indenture.

765 (9) Whenever any bonds shall have been signed by the  
766 officer(s) designated by the resolution of the board of directors  
767 to sign the bonds who were in office at the time of such signing  
768 but who may have ceased to be such officer(s) prior to the sale  
769 and delivery of such bonds, or who may not have been in office on  
770 the date such bonds may bear, the manual or facsimile signatures  
771 of such officer(s) upon such bonds shall nevertheless be valid and  
772 sufficient for all purposes and have the same effect as if the  
773 person so officially executing such bonds had remained in office  
774 until the delivery of the same to the purchaser or had been in  
775 office on the date such bonds may bear.

776 Section 10. The metropolitan authority may by resolution  
777 adopted by its board of directors issue refunding bonds for the  
778 purpose of paying any of its bonds at or prior to maturity or upon  
779 acceleration or redemption. Refunding bonds may be issued at such  
780 time prior to the maturity or redemption of the refunded bonds as  
781 the board of directors deems to be in the public interest, without  
782 an election on the question of the issuance thereof. The  
783 refunding bonds may be issued in sufficient amounts to pay or

784 provide the principal of the bonds being refunded, together with  
785 any redemption premium thereon, any interest accrued or to accrue  
786 to the date of payment of such bonds, the expenses of issue of the  
787 refunding bonds, the expenses of redeeming the bonds being  
788 refunded, and such reserves for debt service or other capital or  
789 current expenses from the proceeds of such refunding bonds as may  
790 be required by the resolution, trust indenture or other security  
791 instruments. The issue of refunding bonds, the maturities and  
792 other details thereof, the security therefor, the rights of the  
793 holders and the rights, duties and obligations of a metropolitan  
794 authority in respect of the same shall be governed by the  
795 provisions of this act relating to the issue of bonds other than  
796 refunding bonds insofar as the same may be applicable. Any such  
797 refunding may be effected, whether the obligations to be refunded  
798 shall have then matured or shall thereafter mature, either by the  
799 exchange of the refunding bonds for the obligations to be refunded  
800 thereby with the consent of the holders of the obligations so to  
801 be refunded, or by sale of the refunding bonds and the application  
802 of the proceeds thereof to the payment of the obligations proposed  
803 to be refunded thereby, and regardless of whether the obligations  
804 proposed to be refunded shall be payable on the same date or  
805 different dates or shall be due serially or otherwise.

806       Section 11. All bonds (other than refunding bonds, interim  
807 notes and certificates of indebtedness, which may be validated)  
808 issued pursuant to this act shall be validated as now provided by  
809 law in Sections 31-13-1 through 31-13-11, Mississippi Code of  
810 1972, as amended from time to time; however, notice of such  
811 validation proceedings shall be addressed to the citizens of the  
812 State of Mississippi and the citizens of the respective member  
813 public agencies (a) which have contracted with the metropolitan  
814 authority pursuant to this act, and (b) whose contracts and the  
815 payments to be made by the public agencies thereunder constitute  
816 security for the bonds of such metropolitan authority proposed to

817 be issued, and that such notice shall be published at least once  
818 in a newspaper or newspapers having a general circulation within  
819 the geographical boundaries of each of the member public agencies  
820 to whose citizens the notice is addressed and within the State of  
821 Mississippi. Such validation proceedings shall be instituted in  
822 the Chancery Court of Rankin County. The validity of the bonds so  
823 validated and of the contracts and payments to be made by the  
824 public agencies thereunder constituting security for the bonds  
825 shall be forever conclusive against such metropolitan authority  
826 and the public agencies which are parties to said contracts; and  
827 the validity of said bonds and said contracts and the payments to  
828 be made thereunder shall never be called in question in any court  
829 in this state.

830 Section 12. Bonds issued under the provisions of this act  
831 shall not be deemed to constitute, within the meaning of any  
832 constitutional or statutory limitation, an indebtedness of the  
833 metropolitan authority or any member agency thereof. Such bonds  
834 shall not be secured by a pledge of the full faith and credit of  
835 the State of Mississippi, the metropolitan authority or any member
