

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MADAM PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1268: Gaming; allow placement of cruise vessel or vessel on permanent structure and specify no shore-based gaming.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

8 **SECTION 1.** Section 27-109-1, Mississippi Code of 1972, is
9 amended as follows:

10 27-109-1. (1) The provisions of this chapter shall be
11 administered by the State Tax Commission, which shall administer
12 them for the protection of the public and in the public interest
13 in accordance with the policy of this state.

14 (2) (a) The operator of any cruise vessel or vessel
15 operating within the territorial jurisdiction of the State of
16 Mississippi shall be required to apply for and obtain a privilege
17 license from the State Tax Commission.

18 (b) For purposes of this chapter, the operator of any
19 cruise vessel or vessel shall be identified as any owner or lessee
20 which is vested with the authority and responsibility to manage
21 daily operations of any such cruise vessel or vessel.

22 (c) (i) For purposes of this chapter, the term "cruise
23 vessel" shall mean a vessel which complies with all U.S. Coast
24 Guard regulations, having a minimum overall length of one hundred
25 fifty (150) feet and a minimum draft of six (6) feet and which is
26 certified to carry at least two hundred (200) passengers; and the
27 term "vessel" shall mean a vessel having a minimum overall length
28 of one hundred fifty (150) feet. The term "vessel" shall also

mean a "cruise vessel" as referred to in Section 27-109-11. For the purposes of a "vessel" as that term is defined in this section, "navigable waters" means any rivers, creeks, bayous or other bodies of water within any county in this state bordering on the Mississippi River that are used or susceptible of being used as an artery of commerce and which either in their natural or improved condition are used or suitable for use as an artery of commerce or are used for the docking or mooring of a vessel, notwithstanding interruptions between the navigable parts of such rivers, creeks, bayous or other bodies of water by falls, shallows, or rapids compelling land carriage.

(ii) For purposes of this subparagraph, the definitions of the words "person" and "gaming license" shall have the meanings ascribed to those words and terms in Section 75-76-5. After July 1, 2005, any person possessing a valid gaming license to conduct legal gaming on a cruise vessel or vessel may construct permanent structures upon which to place the vessel or cruise vessel where the licensee has received approval to offer legal gaming. Such permanent structures shall be included within the meanings of the terms "cruise vessel" and "vessel" under subparagraph (i). In the event that such a gaming licensee constructs permanent structures under this subparagraph, the requirement that a cruise vessel have a minimum draft of six (6) feet shall not apply. This subparagraph shall not authorize any form of inland gaming or the conducting of legal gaming on a vessel or cruise vessel which is not on, in or above water, as contemplated under subparagraph (i) and Section 97-33-1.

(3) The commission and its agents may:

(a) Inspect and examine all premises on the cruise vessel.

(b) Inspect all equipment and supplies in, upon or about such premises.

61 (c) Summarily seize and remove from such premises and
62 impound any equipment or supplies for the purpose of examination
63 and inspection.

64 (d) Demand access to and inspect, examine, photocopy
65 and audit all papers, books and records of applicants and
66 licensees, on their premises, or elsewhere as practicable, and in
67 the presence of the licensee or his agent, respecting all matters
68 affecting the enforcement of the policy or any of the provisions
69 of this chapter.

70 (4) For the purpose of conducting audits after the cessation
71 of operations by a licensee, the former licensee shall furnish,
72 upon demand of an agent of the commission, books, papers and
73 records as necessary to conduct the audits. The former licensee
74 shall maintain all books, papers and records necessary for audits
75 for a period of one (1) year after the date of the surrender or
76 revocation of his privilege license. If the former licensee seeks
77 judicial review of a deficiency determination or files a petition
78 for a redetermination, he must maintain all books, papers and
79 records until a final order is entered on the determination.

80 (5) The commission may investigate, for the purpose of
81 prosecution, any suspected criminal violation of the provisions of
82 this chapter. For the purpose of the administration and
83 enforcement of this chapter, the commission and the executive,
84 supervisory and investigative personnel of the commission have the
85 powers of a peace officer of this state.

86 (6) The commission, or any of its members, has full power
87 and authority to issue subpoenas and compel the attendance of
88 witnesses at any place within this state, to administer oaths and
89 to require testimony under oath. Any process or notice may be
90 served in the manner provided for service of process and notices
91 in civil actions. The commission may pay such transportation and
92 other expense of witnesses as it may deem reasonable and proper.

93 Any person making false oath in any matter before the commission
94 is guilty of perjury. The commission, or any member thereof, may
95 appoint hearing examiners who may administer oaths and receive
96 evidence and testimony under oath.

97 **SECTION 2.** This act shall take effect and be in force from
98 and after its passage.

**Further, amend by striking the title in its entirety and
inserting in lieu thereof the following:**

1 AN ACT TO AMEND SECTION 27-109-1, MISSISSIPPI CODE OF 1972,
2 TO PROVIDE THAT AFTER JULY 1, 2005, A GAMING LICENSEE MAY
3 CONSTRUCT PERMANENT STRUCTURES UPON WHICH TO PLACE THE VESSEL OR
4 CRUISE VESSEL WHERE THE LEGAL GAMING IS BEING CONDUCTED; TO
5 SPECIFY THAT THESE PROVISIONS SHALL NOT AUTHORIZE ANY FORM OF
6 INLAND GAMING; AND FOR RELATED PURPOSES.
