

27 appropriated positions in compliance with the provisions of this  
28 act. It shall be the responsibility of the agency head to insure  
29 that no single personnel action increases this projected annual  
30 cost and/or the Fiscal Year 2006 appropriation for "Personal  
31 Services" when annualized, with the exception of escalated funds.  
32 If, at the time the agency takes any action to change "Personal  
33 Services," the State Personnel Board determines that the agency  
34 has taken an action which would cause the agency to exceed this  
35 projected annual cost or the Fiscal Year 2006 "Personal Services"  
36 appropriated level, when annualized, then only those actions which  
37 reduce the projected annual cost and/or the appropriation  
38 requirement will be processed by the State Personnel Board until  
39 such time as the requirements of this provision are met.

40 Any transfers or escalations shall be made in accordance with  
41 the terms, conditions and procedures established by law or  
42 allowable under the terms set forth within this act. The State  
43 Personnel Board shall not escalate positions without written  
44 approval from the Department of Finance and Administration. The  
45 Department of Finance and Administration shall not provide written  
46 approval to escalate any funds for salaries and/or positions  
47 without proof of availability of new or additional funds above the  
48 appropriated level.

49 No general funds authorized to be expended herein shall be  
50 used to replace federal funds and/or other special funds which are  
51 being used for salaries authorized under the provisions of this  
52 act and which are withdrawn and no longer available.

53 The agency shall not take any action to promote or otherwise  
54 award salary increases through reallocation, reclassification,  
55 realignment, education benchmark, career ladder, or any other  
56 means to increase salaries of employees or positions, except for  
57 the award of teacher pay increases.

58           **SECTION 3.** It is the intention of the Legislature that the  
59 Mississippi Athletic Commission shall maintain complete accounting  
60 and personnel records related to the expenditure of all funds  
61 appropriated under this act and that such records shall be in the  
62 same format and level of detail as maintained for Fiscal Year  
63 2005. It is further the intention of the Legislature that the  
64 agency's budget request for Fiscal Year 2007 shall be submitted to  
65 the Joint Legislative Budget Committee in a format and level of  
66 detail comparable to the format and level of detail provided  
67 during the Fiscal Year 2006 budget request process.

68           **SECTION 4.** The money herein appropriated shall be paid by  
69 the State Treasurer out of any money in the State Treasury to the  
70 credit of the proper fund or funds as set forth in this act, upon  
71 warrants issued by the State Fiscal Officer; and the State Fiscal  
72 Officer shall issue his warrants upon requisitions signed by the  
73 proper person, officer or officers, in the manner provided by law.

74           **SECTION 5.** This act shall take effect and be in force from  
75 and after July 1, 2005.
