117 **SECTION 6.** With the funds herein appropriated, it is the
118 intention of the Legislature that it shall be the agency's
119 responsibility to make certain that funds required to be
120 appropriated for "Personal Services" for Fiscal Year 2007 do not
121 exceed Fiscal Year 2006 funds appropriated for that purpose,
122 unless programs or positions are added to the agency's Fiscal Year
123 2007 budget by the Mississippi Legislature. Based on data
124 provided by the Legislative Budget Office, the State Personnel
125 Board shall determine and publish the projected annual cost to
126 fully fund all appropriated positions in compliance with the
127 provisions of this act. It shall be the responsibility of the
128 agency head to insure that no single personnel action increases
129 this projected annual cost and/or the Fiscal Year 2006
130 appropriation for "Personal Services" when annualized, with the
131 exception of escalated funds. If, at the time the agency takes
132 any action to change "Personal Services," the State Personnel
133 Board determines that the agency has taken an action which would
134 cause the agency to exceed this projected annual cost or the

135 Fiscal Year 2006 "Personal Services" appropriated level, when
136 annualized, then only those actions which reduce the projected
137 annual cost and/or the appropriation requirement will be processed
138 by the State Personnel Board until such time as the requirements
139 of this provision are met.

140 Any transfers or escalations shall be made in accordance with
141 the terms, conditions and procedures established by law or
142 allowable under the terms set forth within this act. The State
143 Personnel Board shall not escalate positions without written
144 approval from the Department of Finance and Administration. The
145 Department of Finance and Administration shall not provide written
146 approval to escalate any funds for salaries and/or positions
147 without proof of availability of new or additional funds above the
148 appropriated level.

149 No general funds authorized to be expended herein shall be
150 used to replace federal funds and/or other special funds which are
151 being used for salaries authorized under the provisions of this
152 act and which are withdrawn and no longer available.

153 **SECTION 7.** The Bureau of Building, Grounds and Real Property
154 Management of the Office of General Services is hereby expressly
155 authorized and empowered to receive, budget and expend any state,
156 local or other source funds designated for supplemental funding of
157 construction and/or repairs and renovation projects.

158 **SECTION 8.** Of the funds appropriated under the provisions of
159 Section 2, the following amounts are authorized to be spent out of
160 the Statewide Cost Allocation Fund No. 3143 by the Department of
161 Finance and Administration:

162 (a) Three Hundred Two Thousand Fifty Dollars (\$302,050.00)
163 for the purpose of defraying computer expenses.

164 (b) One Million Eighty-seven Thousand One Hundred Twenty-
165 eight Dollars (\$1,087,128.00) for the purpose of
166 defraying the cost of the acquisition, development and
167 implementation of the Statewide Automated Accounting
168 System, which includes implementation and operation of

169 an imaging/electronic processing system and records
170 management.

171 (c) One Million One Hundred Ninety-eight Thousand Two
172 Hundred Thirty-six Dollars (\$1,198,236.00) for the
173 purpose of defraying the expenses of administration of
174 the Statewide Cost Allocation Plan, utilities for the
175 Capitol Complex, and Air Transport Services.

176 **SECTION 9.** It is the intention of the Legislature that the
177 Department of Finance and Administration shall maintain complete
178 accounting and personnel records related to the expenditure of all
179 funds appropriated under this act and that such records shall be
180 in the same format and level of detail as maintained for Fiscal
181 Year 2005. It is further the intention of the Legislature that
182 the agency's budget request for Fiscal Year 2007 shall be
183 submitted to the Joint Legislative Budget Committee in a format
184 and level of detail comparable to the format and level of detail
185 provided during the Fiscal Year 2006 budget request process.

186 **SECTION 10.** The Department of Finance and Administration
187 shall have the authority to enter into leases with vendors at the
188 property located in the northwest quadrant of the intersection of
189 Woodrow Wilson Avenue and West Street in Jackson, Mississippi,
190 commonly known as the Farmer's Market, for a lease period not to
191 exceed three (3) years. Only those vendors which are current
192 vendors of the Farmer's Market located in the northwest quadrant
193 of the intersection of Woodrow Wilson Avenue and West Street in
194 Jackson, Mississippi, at the time of passage may enter into leases
195 with the Department of Finance and Administration. The funds
196 derived from the rent proceeds of said property shall be deposited
197 in the Capital Facilities Rent Fund (Fund 3131) in the State
198 Treasury. The Department of Finance and Administration shall not
199 increase the rent charged to the vendors unless the annual costs
200 associated with maintaining, repairing, providing security, paying
201 utilities, and related expenses for said property exceed the
202 annual rental income. It is the intention of the Legislature that
203 the Department of Finance and Administration is hereby authorized

204 to escalate, budget, and expend funds in an amount not to exceed
205 Two Hundred Fifty Thousand Dollars (\$250,000.00) for costs
206 associated with maintaining, repairing, providing security, paying
207 utilities, and related expenses for said property. The escalation
208 authority granted in this section shall only be permitted with
209 funds derived from rent revenues received from leases on said
210 properties.

211 **SECTION 11.** The money herein appropriated shall be paid by
212 the State Treasurer out of any money in the State Treasury to the
213 credit of the proper fund or funds as set forth in this act, upon
214 warrants issued by the State Fiscal Officer; and the State Fiscal
215 Officer shall issue his warrants upon requisitions signed by the
216 proper person, officer or officers, in the manner provided by law.

217 **SECTION 12.** This act shall take effect and be in force from
218 and after July 1, 2005.
