475 (2) Every person licensed under this chapter shall, on or
476 before the license expiration date, pay a fee for the biennial
477 renewal of license to the board. The board may suspend the
478 license of any person who fails to have his license renewed by the
479 expiration date. After the expiration date, the board may renew a
480 license upon payment of a fee to the board. No person who
481 requests renewal of license, whose license has expired, shall be
482 required to submit to examination as a condition to renewal, if
483 such renewal application is made within two (2) years from the
484 date of such expiration.

485 (3) A suspended license is subject to expiration and may be
486 renewed as provided in this section, but such renewal shall not
487 entitle the licensee, while the license remains suspended and
488 until it is reinstated, to engage in the licensed activity, or in
489 any other conduct or activity in violation of the order or
490 judgment by which the license was suspended.

491 (4) A license revoked on disciplinary grounds is subject to
492 expiration as provided in subsection (1) of this section, but it
493 may not be renewed. If such license is reinstated after its
494 expiration, the licensee, as a condition of reinstatement, shall
495 pay a reinstatement fee in an amount equal to the fee for a
496 license issued after the expiration date which is in effect on the
497 last preceding regular renewal date before the date on which it is
498 reinstated. The procedure for the reinstatement of a license that
499 is suspended for being out of compliance with an order for
500 support, as defined in Section 93-11-153, shall be governed by
501 Section 93-11-157 or 93-11-163, as the case may be.

502 (5) Any person who fails to renew his license within the two
503 (2) years after the date of its expiration may not renew it, and
504 it may not be restored, reissued or reinstated thereafter, but
505 such person may apply for and obtain a new license if he meets the
506 requirements of this chapter.
