169 With the funds herein appropriated, it is the intention of 170 the Legislature that it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal 171 172 Services" for Fiscal Year 2007 do not exceed Fiscal Year 2006 funds appropriated for that purpose, unless programs or positions 173 174 are added to the agency's Fiscal Year 2007 budget by the Mississippi Legislature. Based on data provided by the 175 176 Legislative Budget Office, the State Personnel Board shall 177 determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this 178 179 act. It shall be the responsibility of the agency head to insure 180 that no single personnel action increases this projected annual 181 cost and/or the Fiscal Year 2006 appropriation for "Personal Services" when annualized, with the exception of escalated funds. 182 183 If, at the time the agency takes any action to change "Personal 184 Services, " the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this 185 186 projected annual cost or the Fiscal Year 2006 "Personal Services" 187 appropriated level, when annualized, then only those actions which 188 reduce the projected annual cost and/or the appropriation 189 requirement will be processed by the State Personnel Board until 190 such time as the requirements of this provision are met. 191 Any transfers or escalations shall be made in accordance with 192 the terms, conditions and procedures established by law or 193 allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written 194 approval from the Department of Finance and Administration. 195 Department of Finance and Administration shall not provide written 196 197 approval to escalate any funds for salaries and/or positions 198 without proof of availability of new or additional funds above the 199 appropriated level. 200 No general funds authorized to be expended herein shall be

used to replace federal funds and/or other special funds which are

being used for salaries authorized under the provisions of this

act and which are withdrawn and no longer available.
